Vabches DA0365BS01A

Vabches Kids Vanity with Mirror & Lights Instruction Manual

Model: DA0365BS01A

INTRODUCTION

Thank you for purchasing the Vabches Kids Vanity with Mirror & Lights. This manual provides essential information for the safe assembly, operation, and maintenance of your new vanity set. Please read these instructions carefully before use and retain them for future reference.

SAFETY INFORMATION

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Weight Limit:** Ensure the vanity tabletop and stool are not overloaded. The tabletop supports up to 110 lbs, and the stool supports up to 110 lbs.
- **Stability:** Place the vanity on a flat, stable surface to prevent tipping. Consider securing the vanity to a wall using anti-tip hardware (if included or recommended by local safety standards).
- **Electrical Safety:** The mirror features integrated lights. Ensure all electrical connections are secure and follow local electrical safety guidelines. Do not expose electrical components to water.
- **Material Safety:** This product is made from engineered wood and has passed US ASTM testing standards for physical, mechanical, and flammability hazards, as well as lead and phthalates content.
- **Supervision:** Children should be supervised while using the vanity, especially around the mirror and electrical components.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact Vabches customer support.

- Vanity Desk Components (various engineered wood panels, drawers, hardware)

- Dressing Stool Components
- Lighted Mirror Unit
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Tools (typically an Allen wrench or screwdriver)
- Instruction Manual

Figure 1: Overview of all included components and their respective dimensions. This image illustrates the vanity desk, stool, and individual parts like drawers and the mirror unit.

ASSEMBLY INSTRUCTIONS

Assembly typically takes 30-50 minutes with the included tools. Follow the numbered and lettered instructions provided in the separate assembly guide for detailed steps. Ensure all connections are tightened securely.

1. **Unpack and Identify:** Lay out all components on a clean, soft surface to prevent scratches. Identify each part using the labels and diagrams in the assembly guide.
2. **Assemble the Base:** Begin by assembling the main desk frame according to the instructions.

3. **Install Drawers and Storage:** Insert the large drawer, small drawer, and assemble the side storage cabinet.
4. **Attach Mirror Unit:** Securely attach the lighted mirror unit to the vanity tabletop.
5. **Assemble Stool:** Assemble the dressing stool following its specific instructions.
6. **Final Checks:** Ensure all screws and fasteners are tight. Place the vanity in its desired location.

OPERATING INSTRUCTIONS

Using the Lighted Mirror

The integrated mirror features adjustable LED lighting with three color modes.

- **Power On/Off:** Locate the touch sensor switch on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor switch repeatedly to cycle through the three color modes:
 - **Warm Light:** Provides a soft, yellowish glow.
 - **Nature Light:** Offers a balanced, natural white light.
 - **Cold Light:** Emits a bright, bluish-white light.
- **Adjust Brightness:** Press and hold the touch sensor switch to dim or brighten the lights. Release when the desired brightness is achieved.

