3. OPERATING INSTRUCTIONS

3.1. U-Shaped Workspace

The U-shaped design provides three distinct desktop areas, allowing for versatile use. You can dedicate one section for computer work, another for gaming, and a third for writing or creative tasks. This maximizes your functional space, especially in corner setups.

3.2. Integrated Power Outlets and USB Ports

The desk includes a built-in power strip with 4 AC outlets (125V/12A) and 2 USB charging ports (5V/2A). This allows for convenient charging of laptops, phones, gaming accessories, and other electronic devices directly from your workspace. The power cord is 4.92 feet long, and the rated power is 1500W.

4. MAINTENANCE

4.1. Cleaning

The desktop surface is water-resistant, making it easy to clean. Wipe spills immediately with a dry cloth. For general cleaning, use a soft, damp cloth and a mild detergent. Avoid abrasive cleaners or harsh chemicals that could damage the finish.

Triple X-frame design for solid stability.

4.2. Stability Check

Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary. The adjustable leg pads should be checked and adjusted as needed to maintain desk stability, especially on uneven flooring.

5. TROUBLESHOOTING

5.1. Stability Issues

If the desk feels wobbly or unstable, ensure all assembly screws are securely tightened. Adjust the leg pads on the bottom of each leg to level the desk on uneven surfaces. The desk's sturdy steel frame and "X"-shaped back braces are designed for stability, supporting up to 150 lbs.

5.2. Power Outlets Not Working

Check that the desk's main power cord is securely plugged into a functional wall outlet. Verify that the power strip itself is properly connected within the desk. If issues persist, ensure the total power draw of connected devices does not exceed the rated power of 1500W.

5.3. Missing Parts

In the event of missing components, such as bolts for the pegboard, please contact Pamray customer support immediately. Provide your product model number (S9Vintage71) and a description of the missing parts for

assistance.
