Mould King 11024

Mould King 11024 Technik Alien Building Block Model Set

Instruction Manual

INTRODUCTION

Thank you for choosing the Mould King 11024 Technik Alien Building Block Model Set. This advanced construction set allows you to build a detailed, remote-controlled sci-fi model with app integration and rotating functions. This manual provides essential information for assembly, operation, and maintenance to ensure a rewarding building and play experience.

SAFETY INFORMATION

- **Age Recommendation:** This set is recommended for ages 14 and up due to its complexity and the presence of small parts.
- **Small Parts Warning:** This product contains small parts which may pose a choking hazard for children under 3 years old. Keep all parts out of reach of young children.
- **Battery Safety:** Handle batteries according to manufacturer's instructions. Do not mix old and new batteries, or different types of batteries. Dispose of used batteries responsibly.
- **Assembly:** Follow the included building instructions carefully. Do not force pieces together.

PACKAGE CONTENTS

Your Mould King 11024 set includes:

- 2053 high-quality building block pieces
- 1 Remote Control
- 1 MK4 Battery Box
- 3 L Motors
- 1 Lithium Polymer Battery (for the model)

- Detailed Building Instructions Manual

SETUP

1. Assembly

Follow the step-by-step instructions provided in the dedicated building manual. Organize your pieces by type and color to facilitate the building process. Take your time and ensure each connection is secure.

**MOULD KING,
BUILD THE BLOCKS TECHNOLOGY!**

A REWARDING BUILDING PROJECT FOR SPACE ENTHUSIASTS

2. Battery Installation

1. Locate the battery compartment on your assembled model (refer to the building instructions for exact placement).
2. Open the battery compartment cover.
3. Insert the included Lithium Polymer battery into the MK4 Battery Box, ensuring correct polarity.
4. Close the battery compartment cover securely.
5. For the remote control, insert the required batteries (not specified in product details, typically AA or AAA) into its compartment, observing polarity.

