OTTOCAST CA505-T1

OTTOCAST Mini 2025-2-in-1 Wireless CarPlay/Android Auto Adapter Instruction Manual

Model: CA505-T1

PRODUCT OVERVIEW

The OTTOCAST Mini is a compact 2-in-1 wireless adapter designed to convert your vehicle's existing wired CarPlay or Android Auto system into a seamless wireless experience. This device offers quick connectivity, stable performance, and broad compatibility for a wide range of vehicles and smartphones.

COMPATIBILITY REQUIREMENTS

The OTTOCAST Mini is designed for vehicles manufactured in 2016 or later that come with factory-installed wired CarPlay or Android Auto. It is compatible with iOS 10+ (iPhone 5 and newer) and Android 11+ devices (requiring 5GHz Wi-Fi for Android Auto wireless projection).

- **Vehicle Compatibility:** Supports 98% of 2016+ vehicles with wired CarPlay or Android Auto. Excludes BMW, Tesla, and pre-2016 models.
- **Smartphone Compatibility:** iOS 10+ (iPhone 5 and all newer models) and Android 11+ (5GHz Wi-Fi required).
- **Important:** Confirm your phone's wireless projection capability for Android Auto.

SETUP INSTRUCTIONS

Initial Connection

1. Ensure your vehicle's engine is running and the infotainment system is active.
2. Locate your car's USB port that supports wired CarPlay or Android Auto.

3. Plug the OTTOCAST Mini adapter into the USB port. Use the included USB-A to USB-C adapter or the 90° USB-A adapter if needed for your car's port type or space constraints.
4. On your smartphone, enable Bluetooth and Wi-Fi.
5. Go to your phone's Bluetooth settings and search for available devices. Select the device named 'CAR2-XXXX' (where XXXX is a unique identifier for your adapter) and pair.
6. Follow any on-screen prompts on your phone and car's infotainment system to grant necessary permissions for CarPlay or Android Auto.
7. The adapter should connect to your car's system within 5-8 seconds, initiating wireless CarPlay or Android Auto.

OPERATING YOUR OTTOCAST MINI

Seamless Wireless Experience

Once connected, your smartphone's CarPlay or Android Auto interface will appear on your car's infotainment screen. You can navigate through apps, make calls, send messages, and use navigation services wirelessly. The 5GHz Wi-Fi ensures stable audio and navigation with minimal interference.

Redefining Thinness

The image features a man with curly brown hair, wearing a light yellow button-down shirt over a green t-shirt and dark grey trousers. He is smiling and holding a small black Ottocat Mini device in his right hand. To his right, an Apple AirTag is shown for comparison. The background is a solid light blue. The text 'OTTOCAT MINI' is written in large, bold, teal letters. Below it, the word 'AirTag' is written in white. A circular inset in the bottom right corner shows a close-up of the Ottocat Mini device being held between two fingers. The dimensions are labeled: '1.42 inch' for the length, '0.78 inch' for the width, and '0.4 inch' for the thickness.

Switching Between Devices

The OTTOCAST Mini features a built-in button for easy device switching. If multiple devices are paired, a single press of the button allows you to switch between the last two connected devices. For multi-driver setups, pre-pairing devices is recommended.

Voice Assistant Integration

Utilize your car's native voice assistant (Siri for CarPlay, Google Assistant for Android Auto) for hands-free control of

navigation, music, calls, and more. The adapter supports voice commands for a safer driving experience.

GPS Passthrough

The OTTOCAST Mini features exclusive GPS Passthrough technology, ensuring stable and accurate navigation directly through your car's display. This eliminates the need for your phone's GPS to be actively displayed on the phone itself, improving focus on the road.

TROUBLESHOOTING COMMON ISSUES

- **Connection Delays:** If connection takes longer than expected, try unplugging and re-plugging the adapter. Ensure your phone's Bluetooth and Wi-Fi are active.
- **Device Switching:** For seamless switching between multiple paired devices, ensure the previously connected

device's Bluetooth is turned off or out of range.

- **Compatibility Issues:** If you experience persistent issues, check the official compatibility list online or contact customer support. Firmware updates often resolve compatibility problems.
- **Audio/Navigation Interference:** In areas with high Wi-Fi interference, ensure your phone's Wi-Fi and Bluetooth are actively connected to the adapter for best results.

PRODUCT SPECIFICATIONS

Feature	Specification
Model Number	CA505-T1
Product Dimensions	1.9 x 0.75 x 0.35 inches (5.00 cm L x 2.21 cm W x 1.04 cm H)
Item Weight	1.44 ounces
Color	Black
Hardware Interface	USB, USB Type C
Data Link Protocol	Bluetooth
Compatible Operating System Family	Android, iOS
Minimum Required OS Version (Android)	Android 11.0
UPC	725414685024

WARRANTY & SUPPORT

2-Year Protection

The OTTOCAST Mini comes with a 2-year hassle-free replacement warranty, exceeding the standard 1-year protection. Proof of purchase is required for warranty claims.
