HiWEEGO SC8836

HiWEEGO Aglaonema Bonsai Building Set (Model SC8836) Instruction Manual

Model: SC8836 | Brand: HiWEEGO

Introduction

Thank you for choosing the HiWEEGO Aglaonema Bonsai Building Set. This set allows you to construct a detailed artificial Aglaonema plant, offering a creative and engaging building experience. This manual provides essential information for assembly, care, and troubleshooting to ensure a satisfying experience with your botanical display.

Setup and Preparation

Before beginning assembly, ensure all components are present and accounted for. This set contains 782 pieces made from durable ABS plastic. It is recommended to work on a clean, flat surface to prevent loss of small parts.

Unpacking and Part Identification

1. Carefully open the packaging and remove all bags containing building blocks.
2. Sort the pieces by color or type if desired, to facilitate easier assembly. Refer to the included instruction booklet for a complete list of parts.
3. Verify that all 782 pieces are present. If any pieces are missing, refer to the "Troubleshooting" section.

Assembly Instructions

Follow the step-by-step instructions provided in the dedicated instruction booklet included with your set. The assembly process involves interlocking various ABS plastic pieces to form the plant and its pot.

General Assembly Guidelines

- **Start with the Base:** Typically, construction begins with the pot, providing a stable foundation for the plant.
- **Build in Sections:** The plant's stem, leaves, and decorative elements are usually built in modular sections before being combined.
- **Secure Connections:** Ensure each piece is firmly pressed into place to create a stable and durable structure.
- **Refer to Visuals:** The instruction booklet contains detailed diagrams. Pay close attention to the orientation and placement of each piece.

Care and Maintenance

The HiWEEGO Aglaonema Bonsai Building Set is designed for durability and requires minimal maintenance.

- **Cleaning:** To remove dust, gently wipe the assembled model with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying. Avoid harsh chemicals or abrasive cleaners.
- **Handling:** While robust, avoid dropping the model or applying excessive force, as this may cause pieces to detach.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss.

Troubleshooting

Should you encounter any issues during assembly or use, refer to the following common solutions:

Problem	Solution
Missing Pieces	Double-check all packaging and sorting areas. If pieces are genuinely missing, contact HiWEEGO customer support with your model number and a description of the missing parts.
Pieces do not connect securely	Ensure the pieces are correctly oriented according to the instruction booklet. Apply firm, even pressure. If a piece consistently fails to connect, check for any manufacturing defects.
Assembled section is unstable	Review the previous steps in the instruction booklet to ensure all connections are secure and all pieces are correctly placed. Disassemble and reassemble the problematic section if necessary.

Product Specifications

Feature	Detail
Brand	HiWEEGO
Model Name	Blumen Botanicals Bonsai Bauset
Model Number	SC8836
Material	ABS plastic
Number of Pieces	782
Assembled Dimensions (L x W x H)	25.4 x 25.4 x 25.4 cm (approximately)
Age Range Description	12+ years old
Educational Objective	Creative Thinking
Assembly Required	Yes

Warranty Information
