ASSEMBLY INSTRUCTIONS

Detailed assembly instructions are provided within your package. Each part is carefully labeled, and every step is illustrated to facilitate a straightforward assembly process. We recommend assembling the vanity table in the room where it will be used.

1. **Unpack All Components:** Carefully remove all parts from both packages. Lay them out on a clean, soft surface to prevent scratches. Verify that all parts and hardware listed in the instruction manual are present.
2. **Identify Parts:** Match each component with its corresponding label in the assembly guide.
3. **Follow Step-by-Step Guide:** Adhere strictly to the illustrated steps in the provided manual. Do not overtighten screws during initial assembly; tighten them fully once the structure is stable.
4. **Attach Mirror and Lighting:** Securely attach the mirror and LED light components as directed. Ensure all electrical connections are properly made.
