ApoloSign 15.6-inch Digital Calendar

ApoloSign 15.6-inch Digital Calendar User Manual

Model: 15.6-inch Digital Calendar

1. INTRODUCTION

The ApoloSign 15.6-inch Digital Calendar is an interactive display designed to streamline family organization and enhance daily routines. It features a dual-mode operating system, allowing users to switch between a dedicated Calendar Mode for synchronized schedules and an Android Mode for expanded app functionality and smart home control. This manual provides detailed instructions for setting up, operating, and maintaining your digital calendar.

2. SAFETY INFORMATION

Please read all safety instructions before using the device. Failure to follow these instructions may result in electric shock, fire, or damage to the device.

- Do not expose the device to water or excessive moisture.
- Use only the provided power adapter.
- Avoid placing the device near heat sources or in direct sunlight.
- Do not attempt to disassemble or repair the device yourself. Contact customer support for assistance.
- Ensure proper ventilation around the device.

3. PACKAGE CONTENTS

Verify that all items are present in the package:

- ApoloSign 15.6-inch Digital Calendar
- Power Adapter
- Mounting Hardware (screws, wall anchors, template)
- Quick Start Guide

4. SETUP

4.1 Physical Installation

The ApoloSign Digital Calendar can be placed on a desktop or mounted on a wall.

Desktop Placement:

Place the calendar on a stable, flat surface. Ensure adequate space for ventilation.

Wall Mounting:

1. Choose a suitable location on a wall, ensuring it is within reach of a power outlet.
2. Use the provided mounting template to mark the drill holes.
3. Drill holes and insert wall anchors if necessary.
4. Secure the mounting bracket to the wall using the screws.
5. Carefully attach the digital calendar to the mounting bracket.

4.2 Power Connection

Connect the power adapter to the DC-in port on the back of the calendar, then plug the adapter into a wall outlet. The device will automatically power on.

4.3 Initial Configuration

Upon first boot, follow the on-screen prompts to:

- Select your preferred language.
- Connect to a Wi-Fi network.
- Set the date, time, and time zone.

4.4 Account Setup and Calendar Sync

To utilize the calendar synchronization features, you will need to link your existing calendar accounts.

1. In Calendar Mode, navigate to the settings menu.

2. Select 'Account Management' or 'Calendar Sync'.

3. Add your Google, Outlook, iCloud, or other supported calendar accounts by following the on-screen authentication process.

4. Once linked, your events will automatically sync and display on the ApoloSign calendar.

5. OPERATING THE DEVICE

5.1 Dual Mode Functionality

The ApoloSign Digital Calendar offers two distinct operating modes:

- **Calendar Mode:** Optimized for displaying schedules, routines, and to-do lists with a clean, focused interface.

- **Android Mode:** Transforms the device into a smart display with access to Google Play apps, customizable widgets, and smart home controls.

Switch between modes via the quick settings panel or a dedicated button/icon on the interface.
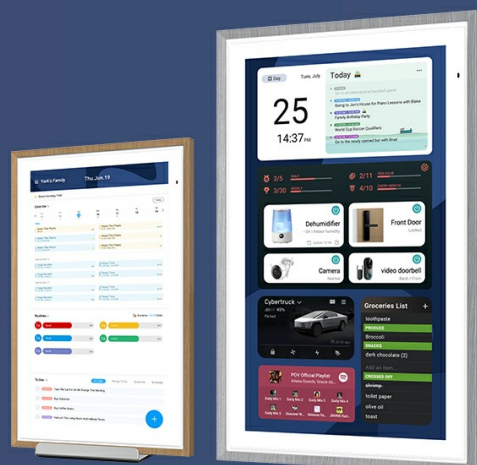

5.2 Calendar Mode Features

- **Multi-Calendar Sync:** View all your personal and family calendars in one consolidated display.

- **Routines and Chore Chart:** Create and manage daily routines and assign chores. Track completion and set up reward systems.

- **To-Do Lists and Shopping Lists:** Organize tasks and shopping items. Color-code entries for easy identification.

Why Choose ApoloSign Calendar?

Beyond the basics, we offer you more:

- ✅ Dual Operating Systems
- ✅ Elegant Woodgrain Frame
- ✅ No Extra Subscription Fees
- ✅ Free Self-developed App + Open Access

Image 5.3: Utilizing the To-Do and Shopping List features for daily organization.

5.3 Android Mode Features

- **Google Play Access:** Download and install a wide range of applications from the Google Play Store, including streaming services, productivity tools, and games.

- **Customizable Widgets:** Personalize your dashboard with widgets for weather, news, stocks, music controls, and more.

- **Voice Assistant:** Use Google Assistant for hands-free control, setting alarms, checking information, and managing tasks.

- **Smart Home Control:** Integrate with Google Home to monitor and control compatible smart home devices like doorbells and cameras directly from the calendar display.

Get Things Done with To-Do Lists

Stay on top of your day: create and manage to-dos—from groceries to wishlists—directly on your calendar. Color-code and check off tasks easily.
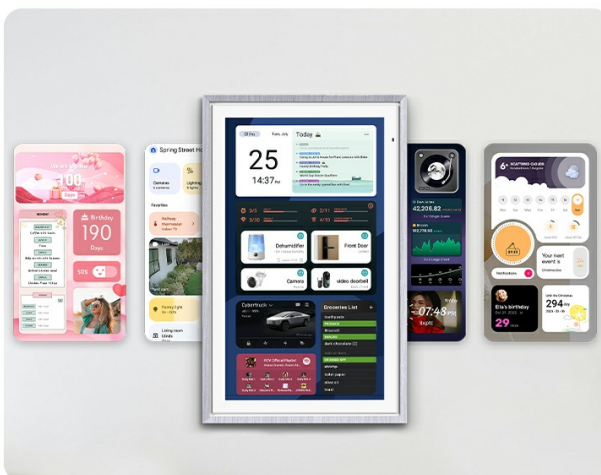

Image 5.4: A customized dashboard in Android Mode, showcasing various widgets.

