DICTAC CBF-03G

DICTAC Corner Twin Bed Frame Instruction Manual

Model: CBF-03G

1. Introduction

Thank you for choosing the DICTAC Corner Twin Bed Frame. This manual provides detailed instructions for the assembly, operation, and maintenance of your new bed frame. Please read this manual thoroughly before assembly and retain it for future reference.
This bed frame features an L-shaped design with integrated storage shelves, two pull-out drawers, a built-in charging station, and smart RGB LED lighting. It is designed for twin-size mattresses.

Figure 1: Overview of the DICTAC Corner Twin Bed Frame. This image displays the bed frame with its L-shaped storage shelves, two pull-out drawers, integrated charging station, and active RGB LED lights, set up in a bedroom.

2. Safety Information

- **Weight Capacity:** Do not exceed the maximum weight capacity of 450 lbs (204 kg).
- **Assembly:** Follow all assembly instructions carefully. Incorrect assembly can lead to instability or collapse.
- **Sharp Edges:** Exercise caution around sharp edges and corners during assembly and use. The product includes plastic corner protectors for enhanced safety.
- **Children:** Keep small parts and packaging materials away from children during assembly to prevent choking hazards.
- **Electrical Components:** Ensure the charging station and LED lights are connected to a suitable power source according to local electrical codes. Do not overload the outlets.
- **Mattress:** A mattress thickness of 6-10 inches is recommended for optimal fit and safety.

3. Package Contents

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, contact customer support immediately.

- Metal Bed Frame Components
- Storage Shelves
- 2 Storage Drawers with Wheels
- Built-in Charging Station (2 AC Outlets, 2 USB Ports)
- RGB LED Light Strip and Controller
- Mattress Slide Stoppers (2 units)
- Plastic Corner Protectors (4 units)
- Assembly Hardware (screws, bolts, nuts, etc.)
- Simple Assembly Tools
- Assembly Instructions Manual

