## 2. PRODUCT FEATURES

The MALOL BSM08 Bar Stools are designed for comfort and durability, featuring a modern aesthetic suitable for various kitchen and bar settings.

- **Ergonomic Comfort:** Features a 110° ergonomic backrest and thick high-density foam cushions for posture support and pressure relief. Breathable fabric ensures comfort during extended use.
- **Stable Construction:** Reinforced metal legs with cross supports provide stability. Integrated footrests enhance comfort.
- **Durable Materials:** Constructed with a metal frame, soft fabric upholstery, and sponge for lasting quality.
- **Floor Protection:** Equipped with non-slip foot pads to stabilize stools on uneven floors and protect various floor surfaces.

Video 2: Step-by-step guide on how to assemble the MALOL Bar Stools.

## Step-by-Step Guide:

- 1. Attach Support Bars:** Connect the support bars (C) using one M6\*30MM Screw (G). *Note: Tighten screws in this step to 80%.*
- 2. Attach Seat Cushion and Backrest:** Secure the seat cushion (B) and backrest (A) to the chair leg support bars using four M6\*45MM Screws (J) and eight M6\*12MM Screws (H). *Note: Tighten screws in this step to 80%.*
- 3. Assemble Footrest Crossbar:** Gently pull the chair legs apart and insert the footrest crossbar. Attach it using two M6\*12MM Screws (H) and one M6\*30MM Screw (I). *Note: Tighten screws in this step to 80%.*
- 4. Final Tightening:** After confirming all parts are properly positioned, fully tighten all screws.

## 5. USAGE AND CARE

### Operating Instructions:

- Ensure all screws are tightened before each use to maintain stability.
- Use the integrated footrests for comfortable seating and to distribute weight evenly.
- Position the stools on a flat, stable surface. The non-slip foot pads are designed to protect floors and provide stability.

### Maintenance:

- Regularly check and tighten all screws to prevent wobbling and ensure safety.
- Clean the fabric upholstery with a soft, damp cloth and mild detergent. Avoid harsh chemicals.
- Wipe metal legs with a dry cloth to prevent dust buildup.
- Avoid prolonged exposure to direct sunlight or extreme temperatures to prevent material degradation.

## 6. SAFETY INFORMATION

- **Weight Limit:** Do not exceed the maximum weight recommendation of 225 pounds (approximately 102 kg) per stool. Exceeding this limit may cause damage to the stool and potential injury.
- **Secure Assembly:** Ensure all parts are securely fastened before use. Loose connections can lead to instability and accidents.
- **Children:** Supervise children when they are using the bar stools to prevent falls or misuse.
- **Movement:** Do not stand on the stools or use them as a ladder.
- **Placement:** Avoid placing stools near heat sources or open flames.

## 7. SPECIFICATIONS
