Romorgniz 12 Drawers TV Stand

Romorgniz 12-Drawer TV Stand Instruction Manual

Model: 12 Drawers TV Stand

1. INTRODUCTION

Thank you for purchasing the Romorgniz 12-Drawer TV Stand. This manual provides essential information for the safe assembly, proper operation, and effective maintenance of your new furniture. Please read these instructions thoroughly before beginning assembly and retain them for future reference.

Safety Information

- Always assemble the unit on a soft, clean surface to prevent scratches.
- Ensure all parts are present and undamaged before assembly. Contact customer support if any parts are missing or faulty.
- Do not overtighten screws during assembly to avoid damaging the material.
- Use the provided anti-tip kit to secure the unit to a wall, especially if children or pets are present, to prevent accidental tipping.
- Do not exceed the weight capacity of the top surface or shelves.
- Keep electrical components (LED lights, charging ports) away from water and moisture.

2. PRODUCT OVERVIEW

The Romorgniz 12-Drawer TV Stand is a versatile furniture piece designed for living rooms and bedrooms. It combines ample storage with modern features, including integrated LED lighting and a built-in charging station.

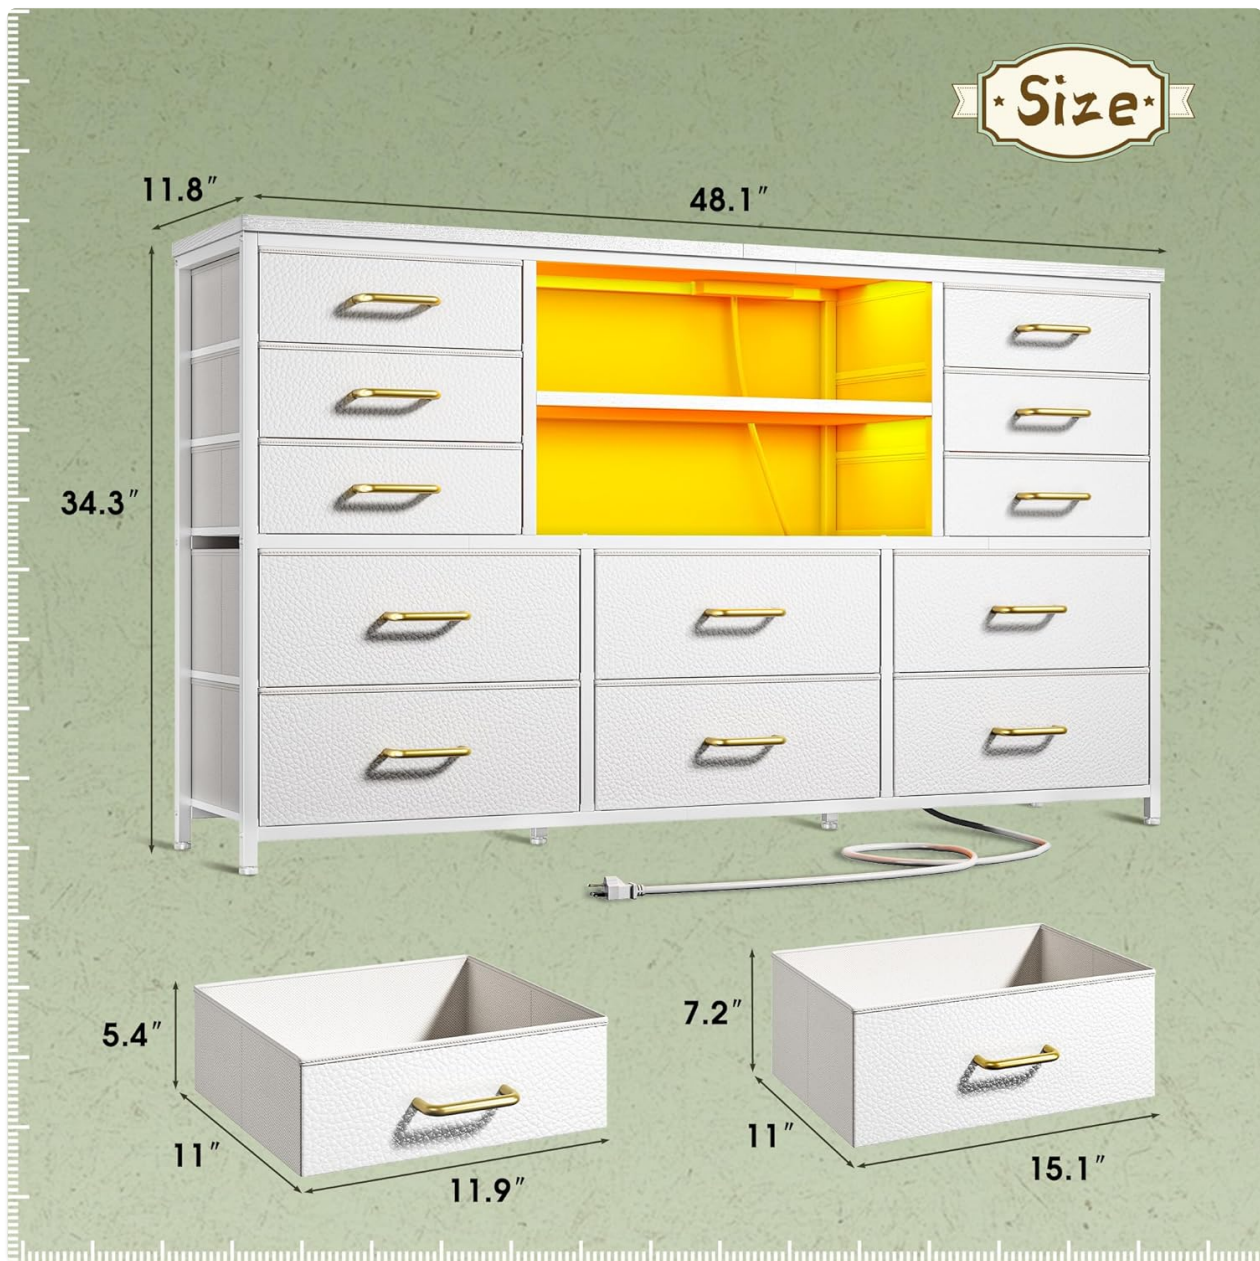

Front view of the Romorgniz 12-Drawer TV Stand, featuring a white finish, 12 fabric drawers, two open central shelves with LED lighting, and a top surface suitable for a television.

Key Features:

- **Multi-functional Storage:** Features 12 spacious fabric drawers and a central wooden storage layer for organizing various items.
- **Integrated LED Lighting:** Offers 21+ customizable colors, controllable via remote or a smart application, enhancing ambient lighting.
- **Built-in Charging Station:** Equipped with 2 AC outlets and 2 USB ports for convenient device charging.
- **Sturdy Construction:** Constructed with a durable metal frame, stable wood tabletop, and includes adjustable feet and anti-tip kits for enhanced stability and safety.

Dimensions:

- Overall Product Dimensions: 11.8"D x 48.1"W x 34.3"H

This video provides a visual guide for the assembly process of the Romorgniz 12-Drawer TV Stand, demonstrating each step from unboxing to final setup.

General Assembly Steps:

1. **Unpack and Identify Parts:** Carefully unpack all components and lay them out on a clean, soft surface. Refer to the parts list (not provided in this manual, but typically included with the product) to identify each piece.
2. **Assemble the Base Frame:** Connect the base metal frames using the provided screws and Allen wrench. Ensure all connections are secure.

3. **Attach Vertical Supports:** Secure the vertical metal supports to the base frame.
4. **Install Middle Shelves:** Place and secure the wooden middle shelves into their designated positions within the frame.