Adjustable 3 Color Temperature

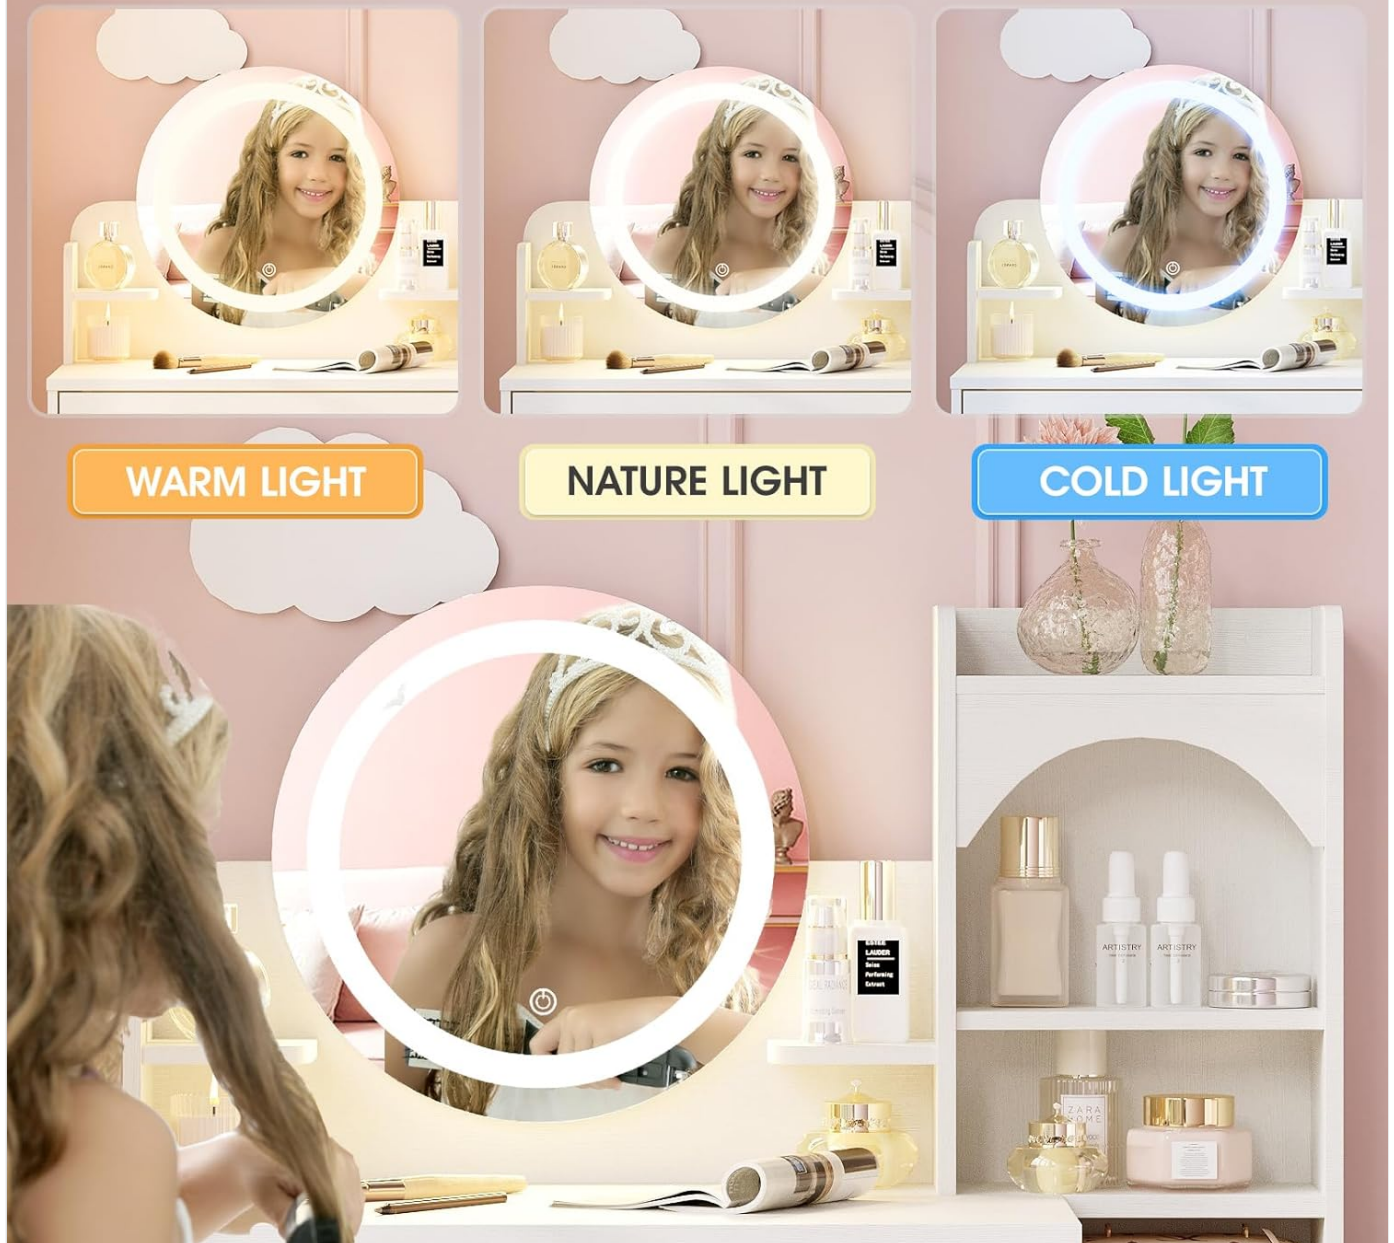

Figure 2: Illustration of the three adjustable color temperature modes (Warm, Nature, Cold Light) available on the vanity mirror.

Utilizing Storage

The vanity is designed with multiple storage options to help organize items.

- **Large Drawer:** Located under the desktop, suitable for larger accessories.
- **Small Drawer:** Ideal for smaller items like children's cosmetics.
- **Open Storage Spaces:** Four open compartments are available for displaying or storing dolls and other toys.
- **Storage Rack/Cabinet:** A side cabinet provides additional enclosed storage.

Figure 3: Depiction of the vanity's various storage solutions, including the main drawer and side compartments.

MAINTENANCE

- **Cleaning:** Wipe the vanity surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish. For the mirror, use a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary to maintain stability.
- **Avoid Moisture:** Keep the vanity away from excessive moisture or direct sunlight to prevent warping or fading of the engineered wood.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights do not turn on.	Power cable not connected. Power outlet not working. Touch sensor malfunction.	Ensure the power cable is securely plugged into the mirror and a working electrical outlet. Test the outlet with another device. Contact customer support if the touch sensor is unresponsive after checking power.
Vanity feels wobbly or unstable.	Loose assembly hardware. Uneven floor surface.	Retighten all screws and fasteners according to the assembly instructions. Move the vanity to a level surface or use furniture levelers if necessary.
Drawers do not slide smoothly.	Improperly installed drawer slides. Obstruction in the drawer track.	Review assembly instructions for correct drawer slide installation. Check for any debris or objects blocking the drawer tracks.

SPECIFICATIONS

Brand	Vabches
Model Number	DA0365BS01A
Product Dimensions (D x W x H)	16"D x 32"W x 39"H
Stool Seat Height	12.4 Inches
Material	Engineered Wood (MDF)
Item Weight	52.9 Pounds
Mirror Features	Adjustable LED lighting (Warm, Nature, Cold Light), Touch Sensor
Storage	1 Large Drawer, 1 Small Drawer, 4 Open Shelves, 1 Side Cabinet
Assembly Required	Yes (Approx. 30-50 minutes)