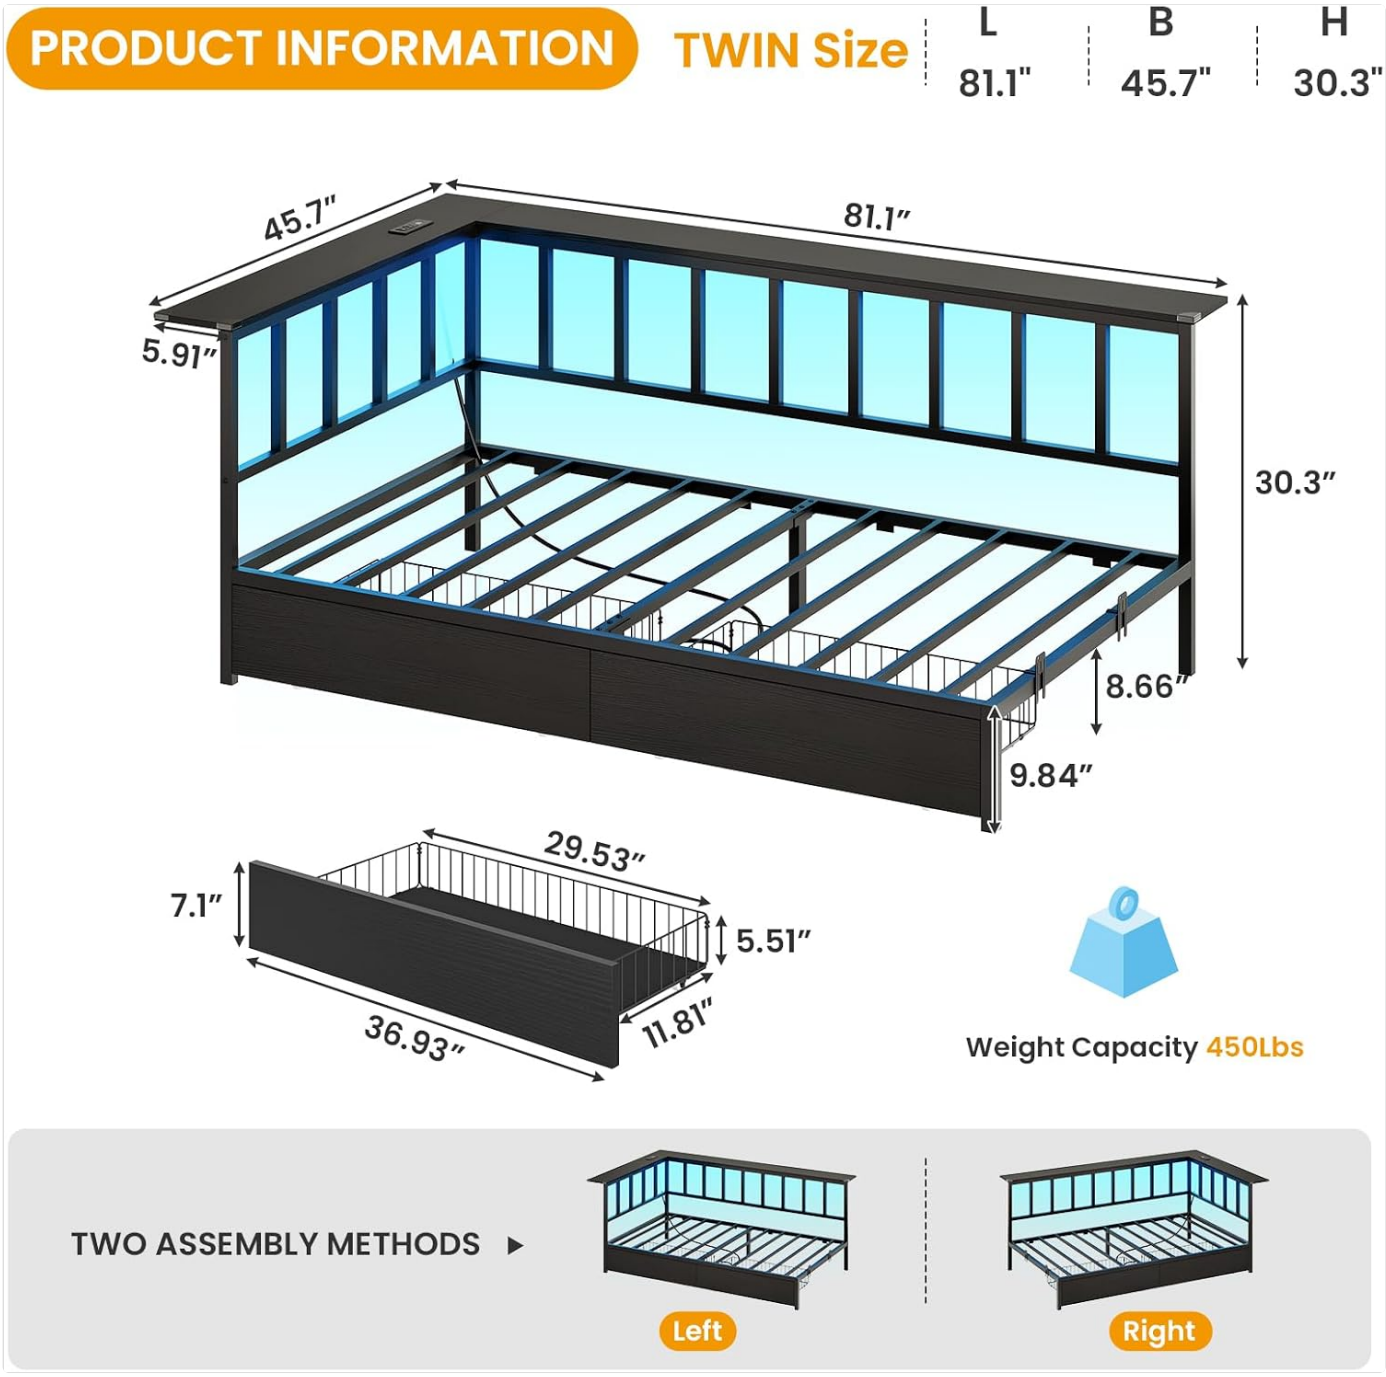

Figure 2: Product Dimensions and Components Overview. This diagram illustrates the overall length (81.1"), width (45.7"), and height (30.3") of the bed frame, along with the dimensions of the storage drawers and the stated weight capacity of 450 lbs.

