## PARTS OVERVIEW

The LEGO Creator 3-in-1 Tropical Toucan set 30688 contains 59 pieces. Before starting assembly, carefully open the polybag and verify that all pieces are present. Refer to the included paper instructions for a detailed list of parts and their quantities.

If any pieces are missing or damaged, please refer to the "Troubleshooting" section for assistance.

## ASSEMBLY INSTRUCTIONS

The LEGO Creator 3-in-1 Tropical Toucan set offers three distinct building experiences. The primary model is a colorful toucan. Follow the step-by-step visual instructions provided within the polybag packaging to construct your chosen model.

1. **Preparation:** Lay out all LEGO bricks on a clean, flat surface. Sort pieces by color or type to facilitate

easier assembly.

2. **Main Toucan Model:** Begin by constructing the base of the toucan, typically starting with the body and feet. Attach the black and white body sections, then add the distinctive large yellow and orange beak. Finally, add the eyes and any decorative elements like the flower and green foliage base.
3. **Alternative Models:** The set also includes instructions for two other animal models. Refer to the included booklet for their specific assembly steps.
4. **Verification:** After completing your chosen model, double-check all connections to ensure stability.

## OPERATING AND DISPLAY

Once assembled, your LEGO Creator Tropical Toucan model is ready for display or imaginative play. The model is designed to be sturdy for handling, but care should be taken to avoid excessive force that could dislodge bricks.

- **Display:** Place your finished model on a stable surface away from direct sunlight or extreme temperatures to preserve brick color and integrity.
- **Play:** Engage in creative play scenarios. The 3-in-1 nature of the set encourages rebuilding and exploring different animal forms.

## MAINTENANCE AND CLEANING

To keep your LEGO model in optimal condition, follow these simple maintenance guidelines:

- **Cleaning:** Dust regularly with a soft, dry cloth or a soft brush. For deeper cleaning, gently wash bricks with lukewarm water (not exceeding 40°C / 104°F) and a mild detergent. Rinse thoroughly and air dry at room temperature. Do not use hot water, harsh chemicals, or abrasive materials.
- **Storage:** When not on display, store disassembled or assembled models in a clean, dry place away from direct sunlight to prevent discoloration.

## TROUBLESHOOTING

---

If you encounter any issues with your LEGO Creator Tropical Toucan set, please refer to the following common solutions:

- **Missing Pieces:** If you find a piece is missing from your new set, please visit the official LEGO Customer Service website ([service.lego.com](https://service.lego.com)) to request replacement parts. You will need the set number (30688) and the part number (if known).
- **Damaged Pieces:** For damaged pieces, contact LEGO Customer Service for assistance.
- **Assembly Difficulty:** Review the instruction manual carefully. Ensure all pieces are oriented correctly and firmly pressed together. Sometimes, a small piece may be overlooked.
