Amyove Rattan Full Size Bed Frame with LED Lighting

Model: 0tilkstuegeY06q-8rwW7QDbz

INTRODUCTION

Thank you for choosing the Amyove Rattan Full Size Bed Frame with LED Lighting. This manual provides detailed instructions for the safe assembly, proper operation, and effective maintenance of your new bed frame. Please read this manual thoroughly before assembly and retain it for future reference.

SAFETY INFORMATION

- Always follow assembly instructions carefully. Do not skip steps or use unauthorized parts.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners every 3-6 months.
- Do not exceed the maximum weight capacity of 800 lbs (363 kg) for the bed frame.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Use the bed frame on a flat, level surface to prevent instability.
- Avoid placing heavy objects on the LED strip to prevent damage.

PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Headboard with Rattan Panel
- Footboard with Rattan Panel
- Side Rails (2)
- Center Support Beam
- Metal Slats
- LED Light Strip and Controller
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- Noise Reduction Strips

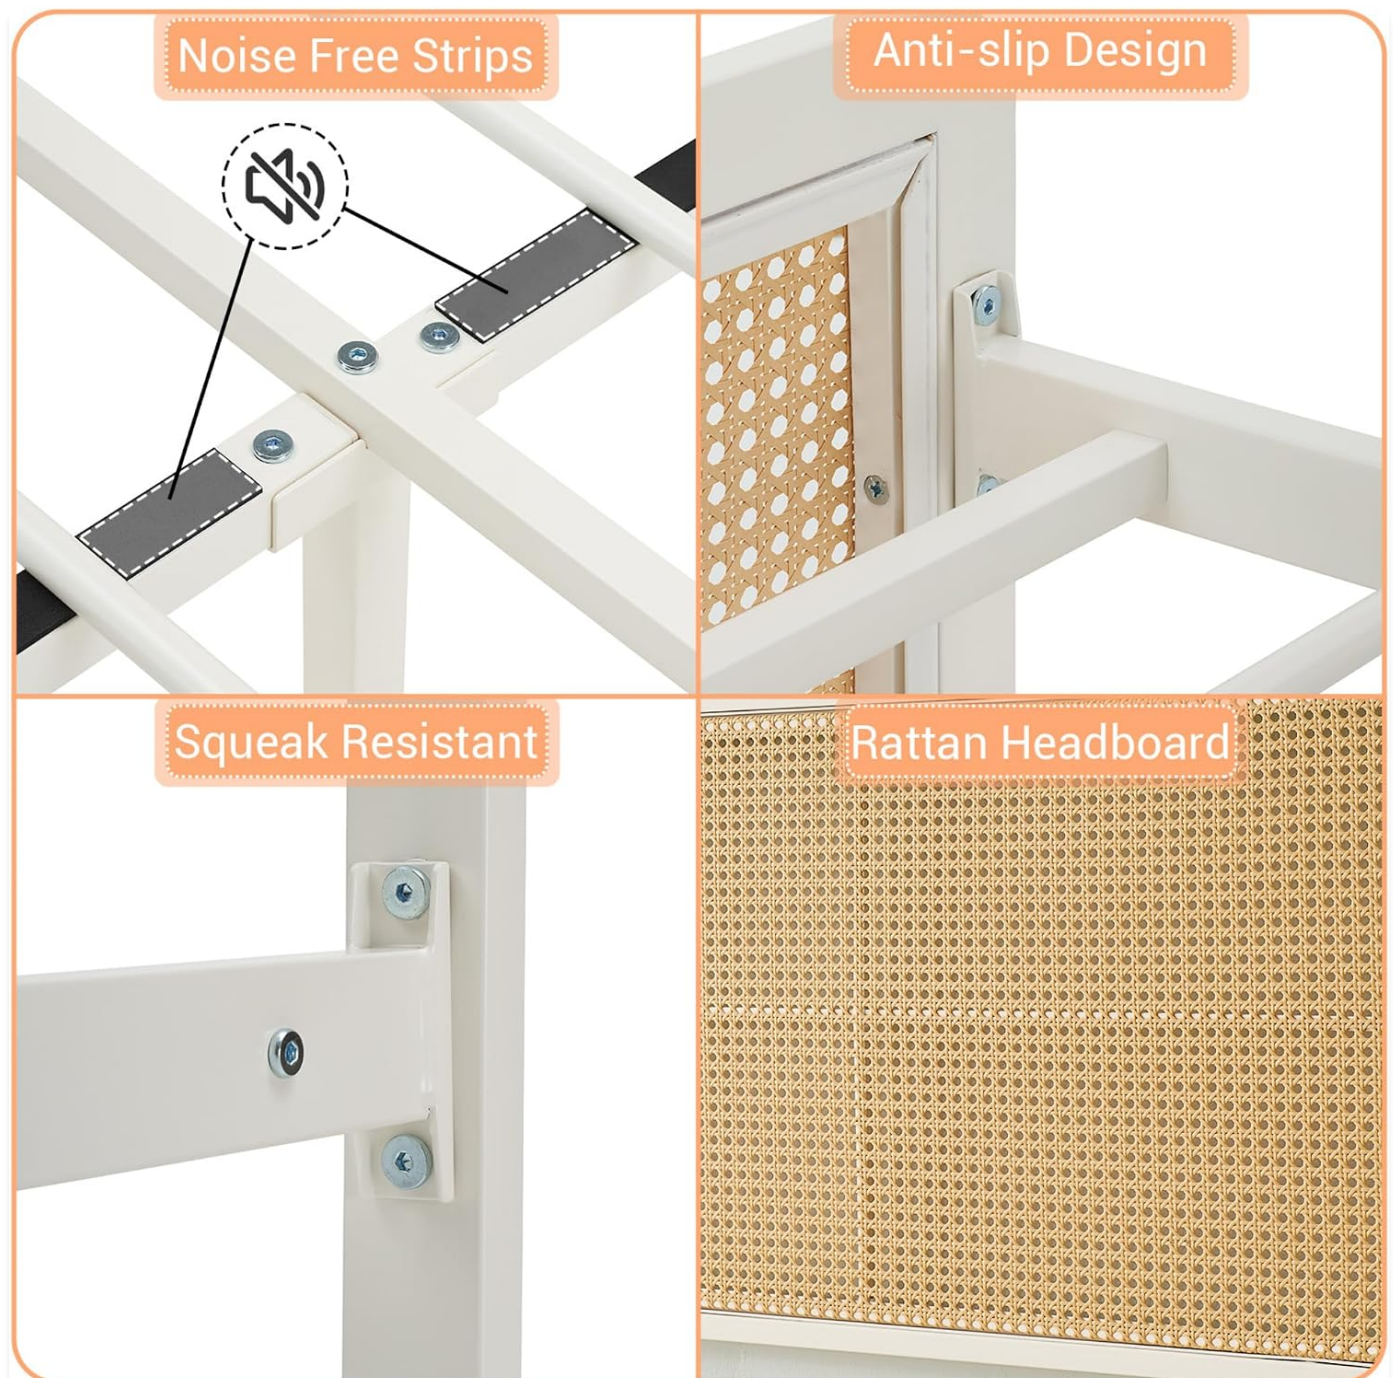

Image: Close-up views of key bed frame features, including noise-free strips on slats, anti-slip design for stability, squeak-resistant bolt connections, and the woven texture of the rattan headboard.

SETUP AND ASSEMBLY

Assembly typically requires two adults. Please follow these steps carefully.

1. **Unpack Components:** Lay out all parts on a clean, soft surface (e.g., a carpet or blanket) to prevent scratches. Verify all parts are present against the package contents list.
2. **Attach Side Rails to Headboard:** Connect the side rails to the headboard using the provided bolts and Allen wrench. Do not fully tighten bolts until all major components are assembled.
3. **Attach Side Rails to Footboard:** Connect the other end of the side rails to the footboard. Ensure the rattan panels are facing the correct direction (outward).
4. **Install Center Support Beam:** Secure the center support beam to the designated brackets on the headboard and footboard.
5. **Place Metal Slats:** Lay the metal slats across the side rails. Ensure they are evenly spaced and secured to the frame using the provided fasteners or clips. Apply the noise reduction strips to the slats as indicated in the instructions to prevent squeaking.
6. **Install LED Lighting:** Carefully attach the LED light strip to the designated area on the headboard or frame, ensuring the adhesive is firm. Connect the LED strip to the controller and power adapter.
7. **Final Tightening:** Once all components are in place and aligned, fully tighten all bolts and screws using the Allen wrench.

Extra Space Under The Bed

Make Full Use of Vertical Space Without Occupying Floor Plan

