

DWaybox Smart Folio Case for Lenovo Idea Tab 11" TB336FU TB336ZU

DWaybox Smart Folio Case User Manual

For Lenovo Idea Tab 11" TB336FU TB336ZU (Released 2025)

1. INTRODUCTION

This manual provides comprehensive instructions for the DWaybox Smart Folio Case, designed specifically for the Lenovo Idea Tab 11" models TB336FU and TB336ZU, released in 2025. Please ensure your tablet model matches the compatibility information before use.

The DWaybox Smart Folio Case offers robust protection, smart functionality, and versatile viewing options for your tablet.

2. PRODUCT FEATURES

- **Exclusive Compatibility:** Precisely designed for Lenovo Idea Tab 11" TB336FU TB336ZU (2025).
- **Smart Auto Sleep/Wake Function:** Automatically wakes your tablet when opened and puts it to sleep when closed, conserving battery life.
- **Multi-Angle Adjustable Stand:** Provides multiple viewing angles for comfortable media consumption, browsing, reading, or typing.
- **Durable Protection:** Constructed with scratch-resistant synthetic leather exterior and a rigid PC inner shell for comprehensive protection against drops, scratches, and dust.
- **Precise Cutouts:** Ensures full access to all buttons, ports, cameras, and speakers without needing to remove the case.
- **Slim and Lightweight Design:** Adds minimal bulk while offering maximum protection.
- **Bonus Stylus Pen:** Includes a DWAY brand 2-in-1 stylus and ballpoint pen.

3. INSTALLATION

Follow these steps to properly install your DWaybox Smart Folio Case onto your Lenovo Idea Tab 11" tablet:

1. Ensure your tablet is clean and free of dust or debris.
2. Align the tablet with the rigid PC inner shell of the case. Start by gently inserting one side of the tablet into the case, ensuring the corners align with the case's protective frame.

3. Press the remaining corners of the tablet into the case until it is securely seated. Ensure all edges are fully enclosed by the case's frame.
4. Verify that all cutouts for buttons, ports, and cameras are perfectly aligned and accessible.

4. OPERATING INSTRUCTIONS

4.1 Auto Sleep/Wake Function

The case is equipped with a magnetic sensor that interacts with your tablet to enable automatic sleep and wake functionality. This feature helps conserve battery life.

- To **wake** the tablet, simply open the front cover of the case. The tablet screen will automatically turn on.
- To put the tablet to **sleep**, close the front cover. The tablet screen will automatically turn off.

Auto Sleep / Wake Function

Wake on open. Sleep on close.

Figure 4.1: Illustration of the automatic sleep/wake function. Opening the cover wakes the tablet, closing it puts the tablet to sleep.

4.2 Using the Multi-Angle Stand

The tri-fold front cover can be folded into different configurations to provide stable viewing and typing angles.

- **Viewing Angle:** Fold the front cover into a triangular stand to prop up the tablet at an upright angle, ideal for watching videos, video calls, or browsing.
- **Typing Angle:** Fold the front cover into a lower, more inclined triangular stand, suitable for comfortable typing or

drawing.

Figure 4.2: Examples of the case folded into viewing and typing stand modes, providing ergonomic angles for different activities.

5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your DWaybox Smart Folio Case, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior with a soft, damp cloth. For stubborn stains, a mild soap solution can be used, but avoid harsh chemicals or abrasive cleaners. Ensure the case is completely dry before re-installing your tablet.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight and extreme temperatures.
- **Avoid Sharp Objects:** Keep the case away from sharp objects that could scratch or puncture the synthetic leather.
- **Regular Inspection:** Periodically check the case for any signs of wear or damage, especially around the corners and edges, to ensure continued protection.

6. TROUBLESHOOTING

If you encounter any issues with your DWaybox Smart Folio Case, refer to the following common troubleshooting tips:

Problem	Possible Cause	Solution
Auto Sleep/Wake not working.	Tablet not seated correctly; magnetic sensor obstructed; tablet settings.	Ensure the tablet is fully and correctly inserted into the case. Check for any debris or foreign objects between the tablet and the case. Verify that the auto sleep/wake function is enabled in your tablet's display settings.
Tablet feels loose in the case.	Incorrect tablet model; improper installation.	Confirm your tablet model (Lenovo Idea Tab 11" TB336FU/TB336ZU) matches the case's compatibility. Re-install the tablet, ensuring all corners are securely snapped into place.
Case appears dirty or stained.	Accumulated dirt or spills.	Clean the case as described in the "Maintenance and Care" section (Section 5).
