Display and Features

Once assembled, your Nifeliz Italian Garden is designed to be a captivating display piece. Its Roman-inspired architecture and natural elements create a serene atmosphere.

- **Classical Temple:** The central feature is a classical temple with Corinthian columns, adorned with vines, evoking a sense of ancient beauty and timelessness.
- **Tranquil River Scene:** A simulated river flows around the temple, complete with a small boat and a bird, suggesting quiet mornings and unhurried moments.
- **Lush Foliage:** The set includes various trees and plants with green and purple leaves, adding to the garden's natural and vibrant appearance.

Maintenance

To preserve the appearance and longevity of your Nifeliz Italian Garden Building Set, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model regularly with a soft brush or a microfiber cloth to prevent dust buildup. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.

- **Storage:** If disassembling for storage, keep all pieces organized in the provided storage boxes or similar containers to prevent loss. Store in a cool, dry place away from direct sunlight to prevent material degradation or color fading.
- **Handling:** Handle the assembled model with care to avoid accidental detachment of pieces.

Troubleshooting

Should you encounter any issues during assembly or with your Nifeliz Italian Garden Building Set, please refer to the following common solutions:

- **Missing Pieces:** Nifeliz sets have a high probability of being complete. In the unlikely event that you find any missing pieces, please contact Nifeliz customer support directly via email. Provide the model number (NF10319) and a description of the missing parts. Nifeliz aims to resolve such issues and send replacement parts within 24 hours.
- **Difficulty with Assembly:** Review the instruction book carefully. Ensure you are using the correct pieces for each step and that they are oriented correctly. Sometimes, a small piece might be overlooked or incorrectly placed, affecting subsequent steps.
- **Loose Connections:** Ensure all bricks are firmly pressed together. The high-quality ABS material provides a good clutch, but proper pressure is needed for secure connections.
