2. SAFETY INFORMATION

WARNING: Always use caution when assembling, moving, or using heavy furniture. Follow all instructions carefully to avoid injury. This product may require two people to assemble safely.

- Ensure all components are present and undamaged before beginning assembly.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Do not overtighten screws, as this may damage the material.
- Keep small parts away from children during assembly.
- Always secure the cabinet to a wall using anti-tip hardware (if included) to prevent tipping, especially in households with children or pets.

3. PACKAGE CONTENTS

Before starting assembly, verify that all the following items are included in your package:

- Wine Cabinet components (various panels, shelves, doors)
- Instructions manual
- Accessories Kit (screws, dowels, hinges, handles, LED light strip, remote control)
- Wine Racks (2 removable units)
- Glass Holders (integrated into top sections)

4. SETUP AND ASSEMBLY

Assembly of the Garvee Wine Bar Cabinet is designed to be straightforward. It is recommended that two people assemble the unit to ensure stability and ease of handling. Follow the detailed installation steps provided in the included Accessories Kit instructions.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent damage. Identify each part using the labels provided.
2. **Assemble Frame:** Follow the step-by-step diagrams in the separate instruction sheet to connect the main frame panels.
3. **Install Shelves:** Insert the adjustable shelves into the desired positions. The wine racks can be installed or removed as needed.
4. **Attach Doors:** Secure the glass doors using the provided hinges. Ensure they open and close smoothly.
5. **Install LED Lights:** Adhere the LED light strip to the designated areas inside the cabinet. Connect the power supply and test the remote control functionality.
6. **Final Checks:** Ensure all screws are tightened, and the cabinet is stable.

5.2 Adjustable Shelves and Storage

The Garvee Wine Bar Cabinet offers flexible storage options:

- **Adjustable Shelves:** The shelves within the cabinet are freely adjustable in height. To adjust, carefully remove the shelf, reposition the shelf pins to the desired height, and reinsert the shelf.
- **Removable Wine Racks:** The two wine racks can store up to 8 bottles. They can be installed or removed based on your storage needs, allowing for larger items if removed.
- **Glass Holders:** Four rows of cupholders are integrated into the top section, accommodating up to 16 glasses.

6. MAINTENANCE

Proper care and maintenance will ensure the longevity and appearance of your Garvee Wine Bar Cabinet.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish. For glass doors, use a standard glass cleaner.
- **Spills:** Immediately wipe up any spills, especially on wooden surfaces, to prevent staining or water damage. The cabinet surface is designed to be water-resistant.
- **Dusting:** Regularly dust the cabinet with a dry, soft cloth.
- **Hardware:** Periodically check and tighten any loose screws or hardware to maintain stability.

7. TROUBLESHOOTING

If you encounter any issues with your Garvee Wine Bar Cabinet, refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet is wobbly/unstable	Loose screws; uneven floor	Tighten all assembly screws. Ensure the cabinet is on a level surface. Use shims if necessary.
LED lights not working	Power connection issue; remote battery dead; faulty LED strip	Check if the power adapter is securely plugged in. Replace the remote control battery. Ensure the LED strip is properly connected.
Doors do not close properly	Misaligned hinges; obstruction	Adjust the hinges as per the assembly instructions. Check for any obstructions preventing the door from closing fully.
Shelves are difficult to adjust	Shelf pins not fully inserted; shelf overloaded	Ensure shelf pins are fully seated in the desired holes. Remove items from the shelf before adjusting.