4. Setup and Assembly

Assembly is required for this bed frame. It is recommended that two adults assemble the unit. Please follow the step-by-step instructions provided in the included assembly manual. Ensure all connections are secure before use.

1. **Preparation:** Clear an adequate space for assembly. Lay out all components and hardware.
2. **Frame Assembly:** Assemble the main metal frame structure according to the diagrams. Ensure all bolts are tightened securely.
3. **Slat Installation:** Install the embedded metal slats into the frame. These slats are designed to support the mattress without a box spring.
4. **Storage Shelves:** Attach the L-shaped storage shelves to the headboard and side rail as indicated.
5. **Drawers:** Assemble the two storage drawers and insert them into the designated slots under the bed frame. Ensure the wheels glide smoothly.
6. **Charging Station:** Install the built-in charging station into the pre-cut opening on the storage shelf. Connect the power cord.
7. **LED Lights:** Apply the RGB LED light strip to the designated areas on the bed frame. Connect the light strip to its controller and power source.
8. **Safety Accessories:** Attach the mattress slide stoppers to prevent mattress movement. Apply the plastic corner protectors to the corners of the storage shelves for safety.

Figure 3: Mattress Slide Stoppers and Embedded Slats. This image shows how the mattress slide stoppers attach to the bed frame to prevent mattress movement and highlights the secure, embedded design of the metal slats.

Figure 4: Corner Protector and Slat System. This image details the plastic corner protectors for safety, emphasizes that no box spring is required, and provides a close-up view of the tightly spaced metal slats that support the mattress.

5. Operating Instructions

5.1. Charging Station

The built-in charging station provides convenient access to power for your electronic devices.

- **AC Outlets:** Two 120V/12A AC outlets are available for standard electrical devices.
- **USB Ports:** Two 5V/2A USB ports are provided for charging smartphones, tablets, and other USB-powered devices.
- **Power Cord:** The charging station is equipped with a 5.2-foot power cord. Plug this cord into a wall outlet to activate the charging station.

Figure 5: Built-in Charging Station. This image displays the integrated power strip featuring two standard AC outlets and two USB charging ports, along with its specifications and the 5.2-foot power cord.

5.2. RGB LED Lights

The integrated RGB LED lights can be controlled via a physical key control or a smartphone application.

- **Key Control:** Use the physical button to cycle through basic colors and turn the lights on/off. Long press the button to turn off the RGB light.
- **APP Control:** Download the designated smartphone application (refer to the separate LED light manual or packaging for app details). The app allows for advanced control over:
  - Over 60,000 colors
  - Brightness adjustment
  - Various flashing modes
  - Music sync mode (lights react to sound)
  - Timing function (schedule on/off times)

