leejdn dougui 63.1" 9-Drawer Storage Organizer Instruction Manual

Model: dougui

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your leejdn dougui 63.1" 9-Drawer Storage Organizer. Please read this manual thoroughly before assembly and use to ensure proper function and safety. Keep this manual for future reference.

SAFETY INFORMATION

- **Assembly:** Always assemble the unit on a soft, clean surface to prevent scratches. Ensure all parts are present before beginning assembly. Two people are recommended for assembly.
- **Stability:** This unit must be securely anchored to a wall to prevent tipping, especially in households with children. Wall anchoring hardware may be included or purchased separately.
- **Weight Limits:** Do not exceed the specified weight capacities. The dresser top has a maximum weight capacity of 180 lbs. Each drawer has a maximum weight capacity of 35 lbs. Overloading can cause damage or injury.
- **Placement:** Place the organizer on a level surface to ensure stability and proper drawer function.
- **Glass Components:** Handle tempered glass panels with care to avoid breakage. In case of breakage, dispose of glass fragments safely.

PACKAGE CONTENTS

Verify that all components listed below are present before starting assembly. If any parts are missing or damaged, contact customer support.

- Dresser panels (top, bottom, sides, back)
- Drawer components (fronts, sides, backs, bottoms)
- 9 sets of silent metal drawer slides
- 3 recessed tempered glass panels

- Assembly hardware (screws, dowels, cam locks, etc.)
- Adjustable feet
- Light kit (for recessed display area)
- Anti-tip hardware
- Assembly tool (e.g., Allen wrench)

ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Follow the step-by-step instructions provided in the separate assembly guide included in your package. The general steps are outlined below:

1. **Prepare the Area:** Clear a spacious, clean, and soft area for assembly.
2. **Identify Parts:** Unpack all components and identify them using the parts list in the assembly guide.
3. **Assemble the Frame:** Connect the side panels, bottom panel, and back panel to form the main dresser frame.
4. **Install Drawer Slides:** Attach the metal drawer slides to the interior of the dresser frame and to the drawer sides according to the guide.
5. **Assemble Drawers:** Construct each of the nine drawers. Ensure the handleless recessed pulls are correctly oriented.
6. **Install Tempered Glass:** Carefully place the three tempered glass panels into the recessed areas of the top three drawers.
7. **Insert Drawers:** Slide the assembled drawers into their respective slots.
8. **Attach Top Panel:** Secure the top panel to the assembled frame.
9. **Install Adjustable Feet:** Attach the adjustable feet to the bottom of the dresser. Adjust them to ensure the unit is level.
10. **Install Light Kit:** Follow the specific instructions for installing the included light kit, typically for the recessed display area.
11. **Secure to Wall:** Attach the anti-tip hardware to the back of the dresser and to a wall stud using appropriate tools. This step is crucial for safety.

Tools Required: Typically a screwdriver (Phillips head), hammer, and potentially a drill for wall anchoring (not included).

The leejdn dougui 9-drawer storage organizer, featuring a handleless design and curved edges.

LIVING ROOM ESSENTIAL keeps remotes and magazines tidy

Detailed dimensions of the storage organizer, including overall size and weight capacities.

- **Storage Capacity:** The organizer features nine spacious drawers, providing ample storage for clothing, bedding, accessories, and other household items. The overall dimensions are 15.7"D x 63.1"W x 30.7"H.
- **Recessed Tempered Glass Display:** The top three drawers incorporate recessed tempered glass panels. This design allows for visible storage of items such as watches, perfumes, or decorative pieces, making them easily identifiable without opening the drawers.
- **Silent Metal Rails:** Each drawer is equipped with high-quality silent metal slides, ensuring smooth, quiet, and effortless opening and closing.
- **Handleless Design:** The drawers feature a sleek handleless design with recessed pulls, contributing to a clean and modern aesthetic.
- **Curved Edges:** The unit features smooth curved edges, enhancing safety and providing a refined appearance.
- **Versatile Placement:** This storage organizer is suitable for various rooms, including bedrooms, living rooms, dining rooms, or hallways, adapting to different storage needs.

View of the top drawers with recessed tempered glass and lower drawers for general storage.

Tempered glass panels provide a crystal-clear view of your stored items inside.

The tempered glass panels offer a clear view of stored items.

Metal rails

Highly durable silky smooth pull silent and obstruction free

Smooth Curved Edge

Elegant curved lines blend in with the dresser for a simple and generous look

Handleless Design

Remove excess hard-ware and pull out in a simpler recessed style for a more aesthetically pleasing cabinet

Features such as silent metal rails, smooth curved edges, and the handleless design.

Product Dimensions

Dresser Top Weight Capacity: 180LBS

Drawers Weight Capacity: 35 LBS

Illustrates the spacious storage capacity for various items.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish. For glass panels, use a standard glass cleaner.
- **Dusting:** Regularly dust the unit with a dry, soft cloth to prevent buildup.
- **Drawer Rails:** If drawers become stiff, apply a small amount of silicone-based lubricant to the metal slides.
- **Hardware:** Periodically check all assembly hardware and tighten if necessary to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration of the wood finish.

TROUBLESHOOTING

- **Drawers do not slide smoothly:**
Solution: Check if the drawer slides are correctly aligned and securely fastened. Ensure no objects are obstructing the slides. Apply a silicone lubricant if needed.

- **Dresser feels wobbly:**
Solution: Ensure the dresser is on a level surface. Adjust the adjustable feet to stabilize the unit. Verify all assembly hardware is tightened. Confirm the anti-tip hardware is properly installed and secured to the wall.
- **Light kit not working:**
Solution: Check the power connection and ensure the light kit is properly installed according to its specific instructions. Verify that the power source is functional.
- **Gaps between panels:**
Solution: Loosen and re-tighten the cam locks and screws, ensuring panels are flush before fully securing.
