PARUUNTYS Open Top Self Cleaning Litter Box Waterproof Pad User Manual

Model: B0FH4LX786

1. INTRODUCTION

This manual provides instructions for the proper use and maintenance of your PARUUNTYS Open Top Self Cleaning Litter Box Waterproof Pad. Designed to enhance the functionality of compatible self-cleaning litter boxes, this pad offers a waterproof, anti-stick, and scratch-resistant surface for your cat's comfort and hygiene.

2. PRODUCT FEATURES

- **Waterproof Design:** Constructed with a waterproof coating to prevent liquid from seeping through, protecting your litter box and flooring.
- **Anti-Stick Surface:** The smooth surface helps prevent litter and waste from sticking, making cleaning easier.
- **Scratch-Resistant:** Durable material designed to withstand cat claws, ensuring longevity.
- **Seamless Edge:** Features a seamless design along the edges to minimize leakage, even if liquid accumulates near the perimeter.
- **Easy to Clean:** The pad can be easily removed and cleaned, promoting a hygienic environment.
- **Compatibility:** Specifically designed for use with open-top self-cleaning cat litter boxes, such as the Cumrige model.

Exclusive Design for Cumrige Self-cleaning Cat Litter Box

3. SETUP AND INSTALLATION

The PARUUNTYS Waterproof Pad is designed for simple installation within compatible open-top self-cleaning litter boxes.

1. **Prepare the Litter Box:** Ensure your self-cleaning litter box is clean and free of any existing litter or debris before placing the pad.
2. **Position the Pad:** Carefully place the waterproof pad into the bottom of the litter box. Ensure it lies flat and covers the entire base area.
3. **Secure the Edges:** The pad features a protective edge. Ensure that this edge is fully snapped into the grooves or securing mechanism of your litter box, if applicable, to prevent movement and maximize leakage protection.
4. **Add Litter:** Once the pad is securely in place, add your preferred cat litter according to your litter box's instructions.

