YESHOMY Fireplace TV Stand Instruction Manual

Model: YH-TS23-213-GYNEW

Brand: YESHOMY

1. IMPORTANT SAFETY INSTRUCTIONS

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Always use caution when handling sharp edges during assembly.
- Follow assembly instructions carefully to prevent injury.
- Keep away from children and pets during assembly and operation of the fireplace.
- Ensure the TV stand is placed on a stable, level surface.
- Do not overload the TV stand or shelves. Refer to specifications for weight limits.
- Ensure proper ventilation for the electric fireplace. Do not block air vents.

2. PRODUCT OVERVIEW

The YESHOMY Fireplace TV Stand is designed to accommodate televisions up to 65+ inches, offering both media storage and an integrated electric fireplace. Its farmhouse style features sliding barn doors, adjustable shelving, and cable management for a tidy living space.

Figure 2.1: Assembled Fireplace TV Stand with electric fireplace operating.

Key Features:

- **Integrated Electric Fireplace:** Provides warmth and ambiance, with temperature settings from 65°F to 100°F, timer control (1-8 hours), and a simulated 3D flame effect. CSA/UL listed for safety.
- **Sliding Barn Doors:** Two removable sliding barn doors offer flexible access to storage compartments and can cover the fireplace when not in use.
- **Ample Storage:** Features two hidden storage spaces behind the doors and two open storage spaces for media devices, DVDs, and other items.
- **Adjustable Shelves:** Internal shelves can be adjusted to accommodate items of various sizes.
- **Cable Management:** Equipped with large cable holes to organize wires and maintain a clean appearance.
- **Durable Construction:** Made from wood with a protective coating for water resistance and longevity.

3. PACKAGE CONTENTS

The YESHOMY Fireplace TV Stand is shipped in two separate packages to ensure maximum safety during transit. Please ensure you have received both packages before beginning assembly.

SHIPPED IN **TWO** PACKAGES

For your peace of mind,
we ship in two boxes for **maximum safety**.
Please expect separate deliveries.

Figure 3.1: Product is shipped in two separate boxes.

Expected Components:

- All necessary wood panels for the TV stand structure.
- Hardware kit (screws, dowels, cam locks, etc.).
- Electric fireplace unit.
- Sliding barn door hardware and doors.
- Instruction manual.

Inspect all components for damage or missing parts before assembly. If any parts are missing or damaged, contact customer support immediately.

4. ASSEMBLY INSTRUCTIONS

The TV stand includes clear assembly instructions and all necessary screws for easy assembly. It is recommended to have two people for assembly.

Before You Begin:

- Clear a spacious area for assembly.
- Lay out all components and hardware.
- Familiarize yourself with the parts list and diagrams in the included assembly guide.
- Gather necessary tools (e.g., screwdriver, hammer).

Assembly Steps (General Overview):

1. Assemble the base and side panels of the TV stand.
2. Attach the back panel for structural integrity.
3. Install the central support and fixed shelves.
4. Insert the adjustable shelves into the desired positions.
5. Install the sliding track hardware for the barn doors.
6. Attach the barn doors to the sliding track.
7. Carefully insert the electric fireplace unit into its designated compartment.
8. Ensure all connections are secure and the stand is stable.

Detachable Fireplace Option:

The electric fireplace is designed to be detachable. If you prefer not to use the fireplace, it can be removed and replaced with a provided board to create additional storage space.

26" Large Electric Fireplace with Remote

The fireplace can be used as a space heater with temperatures ranging from 65F–100F.

Heating Fireplace
(65F-100F)

Timer Control
(1-8 hours)

Flame Effect
(Simulated 3D Flame)

CSA/UL Listed

The fireplace and TV stand are divided into two packages. So the delivery time may be different.

Figure 4.2: The fireplace can be detached and replaced with a board for alternative use.

5. OPERATING INSTRUCTIONS

Electric Fireplace Operation:

The 26-inch electric fireplace can be operated using the control panel on the unit or the included remote control. It functions as a space heater with adjustable temperatures and a realistic flame effect.

Figure 5.1: Electric fireplace control panel and remote functions.

- **Power On/Off:** Press the power button to turn the fireplace on or off.
- **Temperature Control:** Adjust the temperature between 65°F and 100°F using the temperature up/down buttons.
- **Timer Function:** Set the operating timer for 1 to 8 hours. The fireplace will automatically shut off after the set time.
- **Flame Effect:** Activate the simulated 3D flame effect independently of the heating function for ambiance.
- **Safety Features:** The fireplace is CSA/UL listed and designed to be cool to the touch.

Sliding Barn Doors:

The barn doors slide smoothly along the top track, allowing you to cover either the central fireplace compartment or the side storage shelves as needed. Gently push the doors to slide them open or closed.

Adjustable Shelves:

The shelves within the side cabinets can be adjusted to different heights. To adjust, remove the shelf, reposition the shelf pins to the desired height, and then place the shelf back on the pins.

6. MAINTENANCE AND CARE

- **Cleaning:** Wipe the TV stand surfaces with a dry cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Fireplace Cleaning:** Ensure the fireplace is turned off and unplugged before cleaning. Wipe the exterior with a dry or slightly damp cloth. Do not spray liquids directly into the unit.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.
- **Avoid Moisture:** Protect the TV stand from excessive moisture and direct sunlight to prevent warping or fading.

7. TROUBLESHOOTING

General Assembly Issues:

- **Parts don't fit:** Double-check the part numbers against the assembly diagram. Ensure components are oriented correctly. Do not force parts together.
- **Stand is wobbly:** Ensure all screws are tightened securely. Verify that the stand is on a level surface.
- **Sliding doors stick:** Check that the sliding track is installed correctly and free of obstructions. Ensure the doors are properly hung on the rollers.

Electric Fireplace Issues:

- **Fireplace not turning on:** Ensure the unit is properly plugged into a working electrical outlet. Check the power switch on the unit and the remote control batteries.
- **No heat output:** Verify that the heating function is activated and the temperature setting is above the ambient room temperature. Ensure air vents are not blocked.
- **Flame effect not working:** Check if the flame effect button has been pressed.

If you encounter persistent issues not covered here, please contact YESHOMY customer support.
