## Key Features

- Open-Ear Design:** Provides comfort during extended wear and maintains environmental awareness.
- Immersive Stereo Sound:** Equipped with 14.2mm dynamic drivers for clear audio and powerful bass.
- Clear Calls:** Advanced drivers ensure crystal-clear communication.
- Extended Playtime:** Up to 10 hours on a single charge, with an additional 30 hours from the charging case (total 40

hours).

- **Fast Charging:** 5 minutes of charging provides 1 hour of playback.
- **Bluetooth V5.3:** Offers rapid data transfer, stable connection within a 15-meter (33-foot) range, and smart auto-on/connect.
- **IPX7 Waterproof:** Designed to withstand sweat and water exposure, suitable for sports and outdoor activities.
- **Touch Control:** Intuitive touch sensors for managing playback, calls, and other functions.
- **Ergonomic & Secure Fit:** Flexible ear hooks made from aerospace-grade material ensure a snug and comfortable fit without pressure.

## All-New boytond Open Ear Headphones

Cutting-edge open-ear earbuds  
meticulously crafted for every occasion

Image: Illustrates the comfort benefits of open-ear headphones compared to traditional in-ear designs that can cause discomfort or ear strain.

### Featherweight

Providing a featherlight comfort, these are so weightless that during your daily activities, you'll effortlessly forget you have them on.

## 3. SETUP

### 3.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the USB-C charging cable to the charging port on the case and to a power source.
3. The LED display on the case will indicate the charging status. A full charge is indicated when the display shows

100%.

The earbuds offer up to 10 hours of playback on a single charge, and the charging case provides an additional 30 hours, totaling 40 hours of use. A quick 5-minute charge can provide 1 hour of playback.

## Long-Lasting Battery Life

Experience convenient listening with 10 uninterrupted hours of audio playback—40 hours in total with the charging case.

### 3.2 Pairing with a Bluetooth Device

The earbuds feature one-step pairing for convenience.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "Q28" in the list of available Bluetooth devices and select it to connect.
4. Once connected, the earbuds will automatically pair with your device whenever the case is opened.

### Open-Ear Headphones Comfort

The open-ear design incorporating air conduction provides sustained comfort without any sense of pressure, even during prolonged listening sessions.

## 4. OPERATING THE EARBUDS

### 4.1 Wearing the Earbuds

The Q28 earbuds are designed to hook comfortably over your ears.

1. Identify the Left (L) and Right (R) earbuds.
2. Gently place the earbud over your ear, ensuring the hook rests securely behind your ear and the speaker is positioned near your ear canal without entering it.
3. Adjust for a comfortable and stable fit.

## **CLEAR HARMONY OF SOUND**

Pure audio quality brings an auditory feast

### **4.2 Touch Controls**

The earbuds feature touch-sensitive controls on their outer surface.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the Right earbud.
- **Previous Track:** Double tap on the Left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud for 2 seconds.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **Volume Up:** Press and hold the Right earbud.
- **Volume Down:** Press and hold the Left earbud.

## 5. MAINTENANCE

### 5.1 Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical sprays.
- Ensure charging contacts are clean and dry before placing earbuds in the case.

### 5.2 Storage

When not in use, store the earbuds in their charging case to protect them and keep them charged.

- Store in a cool, dry place away from extreme temperatures.
- Avoid prolonged exposure to direct sunlight.

#### One Step Pairing

After the first pairing, the earbud auto pairs with your phone while opening the case

## 6. TROUBLESHOOTING

If you encounter issues with your Boytont Q28 earbuds, refer to the following common solutions:

- **No Sound:**

- Ensure earbuds are charged.
- Check if earbuds are properly paired with your device.
- Adjust volume on both earbuds and your device.

- **Cannot Pair:**

- Ensure Bluetooth is enabled on your device.
- Place earbuds back in the case, close, then open again to re-enter pairing mode.
- Forget "Q28" from your device's Bluetooth list and try pairing again.
- Ensure earbuds are within 15 meters (33 feet) of your device.

- **Earbuds Not Charging:**

- Ensure the charging cable is securely connected to both the case and the power source.
- Check if the charging contacts on the earbuds and in the case are clean.
- Try a different USB-C cable or power adapter.

- **Uncomfortable Fit:**

- Adjust the earhook position until it feels secure and comfortable. The open-ear design should not exert pressure inside the ear canal.
