Aoxun 55x19 Inch Outdoor Metal Storage Cabinet User Manual

Model: G37057BK03A-TC6.16

1. Introduction

This manual provides essential information for the safe and efficient use of your Aoxun 55x19 inch Outdoor Metal Storage Cabinet. Please read these instructions carefully before assembly and operation. Retain this manual for future reference.

1.1 Safety Information

WARNING:

- Always use caution when handling heavy items.
- Ensure the cabinet is properly assembled and level before use to prevent tipping.
- Keep the lockable door secured when not in use to prevent unauthorized access and protect contents from pests.
- Always follow the manufacturer's instructions for safe use and storage.
- Assembly requires multiple steps and can be time-consuming. Plan accordingly and consider assistance.

2. Product Features

The Aoxun Outdoor Metal Storage Cabinet is designed for versatile and durable outdoor storage. Key features include:

- **Customizable & Sturdy Shelving System:** Includes 2 removable shelves, each supporting up to 75 LBS (34 kg), ideal for organizing various items. The layout can be tailored to specific storage needs.
- **Compact Design with Substantial Storage:** Measures approximately 55.12" W x 18.5" D x 68.11" H, optimizing vertical space for tight areas while offering ample storage.
- **Long-Lasting All-Weather Protection:** Constructed from heavy-duty galvanized steel, providing waterproof and weather-resistant defense against rain and sun.
- **Secure Outdoor Storage Unit:** Features welded construction and a lockable door (padlock not included) to guard against moisture, pests, and unauthorized access.
- **Effortless Assembly & Dependable Support:** Designed for quick and easy assembly with included guidelines and tools. Customer service is available for support.

3. Setup and Assembly

Assembly of the Aoxun Outdoor Metal Storage Cabinet requires careful attention to detail and can be time-consuming. It is recommended to have assistance during the assembly process.

3.1 Unpacking and Component Check

1. Carefully unpack all components from the box.
2. Refer to the included parts list to ensure all components are present and undamaged.
3. Note that some metal panels may have a protective plastic film. This film is designed to prevent scratches during shipping and may need to be peeled off.

Figure 3.1: Metal paneling with scratch protective film.

3.2 Assembly Steps

Follow the detailed assembly guidelines provided in the packaging. General steps include:

1. Assemble the base frame on a flat, level surface.
2. Attach the side and back panels, ensuring proper alignment.
3. Install the roof panels.
4. Mount the doors and secure them with hinges and the locking mechanism.
5. Install the adjustable shelves according to your storage needs.

