BORNOON Shoe Cabinet (4-Drawer, Brown) - Instruction Manual

Model: 4-Drawer | Brand: BORNOON

1. INTRODUCTION

Thank you for choosing the BORNOON Shoe Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use and prevent injury or damage, please observe the following safety guidelines:

- **Anti-Tip Device:** This shoe cabinet is equipped with an anti-tip device. It is crucial to securely anchor the cabinet to the wall using this device to prevent accidental tipping, especially in households with children or pets.
- **Assembly:** Assemble the unit on a soft, clean surface to prevent scratches. Ensure all connections are tight before use.
- **Weight Distribution:** Do not overload the shelves or drawers. Distribute weight evenly to maintain stability.
- **Placement:** Place the cabinet on a level surface. Avoid placing it in areas with high humidity or direct sunlight, which can affect the wood material.

3. PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the parts list included in your packaging. Typically, your package will contain:

- All necessary wooden panels for the cabinet structure.
- Hardware kit (screws, dowels, cam locks, anti-tip kit, handles).
- Metal legs.
- Assembly instruction booklet.

If any parts are missing or damaged, please contact customer service immediately for assistance.

4. ASSEMBLY INSTRUCTIONS

The BORNOON Shoe Cabinet is designed for hassle-free assembly. We recommend two adults for the assembly process to ensure stability and ease of handling. Please follow the detailed step-by-step instructions provided in the separate assembly guide included in your package.

Key Assembly Points:

- **Unpack Carefully:** Lay out all components on a clean, soft surface to prevent scratches.
- **Identify Parts:** Match each part to the diagrams in the assembly guide.
- **Secure Connections:** Ensure all screws and fasteners are tightened appropriately, but do not overtighten.
- **Install Anti-Tip Device:** This is a critical step for safety. Follow the instructions to secure the cabinet to a wall stud.

5. OPERATING INSTRUCTIONS

Your BORNOON Shoe Cabinet is designed for efficient and discreet shoe storage.

Using the Flip Drawers:

- Each of the four flip drawers opens downwards to reveal two compartments for shoes.
- Gently pull the handle to open the drawer. Push it back up until it clicks into place to close.
- The compartments feature adjustable and removable dividers, allowing you to customize the space for different shoe types, including boots. Adjust the dividers by sliding them into the desired slots or remove them entirely for larger items.

Additional Storage Features:

- **Top Shelf:** The open top shelf provides convenient space for keys, bags, decorative items, or other entryway essentials.
- **Bottom Space:** The area beneath the flip drawers is suitable for storing slippers or accommodating a robotic vacuum.
- **Side Hooks:** Two integrated side hooks offer additional storage for coats, hats, scarves, or umbrellas, helping to keep your entryway tidy.

6. MAINTENANCE

Proper care will extend the life and appearance of your shoe cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or polishes that may damage the finish.
- **Regular Checks:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Spills:** Clean up spills immediately to prevent moisture damage to the wood.

7. TROUBLESHOOTING

If you encounter any issues with your BORNOON Shoe Cabinet, please refer to the following common solutions:

- **Drawers not closing smoothly:** Check for any obstructions inside the drawer or along the mechanism. Ensure the cabinet is on a level surface.
- **Wobbling:** Verify that all assembly screws are securely tightened. Ensure the cabinet is placed on a flat, stable floor. Re-check the anti-tip device installation.
- **Missing or Damaged Parts:** If you find any parts missing or damaged during assembly or use, please contact our customer service for free replacements.
