SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following safety guidelines:

- Ensure the desk is properly assembled with the provided "X"-shaped braces and adjustable leg pads for stability.
- Do not exceed the maximum weight recommendation of 200 pounds to avoid tipping or structural damage.
- Keep all small parts and hardware away from children during assembly to prevent choking hazards.
- Use only the tools and hardware provided or recommended by the manufacturer.
- Avoid placing hot items directly on the desk surface without adequate protection.
- Do not attempt to modify the desk's electrical components.

PACKAGE CONTENTS

Before beginning assembly, verify that all components and hardware listed below are present and undamaged.

Component List

- Desktop Panel
- Monitor Stand
- Metal Frame Components (legs, crossbars, "X"-braces)

- Two Drawers (non-woven fabric)
- Two Open Side Shelves (adjustable)
- Built-in Power Outlets and USB Ports Unit
- LED Light Strip
- Adjustable Leg Pads

Hardware List

All necessary screws, bolts, and an Allen key are included in the accessory box.

ASSEMBLY INSTRUCTIONS

Before You Begin

- Unpack all components and verify against the parts list.
- Clear a spacious, clean area for assembly.
- It is recommended to have two people for assembly to ensure ease and safety.
- All necessary tools are included in the package.
- For detailed visual guidance, scan the Transparency QR code on the packaging for assembly videos.

Step-by-Step Assembly

Step 1: Assemble the Frame

Attach the metal frame components according to the diagrams. Ensure all screws are finger-tightened initially. The frame includes "X"-shaped braces for enhanced stability.

Step 2: Install Shelves and Drawers

Insert the two non-woven fabric drawers into their designated slots. The two open side shelves are adjustable and can be positioned on either the left or right side of the desk to suit your storage needs.

Step 4: Connect Power Outlets and LED Lights

Integrate the built-in power outlets and USB ports into their designated slot on the desktop. Connect the LED light strip as instructed in the separate LED light manual (if provided) or by following the embedded wiring paths.

Step 5: Final Tightening and Adjustment

Once all components are in place, fully tighten all screws using the provided Allen key. Adjust the leg pads on the bottom of the desk to ensure it is stable and level on your floor surface.

OPERATING INSTRUCTIONS

Using the Power Outlets and USB Ports

The desk is equipped with a power strip featuring 3 AC outlets (125V/12A) and 2 USB ports (5V/2A). Plug your electronic devices into these ports for convenient power access and charging. Ensure the desk's main power cord is connected to a functional wall outlet.

MAINTENANCE

Proper maintenance will extend the life and appearance of your desk.

- Wipe the desk surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- Regularly check and tighten all screws and fasteners to maintain the desk's structural integrity and stability.
- Keep liquids away from electrical components, including the power outlets and LED light strip, to prevent electrical hazards.
- For the non-woven fabric drawers, spot clean with a mild detergent if necessary. Do not machine wash.

TROUBLESHOOTING

If you encounter any issues with your Pamray S15 Computer Desk, refer to the following common solutions:

- **Desk is unstable or wobbly:** Ensure all assembly screws are fully tightened. Adjust the leg pads on the bottom of the desk to level it on uneven floor surfaces.
- **LED lights not working:** Check if the LED strip's power cable is securely connected to the power source and that the main desk power cord is plugged into a functional wall outlet. Verify the smartphone app connection and settings.
- **Power outlets not providing power:** Confirm that the desk's main power cord is securely plugged into a

functional wall outlet. Test the outlet with another device to ensure it is working correctly.

- **Missing or damaged parts:** If you find any parts missing or damaged upon unpacking, please contact customer support immediately for assistance.
