

Smuxee Sideboard

Smuxee Fluted Sideboard Cabinet Instruction Manual

Model: Sideboard

1. INTRODUCTION

Thank you for choosing the Smuxee Fluted Sideboard Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new cabinet. Please read it thoroughly before beginning assembly and retain it for future reference.

2. SAFETY INFORMATION

- Always assemble the cabinet on a flat, stable surface to prevent tipping or damage.
- Use appropriate safety gear, such as gloves, when handling heavy items or tools during assembly.
- Do not exceed the load limit of the cabinet. Refer to the specifications section for weight capacities.
- Keep the cabinet away from direct heat sources, such as radiators or fireplaces, to prevent warping or discoloration of the wood.
- Ensure all screws and fasteners are securely tightened during assembly and periodically check for looseness.
- This product is intended for indoor use only.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware are present. A detailed list of components and hardware is included in the product packaging. If any parts are missing or damaged, please contact customer support.

Typical components include:

- Cabinet panels (top, bottom, sides, back)
- Fluted doors
- Adjustable shelves
- Metal legs and mounting hardware
- Handles and magnetic door catches
- Assembly hardware (screws, dowels, cam locks, etc.)

4. SETUP AND ASSEMBLY

Assembly of the Smuxee Fluted Sideboard Cabinet is required. Please follow the step-by-step instructions provided in the separate assembly guide included in your product packaging. Ensure you have adequate space and the necessary tools (typically a screwdriver and hammer) before starting.

Key Assembly Tips:

- Lay out all components on a soft, clean surface to prevent scratches.
- Identify each part using the labels in the assembly guide.
- Do not overtighten screws, as this can damage the engineered wood.
- For optimal stability, ensure all connections are firm.

Multi-Functional Use

This versatile cabinet can serve various purposes:

- **Living Room:** Ideal as a TV stand or media console.
- **Entryway/Hallway:** Perfect for storing shoes, bags, and other entryway essentials.
- **Dining Room:** Functions as a buffet cabinet for dishes, linens, or serving items.
- **Office:** Provides discreet storage for office supplies and documents.
- **Coffee Bar:** Can be used to set up a dedicated coffee or beverage station.

Adjustable Shelf

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Smuxee Fluted Sideboard Cabinet, follow these care guidelines:

- Use a soft, damp cloth to clean the cabinet surfaces.
- Avoid using harsh chemicals, abrasive cleaners, or furniture polish that may damage the finish.
- Wipe up spills immediately to prevent moisture damage.
- Periodically check and tighten all hardware to maintain structural integrity.
- Protect the surface from hot items by using coasters or mats.

7. TROUBLESHOOTING

If you encounter any issues with your Smuxee Fluted Sideboard Cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws and fasteners are securely tightened. Check that the cabinet is on a level surface; use furniture glides or shims if necessary.
- **Doors Not Closing Properly:** Verify that the hinges are correctly installed and adjusted. Check the magnetic catches for proper alignment and ensure no obstructions are preventing the doors from closing fully.
- **Scratches or Dents:** For minor imperfections, wood repair kits or markers can be used to blend the damage.

For persistent issues or further assistance, please contact Smuxee customer support.
