YITAHOME Dressing Table Set with Storage Stool & Drawers

Model: MAYIHRIY7H

Your comprehensive guide to assembly, operation, and care.

INTRODUCTION

Thank you for choosing the YITAHOME Dressing Table Set. This chic vanity desk is designed to enhance your space with its functional features and elegant design. It includes a large Hollywood mirror with adjustable LED lights, a durable tempered glass top, ample storage with ten drawers, and a convenient hair dryer holder. The accompanying comfortable stool ensures a pleasant experience while getting ready. This manual provides detailed instructions for assembly, operation, maintenance, and troubleshooting to ensure you get the most out of your new dressing table.

This image displays the complete YITAHOME Dressing Table Set. It features a wide white vanity desk with a large rectangular mirror framed by circular LED bulbs. The desk includes two central drawers and two side cabinets, each containing four drawers, totaling ten drawers for storage. A matching white upholstered stool is positioned in the center. On the right side of the desk, a metal holder for a hair dryer is visible.

SETUP AND ASSEMBLY

Assembly of your YITAHOME Dressing Table Set is required. Please follow these instructions carefully to ensure proper and safe setup. It is recommended to have two people for assembly.

Before You Begin:

- Unpack all components and hardware from the packaging.
- Verify that all parts listed in the assembly diagram (not included in this manual, refer to your product packaging) are present and undamaged.
- Clear a spacious area for assembly.
- Gather necessary tools: typically a Phillips head screwdriver and possibly a hammer (not included).

Assembly Steps:

- Base Frame Assembly:** Begin by assembling the main desk frame and side cabinets according to the provided diagrams. Ensure all cam locks and screws are securely fastened.
- Drawer Installation:** Install the drawer slides onto the cabinet frames and then assemble each of the ten drawers. Carefully insert the assembled drawers into their respective slots.
- Mirror Attachment:** Securely attach the Hollywood mirror to the top of the vanity desk. Ensure all mounting hardware is tightened to prevent wobbling.
- LED Light Connection:** Connect the LED light power cable to a suitable power outlet.
- Stool Assembly:** Assemble the matching stool following its specific instructions.
- Final Checks:** Once assembled, gently shake the unit to ensure stability. Re-tighten any loose connections if necessary.

OPERATING INSTRUCTIONS

Your YITAHOME Dressing Table is designed for ease of use and functionality.

Using the LED Mirror:

- Power On/Off:** Locate the touch sensor on the mirror surface (typically a circular icon). Tap once to turn the lights on or off.
- Adjust Brightness:** Press and hold the touch sensor to adjust the brightness of the LED lights. Release when the desired brightness is achieved.
- Color Temperature (if applicable):** Some models may offer adjustable color temperatures. Tap the sensor repeatedly to cycle through different light modes (e.g., warm, natural, cool).

Drawer Usage:

- The dressing table features ten smooth-gliding drawers for organized storage of cosmetics, jewelry, and other essentials.
- Pull the handles gently to open and push to close. Avoid forcing drawers.

Hair Dryer Holder:

- Utilize the integrated holder on the side of the desk to conveniently store your hair dryer, keeping it accessible and tidy.

MAINTENANCE AND CARE

Proper care will extend the life and maintain the appearance of your dressing table.

Cleaning:

- Engineered Wood Surfaces:** Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish. Dry immediately with a clean cloth.
- Tempered Glass Top:** Use a glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the glass, to prevent liquid from seeping into seams.
- Mirror:** Clean the mirror surface with a soft, lint-free cloth and a non-ammonia glass cleaner. Be careful not to spray cleaner directly onto the LED bulbs or electrical components.
- Stool:** For the upholstered stool, spot clean with a mild fabric cleaner as needed.

General Care:

- Avoid placing hot items directly on the surface. Use coasters or protective pads.
- Keep the dressing table away from direct sunlight and excessive humidity to prevent warping or discoloration.
- Periodically check and tighten all screws and hardware to ensure stability.

TROUBLESHOOTING

If you encounter any issues with your dressing table, refer to the following common problems and solutions.

Problem	Possible Cause	Solution
LED lights not turning on.	Power cord not plugged in; loose connection; faulty sensor.	Ensure the power cord is securely plugged into a working outlet. Check all connections to the mirror. If the issue persists, contact customer support.
Drawers are sticking or difficult to open/close.	Drawer slides are misaligned; debris in slides; overloaded drawer.	Remove the drawer and check if the slides are properly aligned and free of obstructions. Ensure the drawer is not overloaded. Re-install the drawer carefully.
Dressing table feels wobbly.	Loose screws or hardware; uneven floor.	Check and tighten all assembly screws and bolts. If the floor is uneven, use furniture pads or shims under the legs to stabilize the unit.
Mirror is not securely attached.	Mounting hardware not tightened sufficiently.	Carefully re-tighten all screws and bolts connecting the mirror to the desk. Ensure the desk is on a stable surface during this process.

If you experience a problem not listed here, or if the suggested solutions do not resolve the issue, please contact YITAHOME customer support for further assistance.

SPECIFICATIONS

Detailed specifications for the YITAHOME Dressing Table Set.

Brand: YITAHOME

Model Number: MAYIHR1Y7H

UPC: 199449393665

Product Dimensions: 15.7"D x 46"W x 55.9"H (39.9 cm D x 116.8 cm W x 142 cm H)