NO WORRIES TO LEAK

Seamless design to prevent leakage even if your cat urinates along the edge

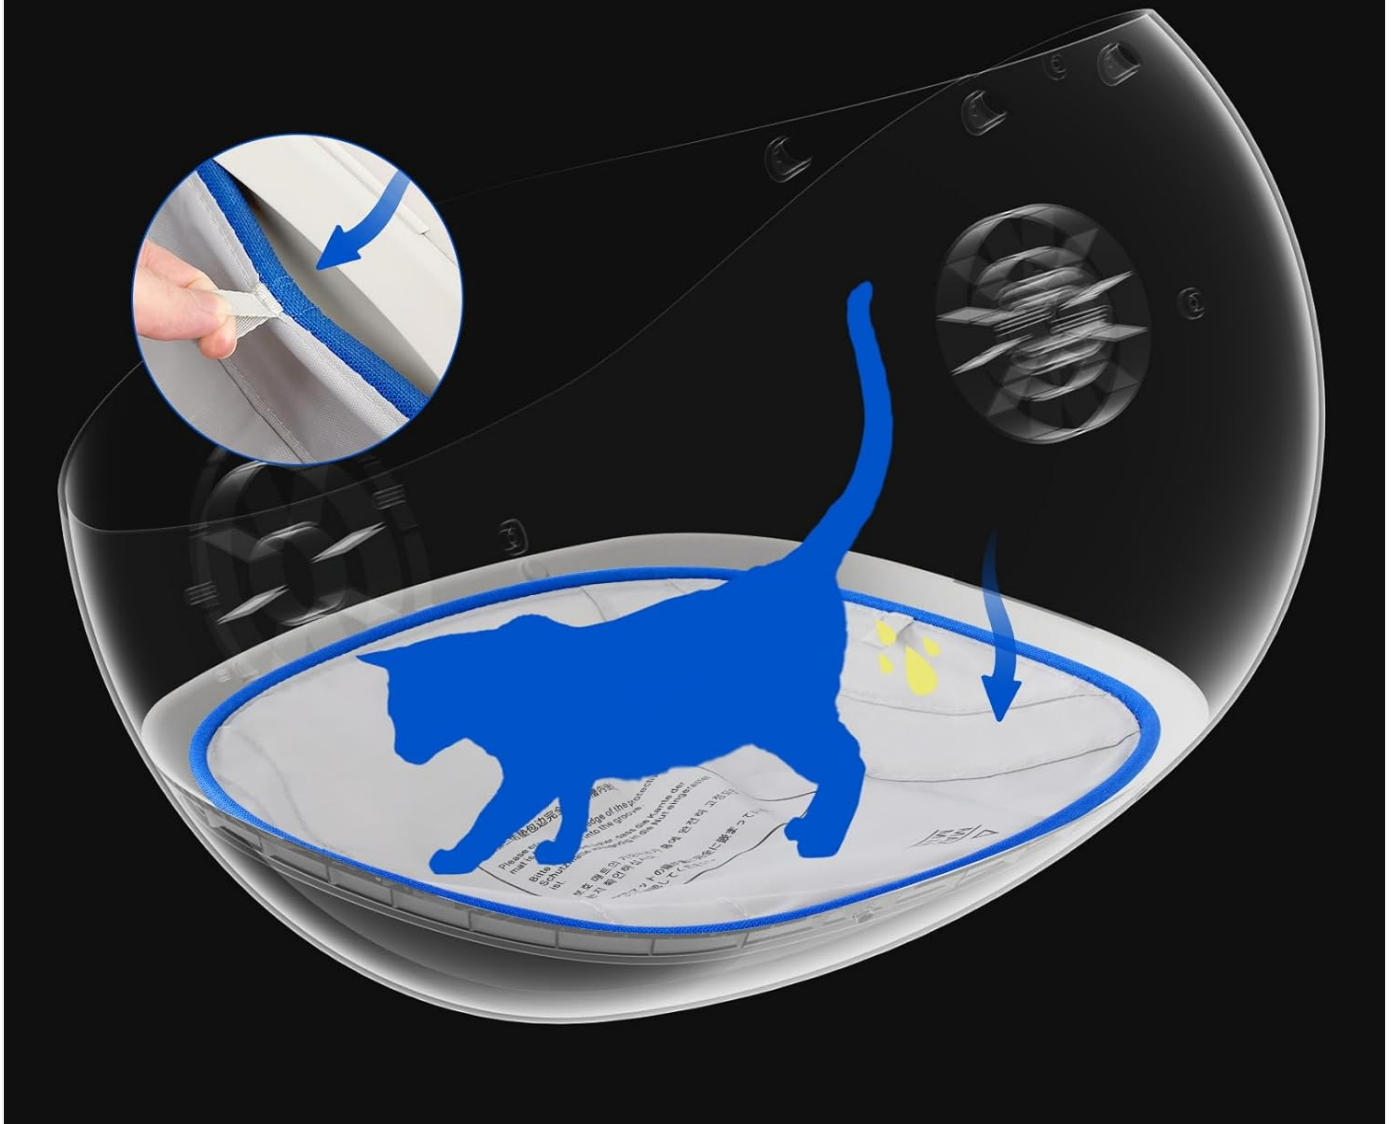

Image 3.2: Illustration demonstrating the seamless design of the pad, which helps prevent leakage even if liquid is near the edges.

4. USAGE

The PARUUNTYS Waterproof Pad functions as a protective liner for your self-cleaning litter box. It is designed to contain waste and liquids, making the litter box environment cleaner and easier to manage.

- Ensure the pad is always properly seated before adding litter.
- Monitor the pad regularly for signs of wear or damage. While scratch-resistant, extreme scratching may eventually compromise its integrity.
- For optimal hygiene, follow the cleaning instructions provided in Section 5.

5. MAINTENANCE AND CLEANING

Regular cleaning of the waterproof pad is essential for maintaining a hygienic environment for your cat and extending the

product's lifespan.

1. **Remove Litter:** Empty all litter from the litter box.
2. **Remove Pad:** Carefully detach the waterproof pad from the litter box. Its flexible design allows for easy removal.
3. **Clean the Pad:** Wash the pad with mild soap and water. The waterproof surface (PP coating) allows for easy rinsing of waste. Avoid harsh chemicals or abrasive scrubbers that could damage the coating.
4. **Rinse Thoroughly:** Ensure all soap residue is rinsed off.
5. **Dry Completely:** Allow the pad to air dry completely before placing it back into the litter box.

6. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Leakage from the litter box	Pad not properly seated or edges not secured.	Ensure the pad is flat and its protective edge is fully snapped into the litter box's grooves. Check for any tears or damage to the pad.
Litter sticking to the pad	Excessive moisture or residue on the pad.	Clean the pad more frequently. Ensure it is completely dry before adding new litter.
Pad does not fit correctly	Incorrect pad size or incompatible litter box model.	Verify the dimensions of your litter box and compare them with the pad's specifications. This pad is designed for specific open-top self-cleaning litter boxes.

7. SPECIFICATIONS

Feature	Detail
Model Number	B0FH4LX786
Brand	PARUUNTYS
Material	Waterproof PP Coating
Dimensions (Approx.)	14.96 inches (Length) x 11.81 inches (Width)
