## Bazivve RQ-6900

# Bazivve RQ-6900 Electric Razor for Women User Manual

Model: RQ-6900

## IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before using the Bazivve RQ-6900 Electric Razor. Keep this manual for future reference.

- Always hold the shaver away from the face and body while turning it on or off.
- Avoid using the shaver near water sources or while charging.
- Clean the shaver after each use and allow it to dry completely before storing.
- Never immerse the shaver in water or any other liquid.
- Always unplug the charger before removing it from the shaver.
- Keep the shaver out of reach of children and pets.

## PRODUCT OVERVIEW

The Bazivve RQ-6900 is an electric rotary shaver designed for women, featuring a 5D floating head for effective hair removal across various body contours.

## Key Features

- **5D Ultra Floating Head:** Adapts to body curves for a close and comfortable shave.
- **Dual-Layer Precision Blades:** Designed to capture more and shorter hairs efficiently.
- **Magnetic Detachable Head:** Allows for easy removal and reattachment for cleaning.
- **Wet & Dry Shave:** Can be used for both dry shaving and in the shower with foam or gel.
- **Travel Lock:** Prevents accidental activation, ideal for transport.
- **Battery Indicator:** Displays current battery level.
- **Cordless Operation:** Provides freedom of movement during use.

## SETUP

### 1. Charging the Device

Before first use, fully charge the electric razor. Connect the charging cable to the razor and a suitable power source. The battery indicator will show the charging status. A full charge typically provides up to 90 minutes of cordless shaving time.

### 2. Attaching/Detaching Shaving Head

The shaving head is designed for easy magnetic attachment and detachment. To detach, gently pull the shaving head straight away from the main body. To attach, align the head with the body and allow the magnets to secure it firmly in place.

## OPERATING INSTRUCTIONS

### 1. Basic Operation

1. Ensure the razor is sufficiently charged.
2. Press the power button to turn the razor on.
3. Gently press the shaving head against your skin.
4. Move the razor in circular motions or against the direction of hair growth for optimal results.
5. Press the power button again to turn the razor off after use.

### 2. Shaving Techniques

- **For Legs and Arms:** Hold the skin taut and move the shaver in long, even strokes.

- **For Underarms and Bikini Area:** Use caution and stretch the skin to ensure a smooth surface. Move the shaver gently in small circular motions.
- The 5D floating head is designed to adapt to your body's contours, providing a comfortable and efficient shave.

## MAINTENANCE AND CLEANING

### 1. Cleaning the Shaving Head

Regular cleaning ensures optimal performance and hygiene. After each use:

1. Turn off the razor.
2. Detach the magnetic shaving head.
3. Rinse the shaving head under running water to remove hair clippings. You may use the included cleaning brush for stubborn hairs.
4. Allow the shaving head to air dry completely before reattaching or storing.

## 2. Storage

Store the razor in a cool, dry place away from direct sunlight and moisture. Ensure the razor is clean and dry before storing. If traveling, activate the travel lock to prevent accidental power-on.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Razor does not turn on.	Low battery or travel lock engaged.	Charge the razor. Deactivate the travel lock by pressing and holding the power button for approximately 3 seconds.
Poor shaving performance.	Shaving head is dirty or blades are dull.	Clean the shaving head thoroughly. If performance does not improve after cleaning, consider replacing the shaving head (replacement heads may be sold separately).
Razor stops during use.	Battery is depleted.	Recharge the razor.
Skin irritation after shaving.	Improper technique or sensitive skin.	Ensure skin is clean and dry. Shave gently and avoid excessive pressure. Apply a soothing lotion after shaving. If irritation persists, consult a dermatologist.

## SPECIFICATIONS

---

**Model Name:** LADY SHAVER

**Item Model Number:** RQ-6900

**Brand:** Bazivve

**Power Source:** Rechargeable Battery

**Special Features:** Battery Indicator, Cordless Shave, Dry Shave, Magnetic Head, Travel Lock, Wet

**Recommended Uses:** Legs, Bikini Area, Arms, Armpits

**Package Dimensions:** 5.75 x 4.64 x 3.62 inches
