## VOCIC AX35

# VOCIC AX35 Movable Electric Chair Lift Instruction Manual

Model: AX35

Brand: VOCIC

## INTRODUCTION

This manual provides comprehensive instructions for the safe and effective operation of your VOCIC AX35 Movable Electric Chair Lift. Designed for portable short-distance transport, this chair assists individuals, particularly seniors, with standing from the floor. Please read all instructions carefully before initial use and retain this manual for future reference.

## IMPORTANT SAFETY INFORMATION

- Always use the secure wheel locks when the chair is in use.
- Do not attempt to move the chair while the user is seated.
- Always follow the instructions provided to ensure safe operation and to minimize the risk of falls.
- Ensure the chair is on a stable, level surface before use.
- Do not exceed the maximum weight capacity of 350 LBS.

## WHAT'S INCLUDED

The VOCIC AX35 package includes all necessary components for assembly and operation. Please verify that all items listed below are present upon unboxing.

Image: All components of the VOCIC AX35 Electric Chair Lift, including the main unit, charger, hand controller, base feet, hex key wrench,

and screws.

- AX35 Main Unit (x1)
- Charger (x1)
- Hand Controller (x1)
- Base Feet (x2)
- Hex Key Wrench (x1)
- Screws (x4)

## ASSEMBLY AND SETUP

Follow these steps to assemble your VOCIC AX35 Electric Chair Lift. A hex key wrench is provided for installation.

Image: Visual guide demonstrating the simple one-step installation process for the AX35 chair lift, involving attaching leg screws.

1. **Unboxing:** Carefully remove all components from the packaging.
2. **Armrest Installation:** Attach the armrests to the main unit using the provided screws and hex key wrench. Ensure they are securely fastened.
3. **Caster Installation:** Attach the four wheels (casters) to the base of the main unit. Ensure they are firmly in place for smooth mobility.
4. **Power Connection:** Connect the hand controller to the main unit.
5. **Initial Charge:** Before first use, fully charge the unit using the provided charger. The charging port is typically located near the controller connection.

## OPERATING INSTRUCTIONS

The VOCIC AX35 is designed for user-friendly operation. Familiarize yourself with the controls and functions before assisting a user.

1. **Positioning the Chair:** With the user on the floor, roll the chair lift into position, ensuring the base is stable and the seat is aligned with the user.
2. **Securing the User:** Assist the user onto the seat. Fasten the safety belt securely around the user's waist.
3. **Raising the Seat:** Use the hand controller to slowly raise the seat. The lift mechanism operates smoothly to ensure comfort and safety.
4. **Lowering the Seat:** To lower the seat, use the hand controller to gently descend the user to the desired height or to the floor.
5. **Mobility:** Once the user is securely seated and the chair is in an upright position, the 4 wheels allow for short-distance

transfers between rooms. Always engage the wheel locks when the chair is stationary or when assisting a user on or off the seat.

## **PRODUCT FEATURES**

---

The VOCIC AX35 Electric Chair Lift incorporates several features designed for user comfort, safety, and ease of use.

### **Effortless Room-to-room Transfers**

# Multi-functional Mobility

Image: A woman gently pushing the VOCIC AX35 Electric Chair Lift across a room, demonstrating its easy maneuverability.

Equipped with 4 smooth rollers that glide over various floor surfaces, this chair lift is ideal for short-distance transfers between rooms without requiring lifting or carrying, thereby reducing the physical burden on both users and caregivers.

## Ultra-Compact Design

# Breathable and Comfortable Seats

Image: The VOCIC AX35 Electric Chair Lift shown in both its folded, compact state and its extended, operational state, highlighting its adjustable height and space-saving design.

The chair lift features a four-wheel system while maintaining an ultra-lightweight structure, ensuring agile operation and exceptional stability. The seat and armrests fold flat, allowing easy storage in bathrooms or bedrooms without occupying excessive space.

## User-Friendly Operation

Image: A man sitting on the floor next to the VOCIC AX35 Electric Chair Lift, demonstrating the chair's low ground clearance of 2.3 inches for easier access.

With a weight capacity of up to 350 LBS, it is suitable for seniors and individuals with limited physical strength seeking both portability and support. Easy-to-grip handles aid with standing, while secure wheel locks maintain chair stability during use. This design aims to reduce the risk of falls and enhance user confidence in daily activities.

### Durable Construction

## Maintenance

Regular maintenance ensures the longevity and safe operation of your VOCIC AX35 Electric Chair Lift.

- **Cleaning:** Wipe down the chair with a damp cloth and mild detergent. Avoid abrasive cleaners.
- **Battery Charging:** Charge the battery regularly, even if not in frequent use, to maintain battery health. Refer to the charger's indicator lights for charging status.
- **Inspection:** Periodically check all screws, bolts, and moving parts for tightness and wear. Tighten any loose fasteners.
- **Storage:** When not in use, fold the chair flat and store it in a dry, safe place away from extreme temperatures.

## Troubleshooting

If you encounter any issues with your chair lift, please refer to the following common troubleshooting tips:

- **Chair not operating:** Ensure the hand controller is securely connected and the battery is charged.
- **Unstable movement:** Check that all casters are properly installed and locked when stationary. Verify all assembly screws are tight.
- **Unusual noises:** Discontinue use immediately and contact customer support.

## Warranty and Support

Your VOCIC AX35 Electric Chair Lift is backed by an industry-leading 1-year warranty. For any setup assistance, troubleshooting, or customization advice, our dedicated care team is available 24/7.

Please refer to the warranty card included in your package for detailed terms and conditions. For support, visit the official VOCIC website or contact our customer service hotline.
