MAINTENANCE

Proper care will extend the life and appearance of your VINGLI coffee table.

- **Cleaning:** Wipe the table surface with a dry cloth. For spills or dirt, use a damp cloth with mild soap and water, then dry thoroughly. The quick-dry surface facilitates easy cleaning.
- **Protection:** Although designed for all-weather use, covering the table during extreme weather conditions (heavy rain, snow, prolonged direct sunlight) can further preserve its finish.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the PU coating and wood finish.
