ATKGEAR ATK Blazing Sky U2

ATKGEAR Blazing Sky U2 Ultimate Gaming Mouse Instruction Manual

Model: ATK Blazing Sky U2

INTRODUCTION

The ATK Blazing Sky U2 Ultimate Gaming Mouse is designed for optimal performance and comfort. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure you get the most out of your device.

SETUP

Follow these steps to get your ATK Blazing Sky U2 mouse ready for use:

1. **Unboxing:** Carefully remove the mouse and all accessories from the packaging.

Figure 1: ATK Blazing Sky U2 Ultimate Gaming Mouse, top view.

2. **Connectivity:** The mouse supports Bluetooth connectivity.

- Ensure the mouse is powered on using the switch located on the underside.
- Activate Bluetooth pairing mode on your computer or device.
- Select "ATK Blazing Sky U2" from the list of available Bluetooth devices to connect.

3. **Charging:** The mouse comes with a charging cable.

- Connect the charging cable to the USB-C port located at the front of the mouse.
- Plug the other end of the cable into a USB power source.
- The LED indicator on the mouse will show charging status (e.g., red for low battery, green for fully charged).

4. **Software Installation:** For advanced customization and battery monitoring, download and install the official ATKGEAR software from the manufacturer's website. This software provides detailed battery life percentages and allows for button remapping and DPI adjustments.

OPERATING INSTRUCTIONS

The ATK Blazing Sky U2 mouse features an ergonomic design for comfortable use during extended gaming sessions.

- **Buttons:** The mouse includes standard left and right-click buttons, a scroll wheel, and additional side buttons for customizable functions.
- **DPI Adjustment:** The mouse's optical sensor allows for precise movement detection. DPI settings can be adjusted via the ATKGEAR software to match your preference.
- **On/Off Switch:** A simple on/off switch is located on the underside of the mouse to conserve battery life when not in use.
- **USB Receiver Storage:** For convenience during travel, the USB receiver can be securely stored in a dedicated compartment on the underside of the mouse. This compartment is typically covered by a magnetic cap.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your mouse:

- **Cleaning:** Use a soft, dry cloth to wipe down the mouse regularly. Avoid using harsh chemicals or abrasive materials that could damage the surface.
- **Battery Care:** Charge the mouse when the low battery indicator (red LED) appears. Avoid completely draining the battery frequently to prolong its lifespan.
- **Grip Stickers:** The mouse may come with optional grip stickers to enhance handling. If these stickers become tacky or leave residue, they can be carefully removed. Clean any adhesive residue with an appropriate cleaner designed for electronics.

TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Connectivity Issues:**
 - Ensure the mouse is powered on and within range of your device.
 - Re-pair the mouse via Bluetooth settings on your computer.
 - If using the USB receiver, ensure it is securely plugged into a functioning USB port.
- **Battery Not Charging:**
 - Verify the charging cable is properly connected to both the mouse and the power source.
 - Try a different USB port or charging adapter.
 - Ensure the mouse's power switch is in the 'on' position during charging.
- **Mouse Not Responding:**
 - Check the battery level; recharge if necessary.
 - Toggle the on/off switch to reset the mouse.
 - Reinstall the ATKGEAR software and drivers.

SPECIFICATIONS

Feature	Detail
