Muphyers Rocking-beige

Muphyers Patio Rocking Swivel Chair Bistro Set

Model: Rocking-beige

Introduction

Thank you for choosing the Muphyers Patio Rocking Swivel Chair Bistro Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before assembly and retain them for future reference.

This set includes two rocking swivel chairs and one tempered glass side table, designed for outdoor use on patios, decks, gardens, and balconies. The chairs feature a 360-degree swivel and rocking function for enhanced comfort.

Safety Information

To ensure safe use and prevent injury or damage, please adhere to the following safety guidelines:

- **Weight Limit:** Do not load more than 400 lbs (approximately 181 kg) per chair. Exceeding this limit may cause structural failure and injury.
- **Sharp Edges and Small Parts:** Exercise caution during assembly and use, especially around children and pets, due to potential sharp edges and small components.
- **Outdoor Use Only:** This furniture set is designed exclusively for outdoor environments. Do not use indoors.
- **Stable Surface:** Always place the furniture on a flat, stable, and level surface to prevent tipping.
- **Assembly:** Ensure all bolts, screws, and connectors are securely tightened before use. Periodically check and re-tighten as necessary.
- **Glass Table Care:** The tempered glass table is durable but can break if subjected to severe impact. Avoid placing excessively hot items directly on the glass without protection.

Package Contents

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- 2 x Swivel Rocking Chairs
- 1 x Tempered Glass Side Table
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- Instruction Manual

Setup and Assembly

Assembly is required. It is recommended to assemble the furniture on a soft, clean surface to prevent scratches. Two people are recommended for easier assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a protected surface and compare them against the parts list in your included manual to ensure everything is present.
2. **Assemble Chair Base:** Attach the chair base components using the provided hardware. Do not fully tighten screws until all parts are aligned.
3. **Attach Chair Seat and Back:** Secure the seat and backrest sections to the assembled base. Ensure proper orientation as per the diagrams in your manual.
4. **Final Tightening (Chairs):** Once all chair components are loosely assembled, gradually tighten all screws and bolts evenly. Do not overtighten.
5. **Assemble Side Table:** Connect the table legs to the tabletop and lower shelf using the provided hardware. Ensure the tempered glass top is securely placed.
6. **Attach Cushions:** Place the seat and back cushions onto the chairs. The cushions feature removable covers for easy care.
7. **Adjust Leveling Feet:** The chairs are equipped with innovative twist-and-lock self-leveling adjustable feet. Adjust these feet to compensate for uneven surfaces, ensuring the chairs are stable and do not wobble.

Figure 2: Detailed view of chair construction, including the durable baseplate, hand-woven PE rattan, and anti-slip feet for stability.

Operating Instructions

Your Muphyers Patio Rocking Swivel Chair Bistro Set is designed for comfortable outdoor relaxation.

- **Swivel Function:** The chairs are equipped with a 360-degree swivel mechanism. Simply rotate the chair to face any direction.
- **Rocking Function:** The chairs also feature a gentle rocking motion. Lean back and forth to engage the rocking mechanism.
- **Side Table Use:** The tempered glass side table is suitable for holding beverages, books, or small decorative items. Avoid placing heavy objects or standing on the table.

Figure 4: Features of the two-layer tempered glass side table, emphasizing durability and ease of maintenance.

Maintenance

Proper care and maintenance will extend the life and appearance of your patio set.

- **Cleaning Wicker:** The waterproof wicker material can be cleaned with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The cushions are made with Colorlock fabric, which is fade-resistant and repels spills. The covers are removable and can be machine washed on a gentle cycle with cold water. Air dry only; do not tumble dry.
- **Frame Maintenance:** The heavy-duty steel frame is rust-resistant. Wipe down with a damp cloth as needed. For prolonged exposure to harsh weather, consider using a furniture cover.
- **Glass Table Cleaning:** Clean the tempered glass surface with a glass cleaner and a soft cloth.
- **Seasonal Storage:** During off-seasons or periods of extreme weather, it is recommended to store the furniture in a dry, protected area or use high-quality outdoor furniture covers.

Figure 5: Detail of the splash-proof cushion fabric and its 4-inch thickness.

Troubleshooting

If you encounter any issues with your patio set, refer to the following common solutions:

- **Wobbling Chair/Table:** Check that all assembly hardware is securely tightened. Adjust the self-leveling feet on the chairs to stabilize them on uneven surfaces.
- **Difficulty Swiveling/Rocking:** Ensure the chair is placed on a level surface. Check for any obstructions beneath the base. If the mechanism feels stiff, a small amount of silicone-based lubricant can be applied to moving parts (avoid oil-based lubricants).
- **Missing Parts:** If you find any parts missing during assembly, please contact Muphyers customer support immediately with your purchase details.
- **Cushion Stains:** For stubborn stains, follow the cushion care instructions carefully. Pre-treat stains before washing.

Specifications