5. **Attach Top Panel:** Carefully place the main wooden top panel onto the assembled frame and secure it with screws. Ensure the charging port cutout aligns correctly.
6. **Install Charging Station:** Insert the charging station into the designated slot on the top panel and secure it.
7. **Assemble Fabric Drawers:** Fold and assemble the fabric drawers. Attach the handles to each drawer.
8. **Insert Drawers:** Place the assembled fabric drawers into their respective compartments.
9. **Install Anti-Tip Kit:** Secure the anti-tip kit to the back of the TV stand and to a wall stud using appropriate hardware (not always included for wall attachment).
10. **Adjust Feet:** Adjust the leveling feet at the bottom of the stand to ensure stability on uneven floors.

4. OPERATING INSTRUCTIONS

LED Lighting System

The integrated LED lighting system offers customizable ambiance for your living space.

- **Power On/Off:** Use the provided remote control or the dedicated smart app to turn the LED lights on or off.
- **Color Selection:** Choose from over 21 colors to match your mood or decor. Options are available via remote or app.
- **Custom Styles:** The smart app allows for custom lighting styles and effects.
- **Music Sync:** Some models may feature a music synchronization function, allowing the lights to react to audio.
- **Timing Function:** Set timers for the lights to automatically turn on or off.

5. MAINTENANCE

Cleaning

- **Wooden Surfaces:** Wipe wooden surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Metal Frame:** Clean the metal frame with a soft, dry cloth.
- **Fabric Drawers:** Spot clean fabric drawers with a mild detergent and a damp cloth. Allow to air dry completely. Do not machine wash.

General Care

- Regularly check all screws and connections to ensure they remain tight. Retighten if necessary.
- Avoid placing hot items directly on the wooden surfaces. Use coasters or protective pads.
- Keep the unit away from direct sunlight and excessive humidity to prevent warping or fading.

6. TROUBLESHOOTING

Common Issues and Solutions:

- **Unit is Wobbly:**
 - Ensure all screws are tightened securely.
 - Adjust the leveling feet at the bottom of the stand to stabilize it on uneven floors.
- **LED Lights Not Working:**
 - Check if the power cord for the LED lights is properly plugged into a working outlet.
 - Verify that the LED strip is correctly connected to its power source.
 - Ensure the remote control has working batteries or the smart app is properly connected.
- **Charging Ports Not Functioning:**
 - Confirm the main power plug for the charging station is securely connected to a live electrical outlet.
 - Test the outlet with another device to ensure it is working.
 - Try a different charging cable or device to rule out a faulty accessory.
- **Drawers Do Not Slide Smoothly:**
 - Ensure the fabric drawers are correctly assembled and fully inserted into their compartments.
 - Check for any obstructions within the drawer compartments.
