SETUP

1. Charging the Device

Before first use, fully charge your STECEi T50S Smart Watch. Connect the magnetic charging cable to the charging contacts on the back of the watch and plug the USB end into a power adapter (not included) or a computer's USB port.

- Charging Time: Approximately 2 hours for a full charge.
- Battery Life: Up to 7 days of average usage, 30 days standby time.

2. App Installation and Pairing

1. **Download the App:** Search for "Gloryfit" in your smartphone's app store (Android or iOS) and install it.
2. **Enable Bluetooth:** Ensure Bluetooth is enabled on your smartphone.
3. **Open Gloryfit App:** Launch the app and follow the on-screen instructions to create an account or log in.
4. **Add Device:** In the app, navigate to the device section and select "Add Device" or similar option. The app will search for your T50S Smart Watch.
5. **Pair:** Select "T50S" from the list of found devices to initiate pairing. Confirm the pairing request on both your watch and smartphone.

Once paired, the watch will synchronize time and data with your phone.

OPERATING THE SMART WATCH

Basic Navigation

- **Touch Screen:** Swipe left, right, up, or down to navigate through menus and features. Tap to select.
- **Side Button:** Typically used to return to the home screen, turn the screen on/off, or access the main menu.

Bluetooth Calls and Notifications

The T50S Smart Watch supports Bluetooth calling and displays notifications from your smartphone.

- **Making/Answering Calls:** With the watch paired, you can answer incoming calls directly from your wrist or dial numbers using the watch's interface. The watch features a built-in microphone and speaker.
- **Message Notifications:** Receive alerts for incoming calls, text messages, and notifications from various social media applications (e.g., Facebook, Instagram, WhatsApp) directly on your watch screen.

Bluetooth Call & View Message

Health Monitoring

The watch provides continuous health monitoring features.

- **Heart Rate Monitor:** Monitors your heart rate 24/7. View real-time data on the watch or detailed trends in the Gloryfit app.
- **Sleep Monitor:** Tracks your sleep patterns, including deep sleep, light sleep, and awake times. Provides a comprehensive analysis of your sleep quality in the app.
- **Women's Health:** Offers personalized reminders and tracking for women's health cycles through the Gloryfit application.

All-Round Health Monitor

Stay on top of your health with 24/7 real-time monitoring

Image: Smart Watch displaying sleep monitoring data.

Sports Modes and Activity Tracking

The T50S Smart Watch supports over 110 indoor and outdoor sports modes to track your physical activity.

- **Activity Tracking:** Records steps, distance, calories burned, and active minutes using its high-precision gravity sensor.
- **Sport Modes:** Select a specific sport mode (e.g., running, walking, cycling, badminton) before starting an activity to get tailored metrics and performance analysis.

110+ Sport Modes & All Day Activity Tracking

Know your Exercise Data and Improve your Sport Efficiency

Additional Functions

The T50S Smart Watch includes several utility features:

- **Alarm Clock:** Set alarms directly from the watch or app.
- **Music Control:** Control music playback on your smartphone (play, pause, skip tracks).
- **Camera Control:** Use the watch as a remote shutter for your smartphone camera.
- **Find Phone:** Locate your paired smartphone by making it ring.
- **Weather Reminder:** Displays current weather information (requires app synchronization).
- **Sedentary Reminder:** Alerts you to move after periods of inactivity.
- **Calculator:** Basic calculator function.
- **Breathing Training:** Guided breathing exercises.

Multi-Function Smart Watch

MAINTENANCE

Water Resistance (IP68)

The T50S Smart Watch is IP68 waterproof, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. It is suitable for daily use, such as hand washing, rain, and sweating during exercise. However, it is not recommended for hot showers, saunas, or diving, as steam and hot water may affect the seal.

Cleaning

To maintain the watch's appearance and functionality, regularly clean the device and strap. Use a soft, damp cloth to wipe the screen and strap. Avoid using harsh chemicals or abrasive materials.

Battery Care

To prolong battery life:

- Avoid extreme temperatures.
- Do not leave the watch fully discharged for extended periods.
- Charge the watch using the provided magnetic charging cable.

TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 10 minutes.
- **Cannot pair with phone:**

- Ensure Bluetooth is enabled on your phone.
 - Make sure the watch is within Bluetooth range of your phone.
 - Restart both the watch and your phone.
 - Try unpairing and re-pairing the device through the Gloryfit app.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, about one finger's width from your wrist bone. Clean the sensor on the back of the watch.
 - **Notifications not received:**
 - Check app notification settings in the Gloryfit app.
 - Ensure your phone's notification permissions are granted to the Gloryfit app.
 - Verify that the watch is connected via Bluetooth.