- Custom style creation

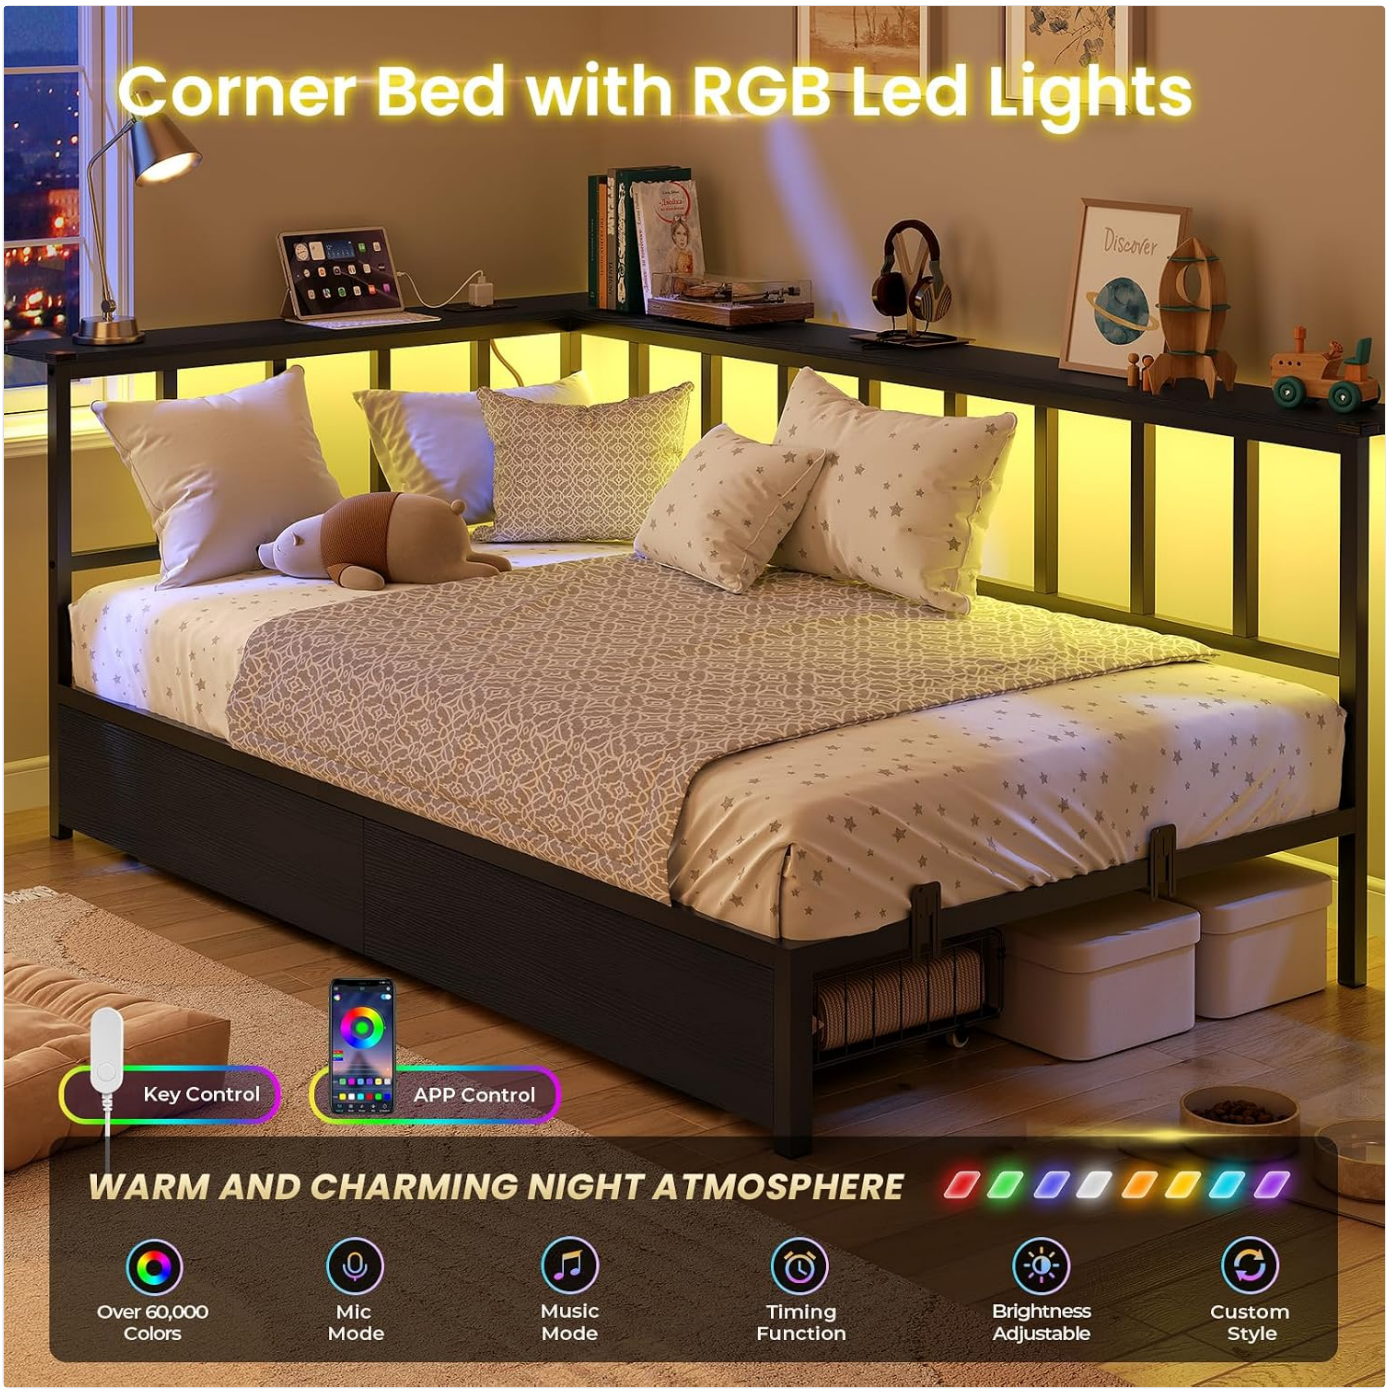

Figure 6: RGB LED Light Control. This image illustrates the bed frame with its LED lights active, highlighting the dual control methods: a physical key button and a smartphone application for advanced customization of colors, brightness, and modes.

5.3. Storage Drawers

The two pull-out storage drawers are designed for easy access and organization.

- **Access:** Gently pull the drawers out from under the bed frame. They are equipped with smooth-gliding casters for quiet operation.
- **Capacity:** Use the drawers for storing bed sheets, off-season clothing, toys, or other items.
- **Drawer Bottom:** The drawers feature a non-woven bottom to prevent items from falling through.

Figure 7: Storage Drawers. This image demonstrates the pull-out storage drawers, highlighting their non-woven bottom for secure storage and the easy-glide casters for smooth and quiet operation.

6. Maintenance

- **Cleaning:** Wipe the metal frame and wooden shelves with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **LED Lights:** If LED lights malfunction, check the power connection and controller. Do not attempt to repair the LED strip yourself; contact customer support.
- **Charging Station:** Ensure the charging station is free from dust and debris. Do not spill liquids on the outlets or USB ports.

