

Reobrix 77034

Reobrix Pudel Tank Building Block Set 77034 Instruction Manual

Model: 77034

INTRODUCTION

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your Reobrix Pudel Tank Building Block Set, Model 77034. This set allows for the construction of a 1:23 scale replica of the WW2 German Pudel tank, an officially licensed product from World of Tanks. Please read these instructions carefully before beginning assembly.

SAFETY INFORMATION

This product contains small parts and is recommended for individuals aged 14 and above. Keep small parts away from young children to prevent choking hazards. Always follow the assembly instructions carefully. Do not attempt to modify the building blocks or force connections, as this may damage the components.

PACKAGE CONTENTS

Your Reobrix Pudel Tank Building Block Set 77034 includes:

- 969 building block pieces.
- Comprehensive, precise paper assembly instructions.
- Exquisite padded stickers for detailed finishing.
- World of Tanks game award redemption benefits (bonus code).

Please verify all parts are present before beginning assembly. If any parts are missing, refer to the "Support and Warranty" section.

ASSEMBLY INSTRUCTIONS

The assembly process is guided by the included paper instructions. Follow each step sequentially for optimal results. The finished model will be a 1:23 scale replica of the Pudel tank.

Key Assembly Features:

- **Detailed Replication:** The set is designed to accurately replicate the Pudel tank's details.
- **Modular Design:** Components are designed for a smooth fit, compatible with mainstream building blocks.

PRODUCT SIZE

969PCS

Image: A diagram illustrating the dimensions of the assembled Reobrix Pudel Tank, Model 77034, which are 11.26 inches in length, 4.33 inches in width, and 3.93 inches in height.

OPERATING FEATURES

Once assembled, the Reobrix Pudel Tank offers several interactive features:

- **Rotatable Turret:** The tank's turret can rotate 360 degrees, allowing for dynamic posing.
- **Detachable Engine Cover:** The top turret and engine cover are designed for quick disassembly, revealing internal details.
- **Functional Tracks:** The two tracks enable the tank to move smoothly across surfaces.
- **Detailed Interior:** The cockpit features simulated ammunition racks and an engine, enhanced by included padded stickers.

MAINTENANCE

To ensure the longevity and appearance of your Reobrix Pudel Tank model, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth or a small brush to gently remove dust from the model. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental disassembly or damage to delicate parts.

TROUBLESHOOTING

If you encounter any issues during assembly or with the finished product, consider the following:

- **Missing Parts:** If you discover any missing pieces, please contact Reobrix customer support as detailed in the "Support and Warranty" section.
- **Loose Connections:** Ensure all blocks are firmly pressed together. Refer to the assembly instructions to double-check step-by-step connections.
- **Difficulty with Movement:** For tracks or rotating parts, ensure no blocks are obstructing movement and that all connections are correctly aligned.
