VEVOR SYSH-ZTFS01

VEVOR Waterproof Pillow Protectors (4-Pack, Standard Size) User Manual

Model: SYSH-ZTFS01

INTRODUCTION

This manual provides instructions for the proper use and care of your VEVOR Waterproof Pillow Protectors. These protectors are designed to safeguard your pillows from moisture, stains, and allergens, thereby extending their lifespan and maintaining hygiene. The set includes four standard-size pillow protectors, each measuring 20 x 26 inches. Please note that pillow inserts are not included with this product.

PRODUCT FEATURES

- **Waterproof TPU Coating:** Effectively blocks sweat, drool, and spills, preventing them from reaching your pillow.
- **Breathable Polyester Fabric:** Made from OEKO-TEX 100 certified knit polyester, ensuring comfort and preventing heat retention.
- **Hidden Zipper:** Provides a smooth, full 360° enclosure, protecting against dust and skin flakes while preventing snags or facial scratches.
- **Standard Size:** Each protector measures 20 x 26 inches, suitable for most standard bed pillows.
- **Machine Washable:** Easy to care for, designed to withstand repeated washing.

SETUP AND INSTALLATION

Follow these steps to properly install your VEVOR pillow protectors:

1. **Unpack:** Carefully remove the pillow protectors from their packaging.
2. **Initial Wash (Recommended):** For optimal hygiene and softness, it is recommended to wash the protectors before first use. Refer to the "Maintenance" section for detailed washing instructions.
3. **Insert Pillow:** Open the hidden zipper completely. Gently fold your standard-size pillow and insert it into the protector.
4. **Close Zipper:** Once the pillow is fully inside, carefully close the hidden zipper. Ensure the zipper pull is tucked away to prevent discomfort or snagging.

Suitable for Standard Size Pillows

Set of 4

Please Note: This set includes pillowcases only, pillow inserts are not included

MAINTENANCE AND CARE

Proper care ensures the longevity and effectiveness of your pillow protectors. Follow these guidelines:

- **Washing:** Machine wash the pillow protectors in cold or warm water on a gentle cycle.
- **Drying:** Tumble dry on a low heat setting. Remove promptly to prevent wrinkles.
- **Do Not Bleach:** Avoid using bleach or harsh detergents, as these can damage the waterproof coating and fabric.

- **Do Not Iron:** Ironing is not recommended as high heat can compromise the TPU waterproof layer.
- **Do Not Dry Clean:** Dry cleaning is not suitable for these protectors.

TROUBLESHOOTING

If you encounter any issues with your VEVOR Waterproof Pillow Protectors, consider the following:

- **Zipper Snagging:** If the zipper snags, gently pull the fabric away from the zipper teeth and try to move the slider slowly. Avoid forcing the zipper.
- **Water Leakage:** Ensure the protector is fully zipped. If leakage occurs after proper installation and care, inspect the protector for any damage or tears.
- **Reduced Breathability:** Ensure the protector is clean and dry. Over-drying on high heat can potentially affect fabric properties.

SPECIFICATIONS

Feature	Detail
Brand	VEVOR
Model Number	SYSH-ZTFS01
