## 4. CARE & MAINTENANCE

---

To maintain the quality and longevity of your COACH Plaza Bag 18, follow these care guidelines:

- **Cleaning:** For natural grain leather, gently wipe with a soft, damp cloth. For deeper cleaning, use a specialized leather cleaner. Always test cleaning products on an inconspicuous area first.
- **Conditioning:** Apply a leather conditioner periodically to keep the leather supple and prevent drying or cracking.
- **Storage:** Store the bag in a cool, dry place away from direct sunlight and extreme temperatures. Use a dust bag to protect it from dust and scratches.
- **Avoid Overfilling:** Do not overfill the bag, as this can distort its shape and strain the zipper and seams.
- **Protect from Moisture:** Avoid prolonged exposure to water. If the bag gets wet, blot it dry immediately with a clean, soft cloth and allow it to air dry naturally.
