Scvcid GK95AB-01

Scvcid Smart Bluetooth Boxing Machine GK95AB-01 User Manual

Model: GK95AB-01

1. Introduction

Thank you for choosing the Scvcid Smart Bluetooth Boxing Machine. This device is designed to provide an engaging and interactive boxing training experience for users of various skill levels. Featuring LED light guidance, Bluetooth music connectivity, and multiple challenge modes, it aims to enhance reaction ability, coordination, and overall fitness. Please read this manual thoroughly before use to ensure proper setup, operation, and maintenance.

2. Safety Information

- Ensure the boxing machine is securely mounted to a stable surface before use.
- Always wear appropriate protective gear, such as boxing gloves, to prevent injury.
- Supervise children during use. This product is designed with child-safe features including soft-touch padding and rounded edges, but supervision is still recommended.
- Do not attempt to modify or disassemble the device.
- Keep the device away from water and extreme temperatures.
- Use only the provided charging cable.

3. What's in the Box

Verify that all components are present:

- Scvcid Smart Bluetooth Boxing Machine
- Boxing Gloves
- Charging Cable (Type-C)
- Instructions Manual
- Screwdriver
- Lithium Battery (pre-installed or separate)
- Suction Cups
- Velcro Straps

4. Setup

4.1 Mounting the Boxing Machine

The Scvcid Smart Bluetooth Boxing Machine can be mounted using either the provided Velcro straps or suction cups, depending on your wall surface.

1. **Using Velcro:** Clean the desired wall surface. Attach the adhesive side of the Velcro strips to the back of the boxing machine and the other side to the wall. Press firmly to ensure a secure bond.
2. **Using Suction Cups:** For smooth, non-porous surfaces like tile or glass, attach the suction cups to the designated points on the back of the machine. Press the machine firmly against the wall, ensuring the suction cups create a vacuum seal.

4.2 Charging the Device

Before first use, fully charge the boxing machine. Locate the Type-C charging port, typically on the side or bottom of the

unit. Connect the provided Type-C charging cable to the port and plug the other end into a compatible USB power adapter (not included).

4.3 Bluetooth Connection

To connect your device via Bluetooth:

1. Power on the boxing machine.
2. Enable Bluetooth on your smartphone or other audio device.
3. Search for available devices and select "JW-QUANJI" (or similar device name) to pair.
4. Once connected, you can play your favorite music through the boxing machine's speakers.

5. Operating Instructions

5.1 Power On/Off

Press and hold the power button (usually located on the center console) for a few seconds to turn the device on or off. The LED display will illuminate upon power-on.

5.2 Mode Selection

The boxing machine offers various modes and settings:

- **Personalized Starting Level:** Adjust the difficulty to match your skill level, from beginner to advanced. Refer to

the on-screen prompts or included quick-start guide for specific button presses.

- **Challenge Speeds:** Choose from 9 different challenge speeds to vary the pace of the LED light targets.
- **Volume Levels:** Select from 5 volume levels for music and sound effects.
- **Multiplayer Mode:** Engage in friendly competitions with friends or family.

5.3 Training with LED Guidance

Once powered on and a mode is selected, LED lights will illuminate on the targets, indicating where to punch. Follow the rhythm and lights to improve your reaction time and coordination. The device tracks your hits and displays scores.

6. Maintenance

6.1 Cleaning

Wipe the surface of the boxing machine with a soft, damp cloth. Do not use abrasive cleaners or immerse the device in water.

6.2 Storage

When not in use, store the boxing machine in a cool, dry place away from direct sunlight and extreme temperatures. Ensure the device is turned off before storage.

7. Troubleshooting

- **Device not powering on:** Ensure the device is fully charged. Check the charging cable and adapter.
- **Bluetooth not connecting:** Make sure Bluetooth is enabled on your audio device and the boxing machine. Ensure the machine is not already paired with another device. Try restarting both devices.
- **Lights not responding:** Check if the device is in an active training mode. Ensure the sensors are not obstructed.
- **Sound issues:** Adjust the volume settings on both the boxing machine and your connected audio device.
- **Mounting issues:** If using suction cups, ensure the wall surface is clean, smooth, and non-porous. For Velcro, ensure both surfaces are clean and dry before application.
