CSZZD L shape vanity desk

CSZZD L-Shaped Corner Vanity Desk

USER MANUAL

1. Introduction

Thank you for purchasing the CSZZD L-Shaped Corner Vanity Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity desk. Please read it thoroughly before use and retain it for future reference.

2. Safety Information

Please observe the following safety precautions to prevent injury or damage to the product:

- Always unplug the vanity before assembly or disassembly.
- Be cautious of sharp edges and pinch points during assembly and usage.
- Do not place heavy objects on the vanity that could cause it to tip over.
- Keep the vanity away from heat sources and excessive moisture.
- Do not use the vanity if any electrical components are damaged or malfunctioning.
- Always follow the manufacturer's instructions for assembly, usage, and maintenance.
- Ensure all electrical connections are secure and meet local safety standards.

3. Product Overview

The CSZZD L-Shaped Corner Vanity Desk is designed to maximize space and provide comprehensive storage and functionality for your beauty routine. Key features include:

- **L-Shape Design:** Optimizes corner space utilization.
- **LED Lighted Mirror:** A 32-inch HD mirror with three adjustable light modes (cool white, warm white, warm yellow) and brightness control.
- **RGB LED Cabinet:** A sliding door cabinet with over 60,000 RGB color shades, controllable via an app with microphone mode and timer functions.
- **Built-in Charging Station:** Equipped with two standard AC plugs and two USB ports for convenient device charging.
- **Ample Storage:** Features six spacious drawers, nine open storage shelves, two large tabletops, and desktop sorting compartments.
- **Durable Construction:** Made from high-quality engineered wood for durability and easy cleaning.

4. Setup and Assembly

The CSZZD L-Shaped Corner Vanity Desk requires assembly. Please follow the detailed instructions provided in the packaging for a smooth installation process. All necessary tools and supplies are organized and individually labeled within the package.

- **Unpacking:** Carefully unpack all components and verify against the parts list in the assembly manual.
- **Preparation:** Clear a spacious area for assembly. It is recommended to have two people for assembly due to the size and weight of the components.
- **Assembly Time:** Assembly typically takes several hours. Following the step-by-step instructions will ensure correct construction.
- **Placement:** Once assembled, place the vanity in your desired corner, ensuring it is stable and level.

5. Operating Instructions

5.1 LED LIGHTED MIRROR

The integrated 32-inch HD LED mirror offers customizable lighting for various makeup needs.

- **Power On/Off:** Tap the touch button on the mirror surface to turn the lights on or off.
- **Change Light Mode:** Short press the touch button to cycle through the three light modes:
 - **Cool White (6000K):** Ideal for professional makeup application.
 - **Warm White (4000K):** Suitable for daily makeup.
 - **Warm Yellow (3000K):** Best for evening or date makeup.
- **Adjust Brightness:** Long press and hold the touch button to adjust the brightness level for the selected light mode. Release when desired brightness is achieved.

5.2 RGB LED CABINET

The sliding cabinet features dynamic RGB lighting with extensive customization options.

- **Sliding Door:** Gently push or pull the cabinet door to open or close.
- **RGB Control:** The RGB lighting can be controlled via a dedicated mobile application or a key control remote.
 - **App Control:** Download the specified app (refer to the separate RGB lighting manual for QR code/app name). Connect your device via Bluetooth.
 - **Color Selection:** Choose from over 60,000 shades.
 - **Dynamic Modes:** Select various pre-set dynamic lighting effects.
 - **Music Modes:** Lights can synchronize with music played through your device's microphone.
 - **Timer Function:** Set schedules for the lights to turn on or off.

5.3 BUILT-IN CHARGING STATION

The vanity includes a convenient charging station for your electronic devices.

- **AC Outlets:** Two 125V/2A standard AC outlets are provided for hair dryers, curling irons, or other small appliances.
- **USB Ports:** Two 5V/2A USB ports are available for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is powered by a 5.9-foot power cord. Ensure it is securely plugged into a wall outlet.

5.4 STORAGE FEATURES

The vanity offers diverse storage solutions to keep your items organized.

- **Drawers:** Utilize the six spacious drawers for cosmetics, accessories, and personal items.
- **Open Shelves:** The nine open shelves provide easy access and display space for frequently used products.
- **Desktop Sorting Compartments:** Use the compartments on the desktop for small items like brushes, lipsticks, and perfumes.

- **Adjustable Glass Shelves:** The glass shelves within the cabinet can be adjusted to accommodate items of various heights.

6. Maintenance

Proper care and maintenance will extend the life and appearance of your vanity desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the wood.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical components (mirror lights, charging station) are kept dry. Do not attempt to repair damaged electrical parts yourself; contact qualified personnel.

- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.

7. Troubleshooting

If you encounter any issues with your vanity desk, refer to the following common solutions:

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Power cord unplugged; faulty connection; touch sensor issue.	Ensure the vanity's main power cord is securely plugged in. Check the connection to the mirror. Gently tap the touch sensor. If issues persist, contact customer support.
Charging Station Not Functioning	Power cord unplugged; device not properly connected; faulty outlet/USB port.	Verify the main power cord is plugged in. Ensure devices are correctly inserted into the AC outlets or USB ports. Test with a different device or outlet.
RGB Cabinet Lights Not Responding	App not connected; remote battery low; power issue.	Ensure your mobile device is connected to the cabinet via Bluetooth. Replace remote control batteries. Check power connection to the cabinet.
Drawers Stick or Don't Slide Smoothly	Misalignment during assembly; debris in tracks; overloaded drawer.	Empty the drawer and check for obstructions. Ensure drawer slides are properly aligned and secured. Refer to assembly instructions for correct installation.

For problems not listed here or if solutions do not resolve the issue, please contact customer support.
