DICTAC CBF-08

DICTAC Corner Twin Bed Frame with Desk and Storage (Model CBF-08) Instruction Manual

Comprehensive guide for assembly, operation, and maintenance.

1. PRODUCT OVERVIEW

The DICTAC Corner Twin Bed Frame is designed to maximize space efficiency, combining a twin-size bed with a study desk, charging station, bookcase storage, and integrated LED lighting. This L-shaped design is suitable for compact spaces, offering both sleeping and functional areas.

2. SAFETY INFORMATION

Please read and understand all safety warnings before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Capacity:** Do not load the bed frame with more than 450 lbs (204 kg).
- **Sharp Edges:** Be cautious around sharp edges during assembly and use, especially near storage spaces.
- **Assembly:** Follow all assembly instructions carefully. Incorrect assembly can lead to instability and potential hazards.
- **Mattress:** The recommended mattress thickness is 8-10 inches.
- **Stability:** Ensure all connections are securely fastened to maintain the bed frame's stability.
- **Electrical Components:** When using the charging station, ensure cables are routed safely to prevent tripping hazards or damage. Do not overload the outlets.

Image: An illustration indicating a maximum weight capacity of 450 lbs for the bed frame.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Metal Bed Frame Components
- Engineered Wood Panels for Desk and Bookcase
- Charging Station (2 AC Outlets, 2 USB Ports)
- LED Light Strips and Controller
- 2 Under-bed Storage Drawers (with wheels)
- 1 Side Storage Bag (fabric)
- Assembly Instructions
- Simple Assembly Tools (a Phillips head screwdriver is recommended for easier assembly)
- Hardware Pack (screws, bolts, etc.)

- **Corner Protectors:** Install the provided plastic corner protectors on the bookcase shelves to prevent accidental bumps.

Two Installation Methods-Left and Right

Choose the installation method according to your room layout

5. OPERATING INSTRUCTIONS

5.1 LED Lights Operation

The integrated RGB LED lights can be controlled via a mobile application or a key control unit. These lights offer a wide range of colors, adjustable brightness, and various flashing modes, including music synchronization.

- **APP Control:** Download the designated mobile application (refer to the LED light manual for specific app details). The app allows for comprehensive control over color selection (over 60,000 colors), brightness adjustment, various dynamic modes,

and music sync features.

- **Key Control:** Use the physical key control unit to turn the RGB lights on/off (long press), change colors, and adjust basic settings.
- **Timing Function:** Set schedules for the lights to turn on or off using the mobile application.

5.2 Charging Station Usage

The built-in charging station is located on the right shelf of the desk area. It includes 2 standard AC outlets (120V/12A) and 2 USB ports (5V/2A) for convenient charging of electronic devices.

- **Power Connection:** Ensure the charging station's 5.2-foot power cord is securely plugged into a wall outlet.
- **Device Charging:** Connect your mobile phones, laptops, tablets, or other compatible devices to the AC outlets or USB ports.
- **Safety:** Do not exceed the maximum electrical load for the charging station. Avoid spilling liquids near the outlets.

Built-in Charging Station

6. MAINTENANCE

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe down metal and engineered wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fasteners:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain structural integrity.
- **LED Lights:** If LED strips become loose, re-secure them with appropriate adhesive.
- **Drawers:** Keep the under-bed drawer wheels clean to ensure smooth operation.

7. TROUBLESHOOTING

This section addresses common issues you might encounter.

Problem	Possible Cause	Solution
Bed frame feels wobbly or unstable.	Loose fasteners or incorrect assembly.	Check all bolts and screws and tighten them securely. Review assembly instructions to ensure all parts are correctly installed.
LED lights are not working or are dim.	Loose connection, power issue, or faulty strip.	Ensure the power adapter is securely plugged in. Check connections to the LED strip and controller. If issues persist, contact customer support.
Charging station is not providing power.	Power cord not plugged in, wall outlet issue, or overloaded.	Verify the charging station's power cord is fully inserted into a working wall outlet. Test the wall outlet with another device. Ensure you are not exceeding the station's power limits.
Under-bed drawers do not slide smoothly.	Obstruction, dirty wheels, or uneven floor.	Check for any items blocking the drawers. Clean the wheels. Ensure the bed frame is on a level surface.
Mattress slides on the bed frame.	Lack of mattress stopper.	This model may not include a built-in mattress stopper. Consider using a non-slip mattress pad or grip strips to prevent movement.

8. SPECIFICATIONS

Feature	Detail
Model Number	CBF-08
Size	Twin
Product Dimensions (L x W x H)	97.1" x 47.5" x 37"
Color	Pink
Material	Engineered Wood, Fabric, Metal
Weight Capacity	Up to 450 lbs
