## SETUP

### 1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C cable to the charging port on the case and a power source. The indicator lights on the case will show the charging status.

- **Charging Time:** Approximately 1.5 hours for a full charge.
- **Earbud Playtime:** Up to 12 hours on a single charge.
- **Total Playtime with Case:** Up to 60 hours.

## 2. Pairing with Your Device

1. Ensure the charging case has power and the earbuds are inside.
2. Open the charging case. The earbuds will automatically power on and enter pairing mode.
3. On your device (smartphone, tablet, laptop), enable Bluetooth.
4. Search for available Bluetooth devices and select 'SP9i' from the list.
5. Once connected, you will hear a confirmation tone, and the earbuds' indicator lights will turn off or flash slowly.

The earbuds will automatically reconnect to the last paired device when removed from the case, if Bluetooth is enabled on the device.

## WEARING INSTRUCTIONS

For optimal sound quality and comfort, it is important to wear the earbuds correctly and choose the appropriate eartip size.

### 1. Selecting Eartips

The earbuds come with small (S), medium (M), and large (L) eartips. Experiment with different sizes to find the pair that provides the best seal and comfort for your ears. A good seal enhances bass response and passive noise cancellation.

## 2. Achieving a Secure Fit

1. **Step 1:** Place the ear hook over your ear.
2. **Step 2:** Gently insert the earbud into your ear canal.
3. **Step 3:** Rotate the earbud slightly to find a comfortable and secure angle. The flexible ear hooks ensure a stable fit, ideal for sports and active use.

## MAINTENANCE

Proper maintenance ensures the longevity and performance of your earbuds.

- Cleaning:** Regularly clean the eartips and the charging contacts on both the earbuds and the case with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- Water Exposure:** While designed for sports, avoid submerging the earbuds in water. Wipe off sweat or moisture immediately after use.

## TROUBLESHOOTING

If you encounter any issues with your MOZOTER SP9i earbuds, please refer to the following common solutions:

- Earbuds not pairing:** Ensure both earbuds are charged and removed from the case. Turn off and on your device's Bluetooth. If issues persist, try resetting the earbuds (refer to manufacturer's website for specific reset instructions if not in manual).

- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open the lid and remove them. This often resynchronizes them.
- **Poor sound quality:** Ensure the eartips provide a good seal in your ear. Clean any debris from the earbud speakers. Check your device's volume and audio settings.
- **Charging issues:** Ensure the charging cable is securely connected to both the case and the power source. Clean the charging contacts on the earbuds and inside the case.
- **Earbuds falling out:** Experiment with different eartip sizes and adjust the ear hooks for a more secure fit as described in the Wearing Instructions section.