Privacy When You Need It, Always.

Hide private events with one tap. Switch to privacy mode so only the essentials stay visible while your details stay protected.
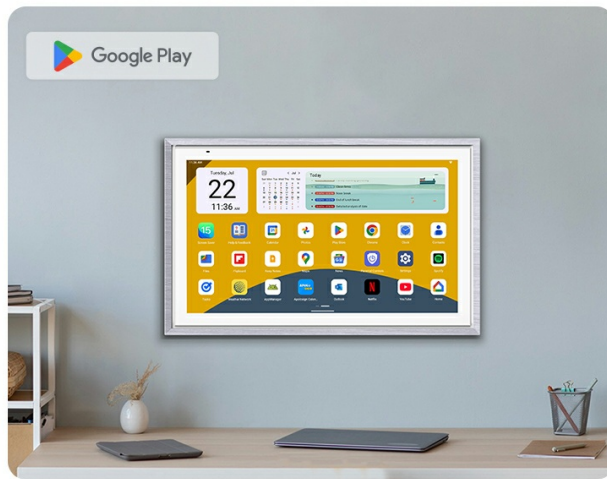

Image 5.5: Accessing a wide range of applications through Google Play in Android Mode.

Custom Dashboard Widgets

Build your perfect dashboard. Drag, resize, and arrange widgets for weather, notes, to-dos, and routines — everything at a glance.

Image 5.6: Voice control functionality with Google Assistant for hands-free operation.

Endless Apps via Google Play

Download tools, calendars, and entertainment — all in one place. Turn your display into a fully customizable hub.

Image 5.7: Smart home integration, allowing control and monitoring of devices via the calendar.

5.4 Smart Photo Frame & Live Screensaver

The calendar can function as a digital photo frame, displaying memories from Google Photos or other image sources. Customize your screensaver with photos, videos, clocks, or a mix of content. Auto-brightness adjusts to ambient light, and Sleep Mode conserves energy.

Stay on Track: Routines, Chores, Rewards

Keep kids' routines and chores organized while earning rewards. Build habits, set reminders, and make every day count.
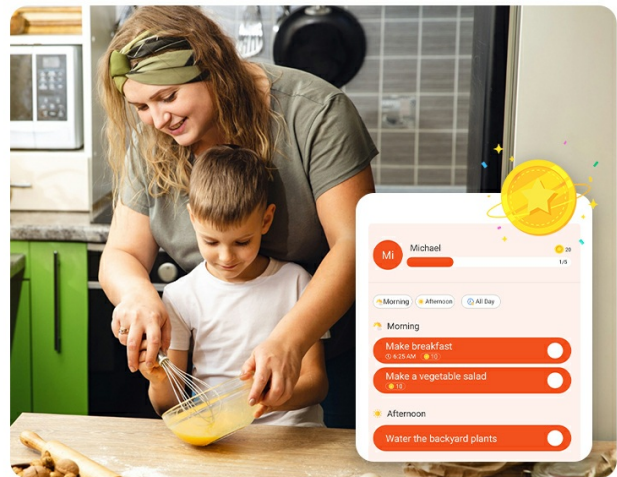

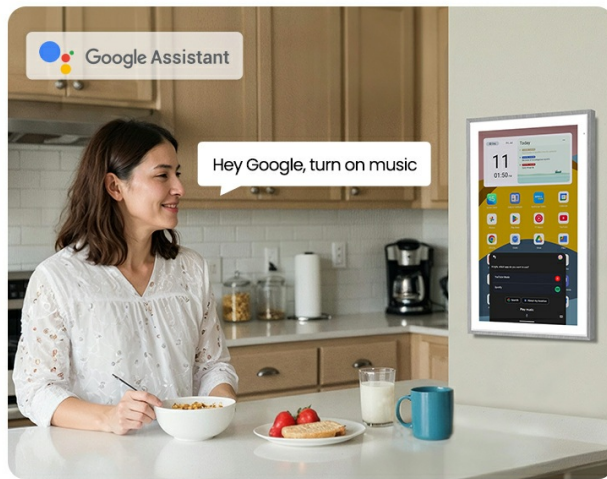

Image 5.8: The digital calendar displaying family photos as a smart photo frame.

5.5 Privacy Features

The device includes privacy options, allowing you to hide sensitive information with a single tap. This ensures that only essential details are visible while personal data remains protected.

Voice Control with Google Assistant

Talk to your calendar and simplify your day. Set alarms, check the weather, or organize tasks — all with your voice.

Image 5.9: The privacy feature in action, obscuring sensitive calendar details.

6. MAINTENANCE

6.1 Cleaning

To clean the screen, gently wipe it with a soft, lint-free cloth. For stubborn smudges, slightly dampen the cloth with water or a screen-safe cleaner. Avoid using harsh chemicals or abrasive materials.

6.2 Software Updates

The device may receive periodic software updates to improve performance and add new features. Ensure your calendar is connected to Wi-Fi to receive these updates. You will typically be notified on-screen when an update is available.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Device not powering on:** Ensure the power adapter is securely connected to both the device and a working power outlet.
- **Wi-Fi connection issues:** Check your router and ensure the Wi-Fi password is entered correctly. Try restarting both the calendar and your router.
- **Calendar events not syncing:** Verify that your calendar accounts are correctly linked in the settings. Check your internet connection.
- **Touchscreen unresponsive:** Try restarting the device. If the issue persists, contact customer support.
- **Apps not downloading from Google Play:** Ensure you are logged into your Google account and have a stable internet connection. Check available storage space.
