SETUP AND ASSEMBLY

Assembly of the ADORNEVE Twin Size Loft Bed requires careful attention to detail. It is recommended that two adults perform the assembly. All necessary tools and an installation manual are included. Please follow the step-by-step instructions provided in the separate installation manual for detailed assembly procedures.

Key Assembly Steps:

- Unpack all components and verify against the parts list in the installation manual.
- Assemble the main bed frame structure, ensuring all connections are secure.
- Install the storage stairs, ensuring they are firmly attached and stable.
- Attach the 8 fabric drawers and integrate the 2 open storage shelves.
- Secure the wardrobe section with the hanging rod.
- Install the LED light strips and connect to the power outlet.

- Crucially, install the anti-tipping device to the wall for enhanced stability and safety.

OPERATING YOUR LOFT BED

The ADORNEVE Twin Size Loft Bed is designed for multi-functional use, providing both a comfortable sleeping area and extensive storage and activity space.

Storage Features:

- **Stairs with Storage:** Each step of the stairway doubles as a spacious compartment, ideal for storing books, toys, and other small items. The wider, more stable steps ensure safe climbing.
- **8 Fabric Drawers:** The integrated dresser features 8 large fabric drawers, perfect for organizing clothes, documents, and various belongings.
- **2 Open Shelves:** Located above the drawers, these shelves provide easy access storage for frequently used items or decorative pieces.

- **Built-in Wardrobe:** An open wardrobe with a hanging rod is included, suitable for hanging school uniforms, jackets, or other garments. A built-in pegboard with 7 hooks offers additional vertical storage.

MAINTENANCE

Proper maintenance will ensure the longevity and continued performance of your ADORNEVE Loft Bed.

Cleaning:

- **Metal Frame:** Wipe down the metal frame with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Fabric Drawers:** The fabric drawers are durable and breathable. For minor spills, spot clean with a mild detergent and water. Allow to air dry completely. Do not machine wash or tumble dry.
- **LED Lights:** Gently wipe the LED strips with a dry, soft cloth. Ensure the power is off before cleaning.

Structural Integrity:

- Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.

- Verify the anti-tipping device remains securely attached to the wall.
