2. Safety Information

To ensure safe operation and prevent injury or damage, please adhere to the following safety guidelines:

- Always lock the wheels when using the desk to prevent unintended movement or tipping.
- Do not place more than 200 pounds (90.7 kg) on the desk to maintain stability and prevent structural damage.
- Ensure all screws and fasteners are securely tightened before use and periodically check for looseness.
- Keep hands clear of moving parts during height adjustment to avoid pinching.

- Use the desk on a flat, stable surface.

3. Package Contents

Verify that all components are present before beginning assembly:

- 1 x Standing Desk (Desktop and Frame)
- Installation Instructions
- Installation Tools (Allen wrench, screws, etc.)
- 4 x Lockable Caster Wheels

5. Setup and Assembly

The VECELO Small Standing Desk is designed for straightforward assembly, typically taking approximately 30 minutes. All necessary tools and instructions are included in the package.

Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and verify against the package contents list.
2. **Attach Base to Vertical Supports:** Secure the base frame to the vertical support poles using the provided screws and tools. Ensure all connections are firm.
3. **Install Caster Wheels:** Attach the four lockable caster wheels to the bottom of the base frame. Make sure they are securely fastened.
4. **Mount Desktop:** Place the desktop onto the vertical support poles and secure it with the designated screws.
5. **Adjust Height Mechanisms:** Familiarize yourself with the height adjustment knobs on the vertical supports. Ensure

they can be loosened and tightened smoothly.

6. **Final Check:** Before use, gently shake the desk to confirm stability. Tighten any loose connections.

6. Operating Instructions

6.1. Height Adjustment

The desk features an adjustable height range from 28.7 inches to 40 inches, allowing for comfortable sitting or standing positions. To adjust the height:

1. **Loosen Adjustment Knobs:** Locate the adjustment knobs on both vertical support poles. Turn them counter-clockwise to loosen.
2. **Adjust Height:** Carefully raise or lower the desktop to your desired height. Ensure the desktop remains level during adjustment.
3. **Secure Adjustment Knobs:** Once the desired height is reached, turn the knobs clockwise to tighten them firmly. This locks the desk into position.

6.2. Mobility and Locking Wheels

The desk is equipped with 360° rolling caster wheels for easy movement. Each wheel includes a locking mechanism for stability.

- **To Move the Desk:** Ensure all wheel locks are disengaged. Gently push the desk to its desired location.
- **To Secure the Desk:** Once positioned, press down on the lever located on each wheel to engage the lock. This prevents the desk from rolling.

6.3. Versatile Usage

This mobile desk is suitable for various applications:

- **Home Office:** Use as a primary workstation for laptops and accessories.
- **Walking Pad Desk:** Its design accommodates use with a walking pad, allowing for active work.
- **Portable Workstation:** Easily move the desk between rooms, such as the living room, bedroom, or kitchen, for flexible work or study.
- **Temporary Surface:** Ideal for dining, writing, painting, or as a snack tray.

Image 6.3: Examples of versatile desk usage.

7. Maintenance

Regular maintenance helps preserve the appearance and functionality of your desk:

- **Cleaning:** Wipe the desktop with a damp cloth for general cleaning. For spills, use a dry cloth immediately. Avoid harsh chemicals that may damage the finish.
- **Inspection:** Periodically check all screws and connections for tightness. Retighten as necessary to maintain stability.
- **Desktop Care:** The desktop is waterproof and scratch-resistant, but avoid placing extremely hot items directly on the surface without protection.

Image 7.1: Desktop features for durability and easy maintenance.

8. Troubleshooting

If you encounter any issues with your VECELO Small Standing Desk, refer to the following common solutions:

- **Desk is unstable/wobbly:** Ensure all assembly screws are fully tightened. Check that the height adjustment knobs are securely fastened after setting the desired height. Verify the desk is on a flat, even surface.
- **Difficulty adjusting height:** Ensure the adjustment knobs on both vertical poles are fully loosened before attempting to change the height. If resistance persists, check for any obstructions.
- **Wheels not rolling smoothly:** Check for debris caught in the wheels. Ensure wheel locks are fully disengaged.

9. Warranty and Customer Support

VECELO offers a limited warranty for this product. For specific warranty details, please refer to the documentation included with your purchase or contact VECELO customer service.

If you have any questions, encounter packaging damage, or experience issues with parts, please contact our professional after-sales service team for assistance or replacement.
Contact Information: Refer to the contact details provided in your product packaging or on the official VECELO website.
