TOKSOM 00287

TOKSOM Makeup Vanity with Lights & Charging Station (35.4 inch, Model 00287) - Instruction Manual

1. INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your TOKSOM Makeup Vanity with Lights & Charging Station (Model 00287). Please read this manual thoroughly before use to ensure proper functionality and safety. Keep this manual for future reference.

Image 1: The TOKSOM Makeup Vanity with Lights and Charging Station, 35.4 inch Modern Black model, featuring a large mirror with LED lights, multiple drawers, and open storage shelves.

2. SAFETY INFORMATION

Please observe the following safety precautions to prevent injury or damage to the product:

- Ensure all components are securely fastened during assembly.
- Do not overload drawers or shelves to prevent tipping or structural damage.
- Keep electrical cords away from water and heat sources.
- Unplug the vanity from the power outlet before cleaning or performing any maintenance.
- This product is intended for indoor use only.
- Keep small parts out of reach of children during assembly.

3. PACKAGE CONTENTS

[illegible]

4. SETUP AND ASSEMBLY

1. Unpack all components and verify against the parts list.
2. Follow the numerical sequence in the assembly manual for attaching panels, drawers, and the mirror frame.
3. Securely attach the LED light bulbs around the mirror.
4. Connect the power strip for the charging station and lights to a suitable wall outlet.

6. MAINTENANCE

To maintain the appearance and longevity of your vanity, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Dusting:** Regularly dust all surfaces to prevent buildup.
- **Drawer Slides:** Periodically check drawer slides for smooth operation. If needed, clean and apply a silicone-based lubricant.
- **Electrical Components:** Ensure all electrical connections are secure. Do not attempt to repair the charging station or lights yourself; contact qualified personnel.

7. TROUBLESHOOTING

If you encounter issues with your vanity, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lights not turning on.	Power cord unplugged, light switch off, bulb malfunction.	Check power connection. Ensure light switch is on. If individual bulbs are replaceable, check them. Contact support if issue persists.
Charging station not working.	Vanity not plugged in, device not properly connected, power surge.	Verify the vanity's main power cord is plugged in. Ensure devices are correctly inserted into outlets/USB ports. Try a different device to rule out device issue.
Drawers are stiff or not sliding smoothly.	Accumulated dust/debris, misaligned slides, overloaded drawer.	Empty the drawer and clean the slides. Check for proper alignment. Do not overload drawers.
Vanity feels unstable.	Uneven floor, loose assembly hardware.	Adjust leveling feet if available, or place shims under the base. Re-tighten all assembly screws.