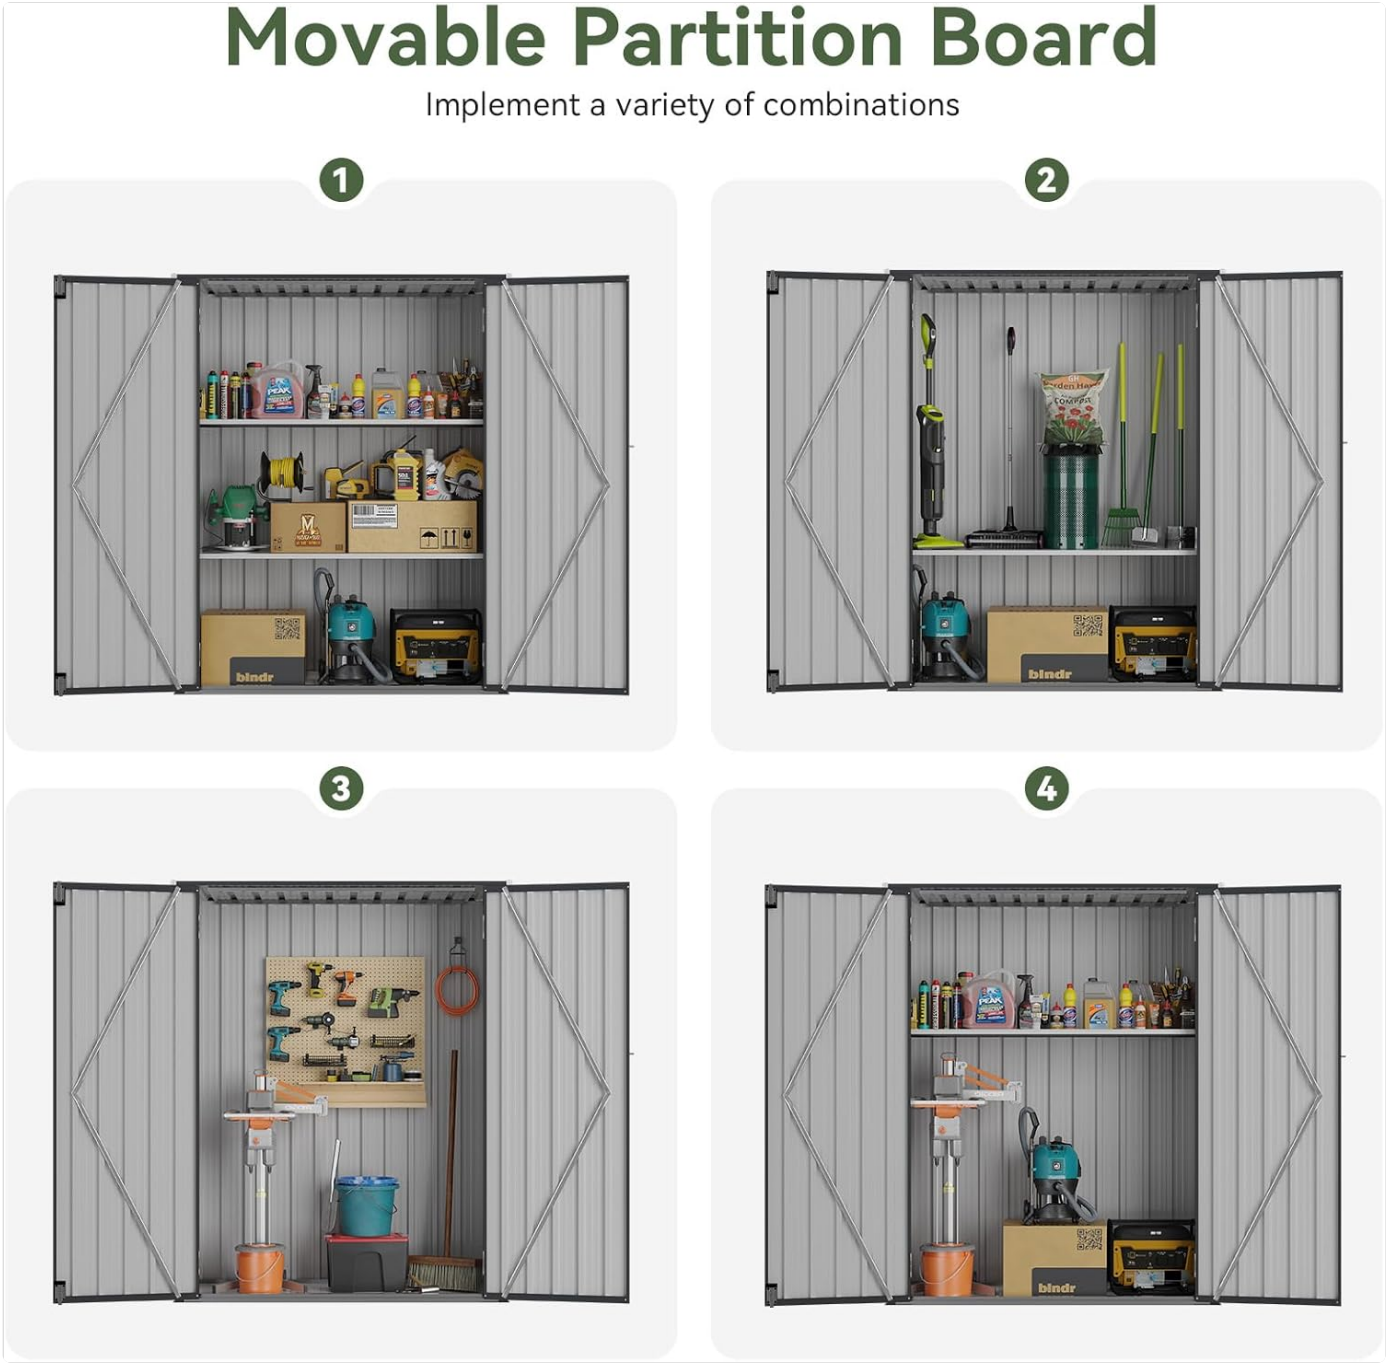

Figure 3.3: Examples of movable partition board configurations.

3.3 Site Preparation

For outdoor installation, ensure the ground is level and stable. A concrete base is recommended for optimal stability, especially on uneven surfaces like gravel.

4. Operation

4.1 Storing Items

Utilize the adjustable shelves to organize tools, gardening supplies, pool equipment, or other outdoor items. Each shelf can support up to 75 LBS (34 kg). Distribute weight evenly to maintain stability.

4.2 Securing the Cabinet

The cabinet features a lockable double door. Use a padlock (not included) to secure the contents and prevent

unauthorized access or entry by small animals.

Figure 4.1: Security and structural components.

5. Maintenance

Regular maintenance will ensure the longevity and optimal performance of your storage cabinet.

- **Cleaning:** Wipe down the exterior and interior surfaces with a damp cloth and mild detergent as needed. Avoid abrasive cleaners that could damage the finish.
- **Inspection:** Periodically check all screws, bolts, and connections to ensure they are tight. Re-tighten if necessary.
- **Weather Protection:** The galvanized steel construction is designed for all-weather use. However, ensure the doors are properly closed and locked during severe weather to prevent water ingress.
- **Protective Film:** If a protective plastic film was present during assembly and not fully removed, it may degrade over time. While designed to wear off, manual removal is recommended for aesthetic purposes if it becomes unsightly.

6. Troubleshooting

Problem	Possible Cause	Solution
Difficulty during assembly	Many small parts; complex instructions.	Review the assembly guidelines carefully. Ensure all parts are correctly oriented before tightening. Seek assistance if needed. Contact customer service for clarification.
Cabinet appears unstable or wobbly	Uneven ground; loose connections.	Ensure the cabinet is placed on a completely level surface. Re-tighten all assembly screws. Consider installing on a concrete base for maximum stability.
Protective plastic film cracking/peeling unsightly	Film not fully removed during assembly.	Carefully peel off any remaining plastic film. This film is for protection during transit and is not part of the permanent finish.
Color appears dark grey instead of black	Perception of color may vary; product is a dark shade.	The product is manufactured in a dark black/grey tone. This is a characteristic of the finish.

7. Specifications

Attribute	Detail
Brand	Aoxun
Model Number	G37057BK03A-TC6.16
Color	Black
Material	Alloy Steel, Iron (Frame: Galvanized Steel)
Product Dimensions (W x D x H)	55.12" x 18.5" x 68.11" (approx. 140 cm x 47 cm x 173 cm)
Item Weight	75 pounds (34 kg)
Weight Limit (per shelf)	75 pounds (34 kg)
Water Resistance Level	Waterproof
Assembly Required	Yes
Door Style	French Doors