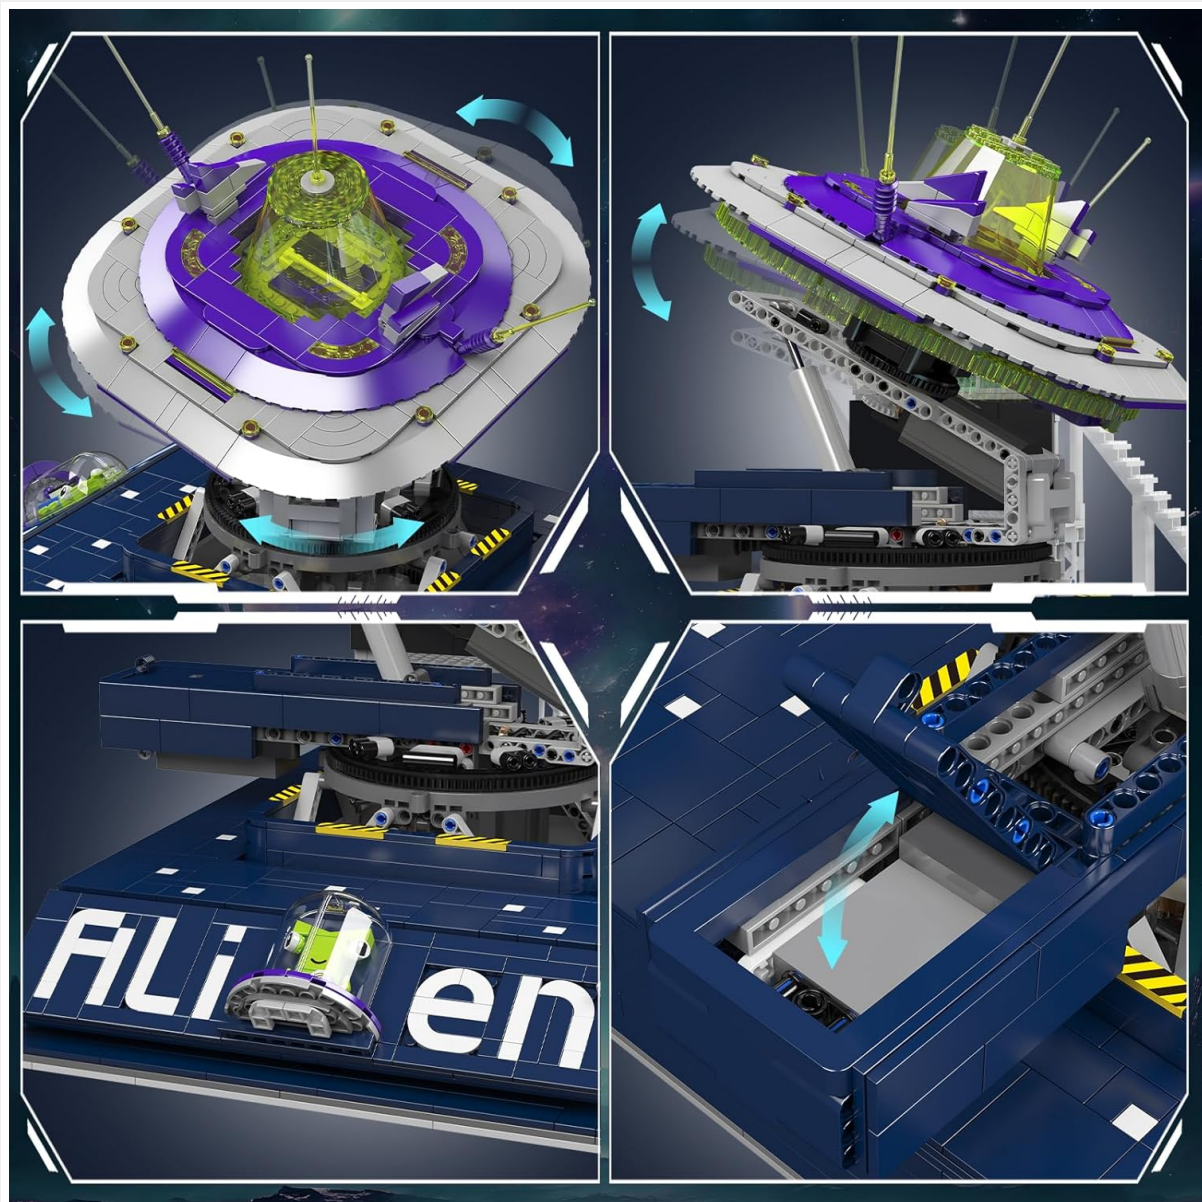

Image: Close-up view of the model's battery compartment, showing how to access and install the battery.

3. App Download and Connection

To use the app control feature, download the official Mould King app from your smartphone's app store. Follow the in-app instructions to pair your device with the model via Bluetooth.

OPERATING

Your Mould King 11024 model can be operated using either the included remote control or a smartphone app.

1. Remote Control Operation

- Turn on the model and the remote control.
- Ensure they are paired (refer to the remote control's specific instructions if pairing is required).
- Use the joysticks and buttons on the remote to control the model's movement and activate its rotating platform.

2. App Control Operation

- Ensure your smartphone is paired with the model via the Mould King app.

- Open the app and select your model.
- Use the on-screen controls to maneuver the model and activate its functions, including the realistic rotating platform.

MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to gently wipe dust from the model. Avoid using water or chemical cleaners, as these can damage the electronic components or plastic.
- **Storage:** Store the model in a cool, dry place away from direct sunlight and extreme temperatures. If storing for an extended period, remove batteries from both the model and the remote control to prevent leakage.
- **Inspection:** Periodically check for any loose or damaged parts. Reattach or replace as necessary.

TROUBLESHOOTING

Missing or Damaged Parts

If you find any missing or damaged parts during assembly, please refer to the 'Warranty and Support'

section for assistance. Do not attempt to force incompatible parts together.

Model Not Responding to Remote/App

- **Check Batteries:** Ensure all batteries in the model and remote control are correctly installed and sufficiently charged.
- **Power On:** Verify that both the model and the remote control are powered on.
- **Pairing:** Re-attempt the pairing process for the remote control or the app as described in the setup section.
- **Interference:** Move away from strong electromagnetic interference sources that might disrupt the signal.

SPECIFICATIONS

Model Name	11024 Technik Alien
Model Number	WX11024-ZJXLYF
Number of Pieces	2053
Material	Plastic
Dimensions (Package)	44.29 x 30.4 x 15.6 cm
Weight (Product)	4.37 kg
Power Source	1 Lithium Polymer Battery (included), 1 Rechargeable Battery (type not specified, typically for remote)
Age Recommendation	14+ Years
Special Features	Remote Control, App Control, Rotating Function
UPC	705736381347

WARRANTY AND SUPPORT

Mould King is committed to providing high-quality products. If you encounter any issues with your set, such as missing or damaged parts during assembly, please contact our customer service immediately. We offer free replacement parts to ensure your building experience is complete and enjoyable.