Image: The bed frame offers approximately 11 inches of clearance underneath, providing ample space for storage bins and keeping the bedroom tidy.

OPERATING THE LED LIGHTING

Your Amyove bed frame features integrated RGB LED lighting with various customization options.

Controller Functions:

- **Power Button:** Turns the LED lights on or off.
- **Mode Button:** Cycles through different lighting modes (e.g., static colors, dynamic effects, music sync).
- **Brightness Adjustment:** Increases or decreases the light intensity.
- **Color Selection:** Allows you to choose specific colors.

App Control:

For advanced control, download the dedicated smartphone application. The app allows for more precise color selection,

custom scene creation, and synchronization with music beats.

Sync with the Music Beats
The lights will flash with the rhythm of the music

Smart Controller Switch 12 Scene Modes 3 Brightness Adjust App Control

Image: The bed frame's LED lighting can be controlled via a smart controller or a mobile application, offering various scene modes, brightness adjustments, and music synchronization.

MAINTENANCE

Regular maintenance ensures the longevity and performance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. For the rattan panels, use a soft brush or cloth to remove dust. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically (every 3-6 months), check all bolts and screws and re-tighten them as necessary to maintain the bed frame's stability and noise-free design.
- **Under-Bed Storage:** When utilizing the under-bed storage, ensure items are placed in slim bins or vacuum bags to maintain tidiness and prevent obstruction of airflow. Do not overload the storage area beyond the bed's weight capacity.

TROUBLESHOOTING

Here are solutions to common issues you might encounter:

Problem	Possible Cause	Solution
Bed frame is squeaking	Loose bolts; slats rubbing against frame; missing noise reduction strips.	Tighten all bolts. Ensure noise reduction strips are properly installed on slats.
LED lights not turning on	Power adapter unplugged; loose connection to controller/strip; faulty controller.	Check power connection. Ensure all cables are securely plugged in. Test with a different power outlet. If issue persists, contact support.
Bed frame feels unstable	Bolts not fully tightened; uneven floor surface.	Re-tighten all assembly bolts. Ensure the bed is on a flat, level surface.

SPECIFICATIONS

Detailed specifications for the Amyove Rattan Full Size Bed Frame:

- Model Number:** OtilkstuegeY06q-8rwW7QDbz
- Size:** Full
- Material:** Rattan & Metal (Steel)
- Color:** White Led
- Product Dimensions (L x W x H):** 76.1" x 56.3" x 42.9"
- Item Weight:** 58.4 pounds
- Weight Capacity:** 800 lbs
- Special Feature:** Integrated RGB LED Lighting
- Included Components:** Headboard, Footboard, Frame, Slats, LED Lighting Kit
