# Everlasting Comfort 2.5L Top Fill Humidifier User Manual

Model: 2.5L Top Fill Humidifier | Brand: Everlasting Comfort

## INTRODUCTION

---

Thank you for choosing the Everlasting Comfort 2.5L Top Fill Humidifier. This ultrasonic cool mist humidifier is designed to enhance your indoor environment by adding moisture to the air, helping to alleviate dry skin, congestion, and other discomforts caused by dry air. It also features an essential oil diffuser, night lights, and convenient timer settings for a personalized experience. Please read this manual thoroughly before use to ensure proper operation and maintenance.

The Everlasting Comfort 2.5L Top Fill Humidifier, a sleek black unit with a visible mist output and illuminated control panel.

## IMPORTANT SAFEGUARDS

---

When using electrical appliances, basic safety precautions should always be followed to reduce the risk of fire, electric shock, and injury to persons, including the following:

1. Read all instructions before using the humidifier.
2. Place the humidifier on a firm, flat, and level surface. Keep it away from direct sunlight and heat sources.
3. Do not place the humidifier near furniture or appliances that are sensitive to water.
4. Always unplug the humidifier before filling, cleaning, or moving it.
5. Do not operate the humidifier with a damaged cord or plug.
6. Keep out of reach of children and pets.

7. Use only clean, cool tap water. Do not use hot water.
8. Do not add essential oils directly to the water tank unless specified by the manufacturer. This model supports direct addition of essential oils to the water tank.
9. Ensure the mist nozzle is not blocked.
10. Do not immerse the base unit in water or other liquids.

## PRODUCT COMPONENTS

---

Familiarize yourself with the main parts of your humidifier:

- **Water Tank:** 2.5L capacity, translucent for water level visibility.
- **Base Unit:** Contains the ultrasonic atomizer and control panel.
- **Top Lid/Mist Nozzle:** Removable for easy filling and cleaning, with a 360° rotatable mist nozzle.
- **Control Panel:** Touch-sensitive buttons for power, mist level, night light, and timer.
- **Power Cord:** For connecting to an electrical outlet.

## SETUP

---

Follow these steps for initial setup:

1. **Unpack:** Carefully remove all packaging materials and place the humidifier on a flat, stable surface.
2. **Placement:** Position the humidifier at least 6 inches (15 cm) away from walls and furniture. Ensure the mist output is not directed at walls or electronics.
3. **Fill Water Tank:** Remove the top lid. Fill the water tank directly from the top with clean, cool tap water. Do not exceed the 'MAX' fill line indicated on the tank.
4. **Add Essential Oils (Optional):** For aromatherapy, add a few drops of your favorite essential oil directly into the water tank.
5. **Replace Lid:** Securely place the top lid back onto the water tank.
6. **Plug In:** Connect the power cord to a standard electrical outlet.

# Easy Top Fill Design

Effortlessly refill  
without spills or  
disassembly

The humidifier features an easy top-fill design, allowing for effortless refilling without spills or disassembly.

## OPERATING INSTRUCTIONS

---

Your Everlasting Comfort Humidifier offers several customizable settings:

- **Power On/Off:** Press the power button (usually indicated by a circle with a vertical line) to turn the unit on or off.
- **Mist Level Adjustment:** Press the mist button (often indicated by three wavy lines) to cycle through low, medium, and high mist output settings.
- **Night Light:** Press the light bulb button to activate the night light. Cycle through 8 different LED colors or select a color-changing mode. Press again to turn off the light.
- **Timer Settings:** Press the timer button (indicated by a clock icon) to set the operating time for 2, 4, or 8 hours. The humidifier will automatically shut off after the selected time.
- **360° Rotatable Nozzle:** Adjust the direction of the mist output by rotating the nozzle on the top lid.
- **Auto Shut-Off:** The humidifier will automatically turn off when the water level is low, indicated by a red light, to prevent damage and ensure safety.

# Unwind with Aromatherapy

Add a few drops of your favorite essential oils directly to the tank

More aroma  
vs competitor  
tray methods

Add a few drops of your favorite essential oils directly to the water tank for a stronger, longer-lasting aroma compared to traditional tray methods.

# Set the Mood with 8 LED Colors

Transform your space with soft ambient light that calms or energizes.

Transform your space with soft ambient light using the 8 LED color options, or cycle through them all for a dynamic effect.

Video showcasing the quiet operation and ease of use of the humidifier, highlighting its suitability for bedroom environments.

## MAINTENANCE AND CLEANING

Regular cleaning is essential for optimal performance and hygiene:

1. **Daily Maintenance:** Empty and rinse the water tank daily. Wipe the inside of the tank and the base unit with a clean, dry cloth.
2. **Weekly Cleaning:**
  - Unplug the humidifier and remove the top lid.
  - Pour out any remaining water from the tank and base.
  - Fill the water tank with 1 cup of white vinegar and 1 cup of water. Let it soak for 30 minutes.
  - Use a soft brush or cloth to clean the inside of the tank and the ultrasonic atomizer in the base.
  - Rinse thoroughly with clean water until the vinegar smell is gone.

- Wipe all surfaces dry before reassembling.

3. **Storage:** If storing for an extended period, ensure the unit is completely clean and dry. Store in a cool, dry place.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
No mist output	No water in tank; Unit not plugged in; Atomizer dirty	Refill water tank; Plug in unit; Clean atomizer as per maintenance instructions
Unusual odor	New unit odor; Dirty water/tank	Run for a few hours with fresh water; Clean tank and change water regularly
Excessive noise	Unit not on a level surface; Water level too low	Place on a flat surface; Refill water tank
Water leakage	Overfilled tank; Lid not properly secured	Do not exceed MAX line; Ensure lid is securely in place
