3. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, laptop), navigate to the Bluetooth settings.
3. Select "Baseus Eli Sport 2" from the list of available devices.
4. Once connected, you will hear an audio prompt, and the indicator light on the earbuds will change.

The earbuds support **Smart Dual-Connect**, allowing them to pair with two devices simultaneously. This enables seamless switching between, for example, a phone and a laptop without manual reconnection.

Sweatproof & Waterproof

Built for every element. Sweat, rain, or splash—IP57 protection never quits.³

MAINTENANCE

- **Cleaning:** Regularly wipe the earbuds and charging case with a soft, dry cloth. Avoid using abrasive materials or harsh chemicals.

- **Water Resistance:** The earbuds are IP57 rated, meaning they are protected against dust and can withstand immersion in water up to 1 meter for 30 minutes. However, they are not designed for swimming or prolonged submersion. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.
- **Storage:** Store the earbuds in their charging case when not in use to protect them and keep them charged.

p-Shaped Bionic Design

Perfected by thousands of ergonomic simulations, the signature p-shaped contour ensures a secure, snug fit—even during intense workouts.

TROUBLESHOOTING

Earbuds not pairing:

Ensure the earbuds are charged and the charging case lid is open. Turn off and on your device's Bluetooth, then try pairing again. If issues persist, try resetting the earbuds (refer to the quick start guide for specific reset instructions).

No sound or low volume:

Check the volume levels on both your device and the earbuds. Ensure the earbuds are properly seated on your ears. Verify that the earbuds are connected to the correct device.

Charging issues:

Ensure the USB-C cable is securely connected to both the case and the power source. Check if the charging port is clean and free of debris. Try a different charging cable or power adapter.

Call quality issues:

Ensure the microphones are not obstructed. Move to a quieter environment if experiencing excessive background noise. Check your device's call settings.
