3. SETUP

3.1 Initial Power On

1. Press and hold the power button located on the side of the tablet until the Lenovo logo appears.
2. Follow the on-screen prompts to select your language, connect to a Wi-Fi network, and set up your Google account.

3.2 Charging the Tablet

Connect the provided USB-C charging cable to the tablet's USB-C port and the other end to a compatible power adapter. The battery indicator will show charging status. For optimal performance, fully charge the tablet before first use.

3.3 Inserting a MicroSD Card

1. Locate the MicroSD card slot on the side of the tablet.
2. Insert the provided ejection pin into the small hole next to the slot to open the tray.
3. Place the MicroSD card onto the tray with the gold contacts facing down.
4. Gently push the tray back into the slot until it clicks into place.

4. OPERATING INSTRUCTIONS

4.1 Display and Audio

The 11-inch 2.5K IPS touchscreen display offers sharp visuals with a 90Hz refresh rate for smooth interaction. Quad Dolby Atmos-tuned speakers provide rich audio for an immersive experience.

4.5 Smart Connect

Embrace a unified digital ecosystem with Smart Connect, allowing effortless task transitions across devices without cables or email attachments.

5. MAINTENANCE

5.1 Cleaning the Device

Use a soft, lint-free cloth to clean the screen and body of the tablet. Avoid using harsh chemicals or abrasive materials that could damage the surfaces.

5.2 Battery Care

To prolong battery life, avoid exposing the tablet to extreme temperatures. It is recommended to keep the battery charge between 20% and 80% for long-term health.

5.3 Software Updates

Regularly check for and install system updates to ensure your tablet has the latest features, security patches, and performance improvements.

6. TROUBLESHOOTING

6.1 Device Not Powering On

Ensure the tablet is sufficiently charged. Connect it to the charger and wait a few minutes before attempting to power it on again. If the issue persists, perform a force restart by holding the power button for 10-15 seconds.

6.2 Touchscreen Unresponsive

If the touchscreen is unresponsive, try restarting the device. If the problem continues, ensure the screen is clean and free of debris. If necessary, perform a factory reset (note: this will erase all data).

6.3 Wi-Fi Connectivity Issues

Check if other devices can connect to the same Wi-Fi network. Restart your router and the tablet. If the issue persists, forget the network on your tablet and reconnect.

7. SPECIFICATIONS

Feature	Specification
Model Number	ZAFR0925US
Screen Size	11 Inches
