### tectake 406098

# tectake Dining Chairs with Bucket Seat - Set of 6, White (Model 406098)

Instruction Manual

## 1. PRODUCT OVERVIEW

---

This set of 6 tectake dining chairs features an elegant design and subtle white color. The curved seat shape with comfortable padding ensures optimal seating comfort, characteristic of modern Scandinavian style furniture. Solid elm wood legs provide high stability, load capacity, and extreme durability. The durable polyurethane material is easy to clean, making these chairs suitable for various indoor settings.

## 2. SAFETY WARNINGS

- Assemble all components with care, ensuring each part is securely fastened.
- Do not use the chairs if any parts are damaged, missing, or appear to be faulty.
- Do not overload the chair beyond its recommended maximum weight capacity of 120 kg (264 lbs).
- Keep small parts away from children during assembly to prevent choking hazards.

## 3. COMPONENTS INCLUDED

The package contains the following items:

- 6 x Dining Chair Seats (Polypropylene with Polyurethane padding)
- 6 x Sets of Elm Wood Legs
- Assembly Hardware (screws, washers, Allen key)
- Assembly Instructions

## 4. SETUP AND ASSEMBLY INSTRUCTIONS

The assembly of these dining chairs is designed to be simple and quick. Please follow these steps carefully:

1. Unpack all components and verify that all parts listed in Section 3 are present and undamaged.
2. Place the chair seat upside down on a soft, clean surface to prevent scratches.
3. Attach the wooden legs to the designated mounting points on the underside of the seat using the provided screws and Allen key. Ensure the legs are oriented correctly and tightened securely.
4. Repeat the process for all six chairs.
5. Once assembled, gently place the chair upright and test its stability before use.

## 5. OPERATING INSTRUCTIONS

These chairs are designed for indoor use and are suitable for various environments:

- **Dining Room:** Ideal for daily meals and gatherings.

- **Kitchen:** Provides comfortable seating for kitchen islands or breakfast nooks.
- **Living Room:** Can serve as accent chairs or additional seating.
- **Office/Study:** Offers ergonomic support for desk work.
- **Bedroom:** Functions well as a vanity chair.

The ergonomic design of the seat shell ensures optimal seating comfort and supports a healthy posture, making long sitting periods pleasant.

## 6. MAINTENANCE

To ensure the longevity and appearance of your tectake dining chairs, follow these maintenance guidelines:

- **Cleaning:** The durable polyurethane seat material is both dirt and water repellent and easy to clean. Simply wipe the chairs with a damp cloth. For stubborn stains, use a mild soap solution and then wipe with a clean, damp cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can

damage the seat material and wooden legs.

- **Leg Care:** Periodically check the tightness of the leg screws and re-tighten if necessary. The chairs are equipped with felt glides to protect your floors from scratches; inspect these periodically for wear and replace if needed.
- **Sunlight Exposure:** Avoid prolonged direct exposure to sunlight to prevent fading or material degradation.

Image 6.1: Detail of the padded seat and wooden leg construction.

## 7. TROUBLESHOOTING

If you encounter any issues with your tectake dining chairs, consider the following:

- **Wobbling Chair:** Ensure all leg screws are fully tightened. Check that the chair is placed on a flat, even surface.
- **Damaged Parts:** If any part is damaged upon arrival or during assembly, do not proceed with assembly. Contact customer support for replacement parts.
- **Difficulty Assembling:** Re-read the assembly instructions carefully. Ensure you are using the correct hardware for each step. If issues persist, contact customer support.

## 8. SPECIFICATIONS

---

Feature	Specification
