

Enya NEXG 2N

Enya NEXG 2N Lucifer Acoustic-Electric Carbon Fiber Classical Nylon String Travel Guitar User Manual

Model: NEXG 2N

INTRODUCTION

The Enya NEXG 2N Lucifer is a collaborative acoustic-electric guitar model designed for innovation and versatility. This carbon fiber classical nylon string travel guitar integrates a powerful wireless speaker, advanced digital signal processing (DSP) effects, and smart functionalities for an enhanced musical experience. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your instrument.

WHAT'S IN THE BOX

Your NEXG 2N Lucifer package includes the following essential items:

- Enya NEXG 2N Lucifer Acoustic-Electric Guitar
- Thickened Gig Bag
- Footswitch Pedal
- Fast Charger
- Charging Cable (USB-C)
- Adjusting Wrench

SETUP

1. **Unpacking:** Carefully remove all items from the gig bag. Inspect the guitar and accessories for any signs of damage.
2. **Charging:** Connect the fast charger to the guitar using the provided USB-C charging cable. Ensure the guitar is fully charged before first use. The battery indicator on the color touch screen will show the charging status.
3. **Power On:** Press and hold the power button (usually integrated with the main control knob) until the screen illuminates.
4. **Tuning:** The NEXG 2N features a built-in tuner. Access it via the touch screen or dedicated button. Adjust the nylon strings to the desired pitch.
5. **Footswitch Pairing:** Power on the footswitch pedal. Follow the instructions on the guitar's touch screen or the ENYA MUSIC App to pair the footswitch via Bluetooth.
6. **App Connection:** Download the ENYA MUSIC App from your device's app store. Enable Bluetooth on your smartphone and connect to your NEXG 2N guitar. This allows for customizable presets and additional functionalities.

OPERATING INSTRUCTIONS

Onboard Speaker

The integrated 50W wireless speaker delivers a loud volume, wide dynamic range, and prominent frequency response. It can also function as a home stereo unit, allowing you to play music via wireless connectivity.

Electrified Nylon Sound & Effects

The NEXG 2N offers a smooth midrange, balanced sound, and great touch response characteristic of nylon string guitars. Utilize the DSP and speaker to add various effects:

- Compressor (Comp)
- Chorus
- Vibrato
- Octave
- Delay
- Reverb

Navigate through 20 onboard presets and other functionalities using the color touch screen. All presets are customizable through the ENYA MUSIC App.

Creativity Powerhouse (Looper & Drum Machine)

The guitar includes an onboard looper and drum machine, controllable via the included footswitch pedal. The ENYA MUSIC App features a signature loop created by Andrea Chiarini. Experiment with drum beats, layer guitar parts, and document your creative ideas through OTG recording.

ENYA MUSIC App Control

The dedicated ENYA MUSIC App allows for extensive customization of effects, presets, and other guitar functionalities. Connect your smartphone via Bluetooth to unlock the full potential of your NEXG 2N.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to wipe down the guitar body and neck after each use. For deeper cleaning, a slightly damp cloth can be used, followed by a dry one. Avoid harsh chemicals.
- **String Care:** Nylon strings are durable but can accumulate oils and dirt. Wipe them down regularly. Replace strings as needed to maintain optimal tone and playability.
- **Carbon Fiber Durability:** The carbon fiber construction makes the NEXG 2N highly durable and resistant to temperature and humidity changes, making it ideal for travel. However, avoid extreme impacts or prolonged exposure to direct sunlight.
- **Battery Care:** To prolong battery life, avoid fully discharging the guitar frequently. Store the guitar with a partial charge if not used for extended periods.

TROUBLESHOOTING

- **No Sound from Speaker:** Ensure the guitar is powered on and the volume is turned up. Check if headphones are plugged in, which would mute the speaker.
- **App Connectivity Issues:** Verify Bluetooth is enabled on your smartphone and the guitar. Restart both devices and try pairing again. Ensure the ENYA MUSIC App is up to date.
- **Footswitch Not Responding:** Check if the footswitch is powered on and properly paired via Bluetooth. Ensure its battery is charged.
- **Poor Sound Quality:** Check the selected effects and presets on the touch screen or app. Adjust parameters like EQ, reverb, or delay. Ensure strings are in good condition and properly tuned.
- **Battery Not Charging:** Verify the charging cable and fast charger are securely connected and functioning. Try a different USB-C cable or power adapter if available.

SPECIFICATIONS

Item Weight	11 pounds
Package Dimensions	43 x 13 x 6 inches
ASIN	B0FJ5SHKDR
Batteries	1 12V battery required

Date First Available	July 19, 2025
Back Material	Carbon Fiber
Body Material	Carbon Fiber
Color Name	Black LCF
Fretboard Material	Carbon Fiber
Guitar Pickup Configuration	Combination
String Material	Nylon
Top Material	Carbon Fiber
Neck Material Type	Carbon Fiber
Number of Strings	5
Guitar Bridge System	Fixed
Musical Style	World-Music
Size	2N
Hand Orientation	Right
