VOWNER VOWNER-630

VOWNER Vanity with Lighted Mirror - Model VOWNER-630 User Manual

Comprehensive instructions for setup, operation, and maintenance of your VOWNER Vanity Desk.

INTRODUCTION

Thank you for choosing the VOWNER Vanity with Lighted Mirror. This manual provides detailed instructions to ensure proper assembly, safe operation, and effective maintenance of your new vanity desk. Please read all instructions carefully before beginning assembly or use.

IMPORTANT SAFETY INFORMATION

- Always follow the assembly instructions provided.
- Do not exceed the weight capacity of the vanity.
- Be cautious of pinch points during assembly.
- Keep electrical cords away from heat sources and do not overload outlets.
- Unplug all electrical components when not in use.
- Ensure the vanity is placed on a stable, level surface to prevent tipping.
- Keep small parts away from children during assembly to prevent choking hazards.

SETUP AND ASSEMBLY

This section guides you through the assembly process for your VOWNER Vanity Desk. It is recommended to have two people for assembly. Please ensure all parts are present before starting.

Assembly Video Guide

Your browser does not support the video tag.

This video provides a visual step-by-step guide for assembling your VOWNER Vanity Desk. It covers the entire assembly process from start to finish.

Step-by-Step Assembly Instructions

1. **Prepare the Side Panels:** Attach the drawer slides (CL and CR) to the side panels (6, 7, 8, 9) using screws (E). Ensure correct orientation for left and right sides.

10. **Final Touches:** Apply the cover stickers (L) over exposed screw heads (T) for a clean finish.

OPERATING INSTRUCTIONS

Lighted Mirror Operation

The integrated LED mirror features adjustable lighting to suit your needs.

- **Power On/Off:** Locate the touch sensor on the mirror surface. Tap once to turn the lights on or off.
- **Change Color Mode:** With the lights on, tap the touch sensor repeatedly to cycle through the three color temperature modes: Warm White, Natural White, and Cool White.
- **Adjust Brightness:** To adjust brightness, press and hold the touch sensor. The brightness will gradually increase or decrease. Release when the desired brightness is reached.

Power Outlet Usage

The vanity desk includes a built-in power outlet for convenience.

- **AC Outlets:** Two standard 125V/12A AC outlets are provided for powering hair dryers, curling irons, or other beauty

devices.

- **USB Ports:** Two 5V/2A USB ports are available for charging mobile phones or other USB-powered devices.
- **Safety Note:** Do not overload the power strip. Ensure devices are unplugged when not in use.

Storage Features

The vanity desk is designed with ample storage to organize your beauty essentials.

- **Nine Drawers:** Utilize the nine spacious drawers for storing makeup, brushes, accessories, and other items.
- **Spacious Desktop:** The large desktop provides sufficient space for daily use and display.
- **Stool Storage:** The included stool features a lift-top seat for additional hidden storage.

MAINTENANCE AND CARE

- **Cleaning:** Wipe the vanity surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Electrical Components:** Ensure all electrical components are unplugged before cleaning. Do not expose electrical parts to water.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Mirror lights not turning on.	Power cable not connected; loose connection; faulty bulb/LED.	Ensure the power cable is securely plugged into a working outlet. Check all wiring connections. If issues persist, contact customer support.
Power outlet not working.	Power cable not connected; circuit breaker tripped; faulty outlet.	Verify the main power cable is plugged in. Check your home's circuit breaker. Avoid overloading the outlet.
Drawers do not slide smoothly.	Improper installation of drawer slides; obstruction in the slides; misaligned drawer.	Recheck drawer slide installation as per assembly instructions. Ensure no objects are blocking the slides. Adjust drawer alignment if necessary.
Vanity feels unstable.	Loose connections; uneven floor.	Tighten all screws and cam locks. Ensure the vanity is on a level surface. Use shims if the floor is uneven.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	VOWNER
Model Name	VOWNER-630
Product Dimensions	15.7"D x 47.2"W x 53.5"H
Color	White
Material Type	Engineered Wood Desktop
