Smuxee Shoe Cabinet

Smuxee 23.6" Walnut Shoe Cabinet with 2 Flip Drawers Instruction Manual

PRODUCT OVERVIEW

This Smuxee freestanding shoe cabinet features two flip drawers, designed for efficient space utilization. Its narrow profile allows placement in various areas, keeping shoes organized and protected from dust.

The cabinet showcases a unique symmetrical diagonal design in a deep walnut finish, complemented by golden metal handles and feet. This combination offers both practicality and aesthetic appeal, suitable for diverse interior settings.

Each flip drawer contains two levels of storage, capable of holding 8-15 pairs of shoes. The internal panels are adjustable or removable, accommodating different shoe heights and sizes, including flats, mid-calf boots, or heels.

Ideal for entryways, hallways, living rooms, or porches, this shoe cabinet helps maintain a tidy and organized home environment.

Smuxee 23.6-inch Walnut Shoe Cabinet with two flip drawers and golden metal feet.

IMPORTANT SAFETY INFORMATION

Always secure the cabinet to the wall using the provided anti-tipping device to prevent tipping and ensure child safety. Do not overload the cabinet as it may cause instability. Keep the cabinet away from heat sources to prevent warping or damage.

The anti-tipping device securely attaches the cabinet to the wall, enhancing stability and safety.

PACKAGE CONTENTS

Before assembly, please ensure all parts and hardware are present and undamaged. Refer to the included assembly instructions for a detailed list of components.

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow these steps carefully. It is recommended to have two people for assembly to ensure stability and ease of construction.

- 1. Unpack and Identify Parts:** Carefully unpack all components and hardware. Lay them out on a clean, soft surface to prevent scratches. Compare with the parts list in your included manual.
- 2. Assemble Cabinet Frame:** Connect the side panels, top, and bottom panels using the designated fasteners. Ensure all connections are secure and aligned.
- 3. Attach Golden Metal Feet:** Secure the golden metal feet to the bottom of the cabinet using the provided screws.
- 4. Install Flip Drawer Mechanisms:** Attach the flip drawer mechanisms to the inside of the cabinet

according to the instructions. Ensure they are oriented correctly for smooth operation.

5. **Attach Drawer Fronts:** Connect the decorative drawer fronts to the flip drawer mechanisms.
6. **Insert Adjustable Panels:** Place the adjustable panels into the grooves within each flip drawer. These can be positioned at different heights or removed entirely based on your shoe storage needs.
7. **Install Anti-Tipping Device:** For safety, securely attach the anti-tipping device to the top rear of the cabinet and then anchor it to a wall stud using appropriate hardware.

The golden metal feet provide stability and a stylish accent to the cabinet.

OPERATING THE SHOE CABINET

The Smuxee shoe cabinet features two flip drawers for easy access and storage. To open a drawer, gently pull the golden metal handle. The drawer front will tilt forward, revealing two levels of shoe storage.

Adjusting Internal Panels: Each flip drawer includes internal panels that can be adjusted or removed. To adjust, locate the grooves on the side of the drawer mechanism. Slide the panel up or down to fit the height of your shoes. For taller items like boots or high heels, the panels can be completely removed to create a larger single compartment.

Adjustable & Removable Panels

Panels can be adjusted up or down to fit shoe styles.

Panels can be removed to store heels.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth to prevent dust buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood finish.
- **Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.

TROUBLESHOOTING

- **Drawers not closing smoothly:** Check for any shoes or objects obstructing the drawer mechanism. Ensure the internal panels are correctly seated. Verify that all assembly screws for the drawer mechanisms are tightened.
- **Cabinet feels unstable or wobbly:** Confirm that the anti-tipping device is properly installed and securely anchored to a wall stud. Ensure all assembly screws throughout the cabinet are fully tightened. Place the cabinet on a level surface.
- **Limited shoe capacity:** Adjust or remove the internal panels within the flip drawers to accommodate larger or more shoes. Refer to the specifications section for general capacity guidelines.

Keep Your Home Clean and Tidy

An organized entryway with shoes neatly stored inside the Smuxee cabinet, compared to a cluttered floor.
