# Generation X Custom Year Hat User Manual

Brand: Custom

## PRODUCT OVERVIEW

This manual provides instructions for the Generation X Custom Year Hat, a personalized washed cotton dad cap. It features embroidered text and an American flag design, with options for custom year and name. The hat is designed for comfort and adjustability, suitable for everyday wear.

## SETUP

The Generation X Custom Year Hat is ready for use upon receipt. No assembly is required. Before wearing, you may need to adjust the strap for a comfortable fit.

## ADJUSTABLE BUCKLE

### OPERATING INSTRUCTIONS

#### Adjusting the Fit

1. Locate the adjustable strap and metal buckle at the back of the hat.
2. Slide the strap through the buckle to loosen or tighten the hat until it fits comfortably around your head.
3. Ensure the hat is snug but not too tight, allowing for proper air circulation.

#### Customization (Pre-Order)

This hat is customized during the order process. The front features a customizable year, and the right side allows for a personalized name. These customizations are permanent embroidery.

## MAINTENANCE

### Cleaning Instructions

The hat is made of washed cotton and can be machine washed. Follow these guidelines for optimal care:

- Wash with like colors in cold water on a gentle cycle.
- Use a mild detergent.
- Do not bleach.
- Air dry or tumble dry on low heat to prevent shrinkage and maintain shape. Avoid direct sunlight for extended periods.
- Do not iron the embroidered areas.

## TROUBLESHOOTING

---

Most issues with the Generation X Custom Year Hat are related to fit or minor wear. Below are common concerns and their resolutions:

- **Hat feels too tight or too loose:** Adjust the metal buckle strap at the back of the hat until a comfortable fit is achieved.
- **Hat loses shape after washing:** Ensure you are air drying or tumble drying on low heat. Avoid high heat, which can cause shrinkage or distortion. Gently reshape the hat while damp.
- **Embroidery appears worn:** While durable, excessive friction or harsh washing can affect embroidery. Follow care instructions carefully.
