

Rolife US03-DS043

Rolife Sweet Shack Miniature House Kit Instruction Manual

Model: US03-DS043 | Brand: Rolife

1. PRODUCT OVERVIEW

The Rolife Sweet Shack Miniature House Kit is a DIY wooden dollhouse designed for adults and teens aged 14 and above. This kit allows you to construct a detailed miniature candy shop, complete with LED lighting, creating a charming display piece. It is ideal for hobbyists interested in 3D wooden puzzles and miniature crafting.

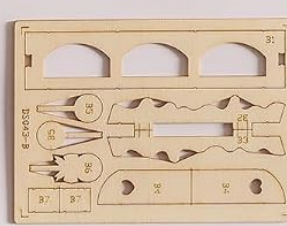

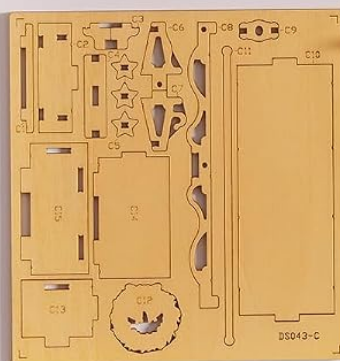

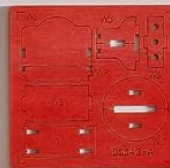

- **Minimalist Mini Christmas House:** This kit features a miniature candy shop design, including a Santa Claus figure and various colorful candies, evoking a festive, fairy-tale atmosphere.
- **LED Lighting:** The assembled dollhouse includes LED lighting that requires two AA batteries (not included) to illuminate the interior, enhancing its visual appeal, especially in low light.
- **Easy Assembly:** Designed for straightforward assembly, this kit typically takes approximately 2 hours to complete. The finished dimensions are 6.69 x 4.49 x 6.30 inches.

2. WHAT'S IN THE BOX

The Rolife Sweet Shack Miniature House Kit includes all necessary components for assembly. Please verify all parts are present upon opening the package.

- Pre-cut wooden pieces for the house structure and furniture.
- Decorative paper elements for details and accessories.
- LED light components.
- Assembly tools (e.g., tweezers, sandpaper, glue - specific tools may vary, refer to the included manual).
- Detailed instruction manual with illustrations.

3. ASSEMBLY INSTRUCTIONS

Follow these steps carefully to assemble your Rolife Sweet Shack Miniature House Kit. It is recommended to read through all instructions before beginning.

1. **Preparation:** Unpack all components and organize them according to the provided numbering or categories. Ensure

you have a clean, well-lit workspace.

2. **Review Instructions:** Carefully examine the included instruction manual. Pay close attention to diagrams and part numbers.
3. **Component Identification:** Identify each wooden piece and paper cutout. Some pieces may be delicate; handle with care.
4. **Step-by-Step Assembly:** Assemble the kit following the sequential steps outlined in the manual. Use the provided glue or recommended adhesive sparingly and allow adequate drying time.
5. **LED Installation:** Integrate the LED lighting components as instructed. Ensure wires are properly connected and concealed.
6. **Battery Insertion:** Once assembly is complete, insert two AA batteries (not included) into the designated battery compartment for the LED lights.
7. **Final Touches:** Apply any remaining decorative elements and ensure all parts are securely attached.

All materials included – enjoy your DIY project!

4. OPERATING INSTRUCTIONS

The Rolife Sweet Shack Miniature House Kit features integrated LED lighting to enhance its display.

- **Powering the Lights:** Ensure two AA batteries are correctly installed in the battery compartment.
- **Activating Lights:** Locate the small switch, typically on the back or base of the model, to turn the LED lights on or

off.

- **Battery Replacement:** If the lights dim or stop working, replace the AA batteries with new ones. Ensure correct polarity (+/-).

5. MAINTENANCE

To ensure the longevity and appearance of your miniature house kit, follow these maintenance guidelines:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. Avoid using water or cleaning solutions, as they may damage the wooden and paper components.
- **Storage:** Store the miniature house in a dry environment, away from direct sunlight and extreme temperatures, to prevent warping or fading of materials.
- **Handling:** Handle the assembled model with care to avoid dislodging small parts.
- **Battery Care:** Remove batteries if the model will not be used for an extended period to prevent leakage and damage.

6. TROUBLESHOOTING

If you encounter any issues during assembly or operation, refer to the following common solutions:

- **Pieces Not Fitting:**
 - Double-check the instruction manual to ensure you are using the correct pieces for the current step.
 - Verify the orientation of the pieces. Many parts are designed to fit in only one specific way.
 - Gently sand edges if a piece is slightly too tight, but avoid removing too much material.
- **LED Lights Not Working:**
 - Ensure batteries are inserted correctly with the proper polarity (+/-).
 - Replace old batteries with new ones.
 - Check all wire connections to ensure they are secure and not damaged.
 - Verify the power switch is in the "ON" position.
- **Missing or Damaged Parts:**
 - Carefully re-check all packaging materials. Small parts can sometimes be overlooked.
 - Contact Rolife customer support with details of the missing or damaged part, referencing your model number (US03-DS043).

7. SPECIFICATIONS

Feature	Detail
Brand Name	Rolife
Model Number	US03-DS043
Age Range Description	Adult (Manufacturer Minimum Age: 168 months / 14 years)
Assembly Required	Yes