7. Troubleshooting

Problem	Possible Cause	Solution
Bed frame is wobbly or squeaks.	Loose hardware.	Check and tighten all bolts and screws. Ensure all connections are secure.
LED lights are not working.	Power connection issue, faulty controller, or damaged strip.	Verify the LED strip is properly connected to the controller and power adapter. Ensure the power adapter is plugged into a working outlet. If issues persist, contact customer support.
Charging station is not providing power.	Power cord unplugged, wall outlet not working, or internal fault.	Ensure the charging station's power cord is fully plugged into a functional wall outlet. Test the wall outlet with another device. If still no power, contact customer support.
Drawers do not slide smoothly.	Obstruction, damaged wheels, or uneven floor.	Check for any objects obstructing the drawer path. Inspect the wheels for damage. Ensure the bed frame is on a level surface.

8. Specifications

Brand	DICTAC
Model Number	CBF-03G
Size	Twin
Product Dimensions	81.1"L x 45.7"W x 30.3"H
Color	Black
Material	Metal Frame, Wood Shelves
Finish Type	Powder Coated
Weight Capacity	450 lbs
Recommended Mattress Thickness	6-10 inches
Charging Station	2 AC Outlets (120V/12A), 2 USB Ports (5V/2A), 5.2-foot Power Cord
LED Lights	RGB, APP & Key Control, Music Sync, Timing Function
Assembly Required	Yes
Item Weight	60.7 pounds
