6. MAINTENANCE

To ensure the longevity and cleanliness of your ROBOTIME Wooden Kids Play Kitchen, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the wood finish.
- **Drying:** Ensure all parts are thoroughly dry after cleaning to prevent warping or damage to the wood.
- **Storage:** Store the playset in a dry environment, away from direct sunlight or extreme temperature changes, which can affect wooden toys.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your play kitchen, consider the following common solutions:

- **Loose Parts:** If any parts feel wobbly or loose, check the corresponding screws and tighten them.
- **Sticking Doors/Drawers:** Ensure all assembly steps were followed correctly and that no parts are misaligned. A small amount of beeswax or paraffin wax can be applied to wooden runners for smoother operation.
- **Missing Accessories:** Refer to the 'What's in the Box' section and your assembly guide's parts list. If items are missing upon unboxing, contact customer support.
- **Damage:** If any significant damage occurs, discontinue use and contact customer support for advice on repair or replacement.
